shall, if it is a CGN, be endorsed by or on behalf of the Agent to reflect the reduction of its nominal amount by the aggregate nominal amount so exchanged and, where applicable, the Permanent Global Note shall be endorsed by or on behalf of the Agent to reflect the increase in its nominal amount as a result of any exchange for an interest in the Temporary Global Note or (ii) in the case of any Global Note which is a NGN, instruct Euroclear and Clearstream to make appropriate entries in their records to reflect such exchange. Until exchanged in full, the holder of an interest in any Global Note shall in all respects be entitled to the same benefits under this Agreement as the holder of Definitive Notes, Receipts and Coupons authenticated and delivered under this Agreement, subject as set out in the Conditions. The Agent is authorised on behalf of the Issuer and instructed (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so exchanged and, if appropriate, to endorse the Permanent Global Note to reflect any increase in the nominal amount represented by it and, in either case, to sign in the relevant space on the relevant Global Note recording the exchange and reduction or increase, (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream to make appropriate entries in their records to reflect such exchange and (c) in the case of a total exchange, to cancel or arrange for the cancellation of the relevant Global Note.

4.5 The Agent shall notify the Issuer immediately after it receives a request for the issue of Definitive Notes in accordance with the provisions of a Global Note and the aggregate nominal amount of the Global Note to be exchanged.

4.6 The Issuer undertakes to deliver to the Agent sufficient numbers of executed Definitive Notes with, if applicable, Receipts, Coupons and Talons attached, to enable the Agent to comply with its obligations under this Agreement.

5. DETERMINATION OF END OF DISTRIBUTION COMPLIANCE PERIOD

5.1 In the case of a Tranche in respect of which there is only one Dealer, the Agent will determine the end of the Distribution Compliance Period in respect of the Tranche as being the fortieth day following the date determined and certified by the relevant Dealer to the Agent as being the date on which distribution of the Notes of that Tranche was completed.

5.2 In the case of a Tranche in respect of which there is more than one Dealer but which is not issued on a syndicated basis, the Agent will determine the end of the Distribution Compliance Period in respect of the Tranche as being the fortieth day following the last of the dates determined and certified by all the relevant Dealers to the Agent as being the respective dates on which distribution of the Notes of that Tranche purchased by each Dealer was completed.

5.3 In the case of a Tranche issued on a syndicated basis, the Agent will determine the end of the Distribution Compliance Period in respect of the Tranche as being the fortieth day following the date determined and certified by the relevant Lead Manager to the Agent as being the date on which distribution of the Notes of that Tranche was completed.

5.4 Immediately after it determines the end of the Distribution Compliance Period in respect of any Tranche, the Agent shall notify the determination to Euroclear and Clearstream.

6. TERMS OF ISSUE

6.1 The Agent shall cause all Notes delivered to and held by it under this Agreement to be maintained in safe custody and shall ensure that Notes are issued only in accordance with the provisions of this Agreement, the Conditions and, where applicable, the relevant Global Notes.

6.2 Subject to the procedures set out in the Procedures Memorandum, for the purposes of clause 3, the Agent is entitled to treat a facsimile communication from a person purporting to be (and whom the

Agent believes in good faith to be) the authorised representative of the Issuer named in the list referred to in, or notified pursuant to, subclause 19.8, or any other list duly provided for the purpose by the Issuer to the Agent, as sufficient instructions and authority of the Issuer for the Agent to act in accordance with clause 3.

- 6.3 In the event that a person who has signed a master Global Note held by the Agent on behalf of the Issuer ceases to be authorised as described in subclause 19.8, the Agent shall (unless the Issuer gives notice to the Agent that Notes signed by that person do not constitute valid and binding obligations of the Issuer or otherwise until replacements have been provided to the Agent) continue to have authority to issue Notes signed by that person, and the Issuer warrants to the Agent that those Notes shall be valid and binding obligations of the Issuer. Promptly upon any person ceasing to be authorised, the Issuer shall provide the Agent with replacement master Temporary Global Notes and Permanent Global Notes and the Agent shall, upon receipt of such replacements, cancel and destroy the master Global Notes held by it which are signed by that person and shall provide the Issuer with a certificate of destruction, specifying the master Global Notes so cancelled and destroyed.
- 6.4 The Agent shall provide Euroclear and/or Clearstream with the notifications, instructions or information to be given by the Agent to Euroclear and/or Clearstream.
- 6.5 If the Agent pays an amount (the **Advance**) to the Issuer on the basis that a payment (the **Payment**) has been or will be received from a Dealer and if the Payment is not received by the Agent on the date the Agent pays the Issuer, the Issuer shall repay to the Agent the Advance and shall pay interest on the Advance (or the unreimbursed portion thereof) from (and including) the date the Advance is made to (but excluding) the earlier of repayment of the Advance or receipt by the Agent of the Payment at a rate quoted at that time by the Agent as its cost of funding the Advance provided that evidence of the basis of such rate is given to the Issuer. For the avoidance of doubt, the Agent shall not be obliged to pay any amount to the Issuer if it has not received satisfactory confirmation that it is to receive the amount from a Dealer.
- 6.6 Except in the case of issues where the Agent does not act as receiving bank for the Issuer in respect of the purchase price of the Notes being issued, if on the Issue Date a Dealer does not pay the full purchase price due from it in respect of any Note (the **Defaulted Note**) and, as a result, the Defaulted Note remains in the Agent's account with Euroclear and/or Clearstream after the Issue Date, the Agent will continue to hold the Defaulted Note to the order of the Issuer. The Agent shall notify the Issuer immediately of the failure of the Dealer to pay the full purchase price due from it in respect of any Defaulted Note and, subsequently, shall (a) notify the Issuer immediately on receipt from the Dealer of the full purchase price in respect of any Defaulted Note and (b) pay to the Issuer the amount so received.

7. PAYMENTS

- 7.1 (a) The Issuer will, before 11.00 a.m. (in the case of a payment in euro, Luxembourg time) and before 10.00 a.m. (local time in the relevant financial centre of the payment in the case of a payment in pound sterling, U.S. Dollar or Swiss franc), on each date on which any payment in respect of any Note becomes due under the Conditions, transfer in immediately available, freely transferable, cleared funds, to an account specified by the Agent an amount in the relevant currency sufficient for the purposes of the payment in funds settled through such payment system as the Agent and the Issuer may agree, which, in the case of euro, shall be TARGET2.

In respect of any Notes for which the Specified Currency is not EUR, GBP, USD or CHF, prior to the issuance of such Notes, the Issuer shall consult with the Agent and separately agree the process and the timing for the relevant payment procedures.

Should the Issuer pay amounts in EUR to the Agent prior to the date the amounts are due, the Agent may request from the Issuer payment of interest rates on such amounts, from the date on which they are paid to the date on which they are due, at a percentage rate equal to the cost to the Agent of funding the amounts received in accordance with the applicable standard market interest rate.

(b) In the case of Physical Delivery Notes, the Issuer will, before 10.00 a.m. (local time in the relevant financial centre of delivery), on each date on which any delivery of the Asset Amount is due, transfer to an account specified by the Agent (or the Delivery Agent, as the case may be), the Asset Amount required for the purposes of that delivery as the Issuer and the Agent (or the Delivery Agent) may agree.

7.2 Any funds paid by or by arrangement with the Issuer to the Agent under subclause 7.1 shall be held in the relevant account referred to in subclause 7.1 for payment to the Noteholders, Receiptholders or Couponholders, as the case may be, until any Notes or matured Receipts and Coupons become void under Condition 8. In that event the Agent shall repay to the Issuer sums equivalent to the amounts which would otherwise have been repayable on the relevant Notes, Receipts or Coupons.

7.3 The Issuer will ensure that no later than 10.00 a.m. (Luxembourg time) on the second Business Day (as defined below) immediately preceding the date on which any payment is to be made to the Agent under subclause 7.1, the Agent shall receive an irrevocable payment confirmation by authenticated SWIFT message from the paying bank of the Issuer. For the purposes of this subclause, **Business Day** means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in France and Luxembourg.

7.4 The Agent shall notify each of the other Paying Agents, if any, immediately:

- (a) if it has not by the relevant date set out in subclause 7.1 received unconditionally the full amount in the Specified Currency required for the payment unless it is satisfied that it will receive the amount referred to in subclause 7.1 ; and
- (b) if it receives unconditionally the full amount of any sum payable in respect of the Notes, Receipts or Coupons after that date.

The Agent shall, at the expense of the Issuer, immediately on receiving any amount as described in subclause 7.4(b), cause notice of that receipt to be published under Condition 13.

7.5 The Agent shall ensure that payments of both principal and interest in respect of a Temporary Global Note will only be made if certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations has been received from Euroclear and/or Clearstream in accordance with the terms of the Temporary Global Note.

7.6 Unless it has received notice under subclause 7.4(a), each Paying Agent shall pay or cause to be paid all amounts due in respect of the Notes on behalf of the Issuer in the manner provided in the Conditions. If any payment and/or delivery provided for in subclause 7.1 is made late but otherwise in accordance with the provisions of this Agreement, the relevant Paying Agent shall nevertheless make payments in respect of the Notes as stated above following receipt by it of such payment and/or delivery.

7.7 If for any reason the Agent considers in its sole discretion that the amounts to be received by it under subclause 7.1 will be, or the amounts actually received by it are, insufficient to satisfy all claims in respect of all payments then falling due in respect of the Notes, the Paying Agents shall not be obliged, but may, in its discretion, decide, to pay any such claims until the Agent has received the full amount of all such payments.

- 7.8 Without prejudice to subclauses 7.6 and 7.7, if the Agent pays any amounts to the holders of Notes, Receipts or Coupons or to any other Paying Agent at a time when it has not received payment and/or delivery in full in respect of the relevant Notes in accordance with subclause 7.1 (the excess of the amounts so paid over the amounts so received being the **Shortfall**), the Issuer will, in addition to paying amounts due under subclause 7.1, pay to the Agent on demand interest (at a rate which represents the Agent's cost of funding the Shortfall) on the Shortfall (or the unreimbursed portion thereof) until the receipt in full by the Agent of the Shortfall.
- 7.9 The Agent shall on demand promptly reimburse each other Paying Agent, if any, for payments in respect of Notes properly made by each Paying Agent in accordance with this Agreement and the Conditions unless the Agent has notified the relevant Paying Agent, prior to its opening of business on the due date of a payment in respect of the Notes, that the Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of the Notes.
- 7.10 Whilst any Notes are represented by Global Notes, all payments due in respect of the Notes shall be made to, or to the order of, the holder of the Global Notes, subject to and in accordance with the provisions of the Global Notes. On the occasion of each payment, (i) in the case of a CGN, the Paying Agent to which such Global Note was presented for the purpose of making the payment shall cause the appropriate Schedule to the relevant Global Note to be annotated so as to evidence the amounts and dates of the payments of principal and/or interest as applicable or (ii) in the case of any Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream to make appropriate entries in their records to reflect such payment.
- 7.11 If the amount of principal and/or interest then due for payment is not paid in full (otherwise than by reason of a deduction required by law to be made or by reason of a FATCA Withholding or a certification required by the terms of a Note not being received), (i) the Paying Agent to which a Note, Receipt or Coupon (as the case may be) is presented for the purpose of making the payment shall, unless the Note is a NGN, make a record of the shortfall on the relevant Note, Receipt or Coupon and the record shall, in the absence of manifest error, be *prima facie* evidence that the payment in question has not to that extent been made or (ii) in the case of any Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream to make appropriate entries in their records to reflect such shortfall in payment.
- 7.12 Notwithstanding any other provision of this Agreement, each Agent shall be entitled to make a withholding or deduction from any payment which it makes under any Notes for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event such Agent shall make such payment after such withholding or deduction has been made and shall account to the relevant Authority within the time allowed for the amount so withheld or deducted or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so withheld or deducted, in which case, the Issuer shall so account to the relevant Authority for such amount. For the avoidance of doubt, FATCA Withholding is a withholding or deduction which is deemed to be required by Applicable Law for the purposes of this subclause 7.12. In this subclause 7.12 and subclauses 7.13 and 19.11, **Applicable Law** means any law or regulation, **Authority** means any competent regulatory, prosecuting, Tax or governmental authority in any jurisdiction and **Tax** means any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any Authority having power to tax.
- 7.13 If the Issuer determines in its sole discretion that any withholding or deduction for or on account of any tax will be required by Applicable Law in connection with any payment due to any Agent on any Notes, then the Issuer will be entitled to re-direct or reorganise any such payment in any way that it sees fit in order that the payment may be made without such withholding or deduction, provided that any such re-directed or reorganised payment is made through a recognised institution of international standing and such payment is otherwise made in accordance with this Agreement. The Issuer will

promptly notify the Principal Paying Agent of any such re-direction or reorganisation. For the avoidance of doubt, FATCA Withholding is withholding or deduction which is deemed to be required by Applicable Law for the purposes of this subclause 7.13.

8. DETERMINATIONS AND NOTIFICATIONS IN RESPECT OF NOTES AND INTEREST DETERMINATION

- (a) The Agent shall, unless otherwise specified in the applicable Final Terms, make all the determinations and calculations which it is required to make, if any, under the Conditions, all subject to and in accordance with the Conditions.
- (b) The Agent shall promptly notify (and confirm in writing to) the Issuer, the other Paying Agents, if any, and (in respect of a Series of Notes listed on a Stock Exchange) the relevant Stock Exchange by no later than the first day of each Interest Period of each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it or the Calculation Agent specified in the applicable Final Terms, as applicable, is obliged to determine or calculate under the Conditions as soon as practicable after their determination and of any subsequent amendments to them under the Conditions.
- (c) The Agent shall use its best endeavours to cause each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it or the Calculation Agent specified in the applicable Final Terms, as applicable, is obliged to determine or calculate under the Conditions to be published as required in accordance with the Conditions as soon as possible after their determination or calculation.
- (d) If the Agent does not at any time for any reason determine and/or calculate and/or publish the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period or any other amount, rate or date as provided in this clause, it shall immediately notify the Issuer and the other Paying Agents, if any, of that fact.
- (e) Determinations with regard to Notes (including, without limitation Inflation Linked Notes, Currency Linked Notes, Fund Linked Notes, Credit Linked Notes, Bond Linked Notes, Equity Linked Notes, Commodity Linked Notes, Index Linked Notes, Rate Linked Notes and Future Linked Notes) required to be made by a Calculation Agent specified in the applicable Final Terms shall be made in the manner so specified. Unless otherwise agreed between the Issuer and the relevant Dealer or the Lead Manager, as the case may be, those determinations shall be made on the basis of a Calculation Agency Agreement substantially in the form of Schedule 1. Notes of any Series may specify additional duties and obligations of any Paying Agent, the performance of which will be agreed between the Issuer and the relevant Paying Agent prior to the relevant Issue Date.

9. NOTICE OF ANY WITHHOLDING OR DEDUCTION

- 9.1 If the Issuer is, in respect of any payment, compelled to withhold or deduct any amount for or on account of taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, it shall give notice of that fact to the Agent as soon as it becomes aware of the requirement to make the withholding or deduction and shall give to the Agent such information as it shall require to enable it to comply with the requirement.
- 9.2 Without prejudice to subclause 9.1, the Issuer shall notify the Principal Paying Agent in the event that it determines that any payment to be made by any Agent under any Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated, provided, however, that the Issuer's obligation under this subclause 9.2 shall apply only to

the extent that such payments are so treated by virtue of characteristics of the Issuer, such Notes, or both.

- 9.3 If any Paying Agent is, in respect of any payment of principal or interest in respect of the Notes, compelled to withhold or deduct any amount for or on account of any taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, other than arising under subclauses 9.1 or 9.2 or by virtue of the relevant holder failing to satisfy any certification or other requirement in respect of its Notes, it shall give notice of that fact to the Issuer and the Agent as soon as it becomes aware of the compulsion to withhold or deduct.

10. DUTIES OF THE PAYING AGENTS IN CONNECTION WITH EARLY REDEMPTION

- 10.1 If the Issuer decides to redeem any Notes for the time being outstanding before their Maturity Date in accordance with the Conditions, the Issuer shall give notice of the decision to the Agent and to the Noteholders in accordance with the Conditions, stating the date on which the Notes are to be redeemed and the nominal amount of Notes to be redeemed not less than (a) 15 days (if the Notes are in definitive form) or (b) 7 Business Days prior to such redemption in order to enable the Agent to carry out its duties in this Agreement and in the Conditions.
- 10.2 If some only of the Notes are to be redeemed, the Agent shall, in the case of Definitive Notes, make the required drawing in accordance with the Conditions but shall give the Issuer reasonable notice of the time and place proposed for the drawing and the Issuer shall be entitled to send representatives to attend the drawing and shall, in the case of Notes in global form, co-ordinate the selection of Notes to be redeemed with Euroclear and Clearstream, all in accordance with the Conditions.
- 10.3 The Agent shall arrange for publication of the notice required in connection with any redemption and shall, if applicable, at the same time also publish a separate list of the serial numbers of any Notes in definitive form previously drawn and not presented for redemption. The redemption notice shall specify the date fixed for redemption, the redemption amount, the manner in which redemption will be effected and, in the case of a partial redemption of Definitive Notes, the serial numbers of the Notes to be redeemed. The notice will be published in accordance with the Conditions. The Agent will also notify the other Paying Agents, if any, of any date fixed for redemption of any Notes.
- 10.4 Each Paying Agent will keep a stock of Put Notices and will make them available on demand to holders of Definitive Notes, the Conditions of which provide for redemption at the option of Noteholders. Upon receipt of any Note deposited in the exercise of a put option in accordance with the Conditions, the Paying Agent with which the Note is deposited shall hold the Note (together with any Receipts, Coupons and Talons relating to it deposited with it) on behalf of the depositing Noteholder (but shall not, save as provided below, release it) until the due date for redemption of the relevant Note consequent upon the exercise of the option, when, subject as provided below, it shall present the Note (and any such unmatured Receipts, Coupons and Talons) to itself for payment of the amount due together with any interest due on the date of redemption in accordance with the Conditions and shall pay those moneys in accordance with the directions of the Noteholder contained in the relevant Put Notice. If, prior to the due date for its redemption, an Event of Default has occurred and is continuing or the Note becomes immediately due and repayable or if upon due presentation payment of the redemption moneys is improperly withheld or refused, the Paying Agent concerned shall post the Note (together with any such Receipts, Coupons and Talons) by uninsured post to, and at the risk of, the relevant Noteholder (unless the Noteholder has otherwise requested and paid the costs of insurance to the relevant Paying Agent at the time of depositing the Notes) at the address given by the Noteholder in the relevant Put Notice. At the end of each period for the exercise of any put option, each Paying Agent shall (except where the Paying Agent is the Agent) promptly notify the Agent of the principal amount of the Notes in respect of which the option has been exercised with it together with their serial numbers and the Agent shall promptly notify those details to the Issuer.

11. RECEIPT AND PUBLICATION OF NOTICES

- 11.1 Immediately after it receives a demand or notice from any Noteholder in accordance with the Conditions, the Agent shall forward a copy to the Issuer.
- 11.2 On behalf of and at the request and expense of the Issuer, the Agent shall cause to be published all notices required to be given by the Issuer to the Noteholders in accordance with the Conditions.

12. CANCELLATION OF NOTES, RECEIPTS, COUPONS AND TALONS

- 12.1 All Notes which are redeemed, all Global Notes which are exchanged in full, all Receipts or Coupons which are paid and all Talons which are exchanged shall be cancelled by the Paying Agent by which they are redeemed, exchanged or paid. In addition, the Issuer shall immediately notify the Agent in writing of all Notes which are purchased on behalf of the Issuer or any of its Subsidiaries and all such Notes surrendered to a Paying Agent for cancellation, together (in the case of Definitive Notes) with all unmatured Receipts, Coupons or Talons (if any) attached to them or surrendered with them, shall be cancelled by the Paying Agent to which they are surrendered. Each of the Paying Agents shall (except where the Paying Agent is the Agent) give to the Agent details of all payments made by it and shall deliver all cancelled Notes, Receipts, Coupons and Talons to the Agent or as the Agent may specify.
- 12.2 The Agent shall, upon request, deliver to the Issuer as soon as reasonably practicable and in any event within three months after the date of each repayment, payment, cancellation or replacement, as the case may be, a certificate stating:
- (a) the aggregate nominal amount of Notes which have been redeemed and the aggregate amount paid in respect of them and/or (in the case of Physical Delivery Notes) Asset Amount delivered;
 - (b) the number of Notes cancelled together (in the case of Notes in definitive form) with details of all unmatured Receipts, Coupons or Talons attached to them or delivered with them;
 - (c) the aggregate amount paid in respect of interest on the Notes;
 - (d) the total number by maturity date of Receipts, Coupons and Talons cancelled; and
 - (e) (in the case of Definitive Notes) the serial numbers of the Notes.
- 12.3 The Agent shall destroy upon disposal authorisation from both ICSDs all cancelled Notes, Receipts, Coupons and Talons and, upon request, immediately following their destruction, send to the Issuer a certificate stating the serial numbers of the Notes (in the case of Notes in definitive form) and the number by maturity date of Receipts, Coupons and Talons destroyed.
- 12.4 Without prejudice to the obligations of the Agent under subclause 12.2, the Agent shall keep a full and complete record of all Notes, Receipts, Coupons and Talons (other than serial numbers of Coupons) and of their redemption, purchase on behalf of the Issuer or any of its Subsidiaries and cancellation, payment or replacement (as the case may be) and of all replacement Notes, Receipts, Coupons or Talons issued in substitution for mutilated, defaced, destroyed, lost or stolen Notes, Receipts, Coupons or Talons. The Agent shall in respect of the Coupons of each maturity retain (in the case of Coupons other than Talons) until the expiry of ten years from the Relevant Date in respect of such Coupons and (in the case of Talons) indefinitely either all paid or exchanged Coupons of that maturity or a list of the serial numbers of Coupons of that maturity still remaining unpaid or unexchanged. The Agent shall at all reasonable times make the record available to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.

12.5 The Agent is authorised by the Issuer and instructed to (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so redeemed or purchased and cancelled and (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream to make appropriate entries in their records to reflect such redemption or purchase and cancellation, as the case may be; provided, that, in the case of a purchase or cancellation, the Issuer has notified the Agent of the same in accordance with clause 12.1.

13. ISSUE OF REPLACEMENT NOTES, RECEIPTS, COUPONS AND TALONS

13.1 The Issuer will cause a sufficient quantity of additional forms of Notes, Receipts, Coupons and Talons to be available, upon request, to the Agent at its specified office for the purpose of issuing replacement Notes, Receipts, Coupons and Talons as provided below.

13.2 The Agent will, subject to and in accordance with the Conditions and this clause, cause to be delivered any replacement Notes, Receipts, Coupons and Talons which the Issuer may determine to issue in place of Notes, Receipts, Coupons and Talons which have been lost, stolen, mutilated, defaced or destroyed.

13.3 In the case of a mutilated or defaced Note, the Agent shall ensure that (unless otherwise covered by such indemnity as the Issuer may reasonably require) any replacement Note will only have attached to it Receipts, Coupons and Talons corresponding to those (if any) attached to the mutilated or defaced Note which is presented for replacement.

13.4 The Agent shall obtain verification in the case of an allegedly lost, stolen or destroyed Note, Receipt, Coupon or Talon in respect of which the serial number is known, that the Note, Receipt, Coupon or Talon has not previously been redeemed, paid or exchanged, as the case may be. The Agent shall not issue any replacement Note, Receipt, Coupon or Talon unless and until the claimant shall have:

- (a) paid the costs and expenses incurred in connection with the issue;
- (b) provided it with such evidence and indemnity as the Issuer may reasonably require; and
- (c) in the case of any mutilated or defaced Note, Receipt, Coupon or Talon, surrendered it to the Agent.

13.5 The Agent shall cancel any mutilated or defaced Notes, Receipts, Coupons and Talons in respect of which replacement Notes, Receipts, Coupons and Talons have been issued under this clause and shall furnish the Issuer with a certificate stating the serial numbers of the Notes, Receipts, Coupons and Talons cancelled and, unless otherwise instructed by the Issuer in writing, shall destroy the cancelled Notes, Receipts, Coupons and Talons and give to the Issuer a destruction certificate containing the information specified in subclause 12.3.

13.6 The Agent shall, on issuing any replacement Note, Receipt, Coupon or Talon, immediately inform the Issuer and the other Paying Agents, if any, of the serial number of the replacement Note, Receipt, Coupon or Talon issued and (if known) of the serial number of the Note, Receipt, Coupon or Talon in place of which the replacement Note, Receipt, Coupon or Talon has been issued. Whenever replacement Receipts, Coupons or Talons are issued, the Agent shall also notify the other Paying Agents, if any, of the maturity dates of the lost, stolen, mutilated, defaced or destroyed Receipts, Coupons or Talons and of the replacement Receipts, Coupons or Talons issued.

13.7 The Agent shall keep a full and complete record of all replacement Notes, Receipts, Coupons and Talons issued and shall make the record available at all reasonable times to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.

- 13.8 Whenever any Note, Receipt, Coupon or Talon for which a replacement Note, Receipt, Coupon or Talon has been issued and in respect of which the serial number is known is presented to a Paying Agent for payment, the relevant Paying Agent shall immediately send notice of that fact to the Issuer and the other Paying Agents, if any.
- 13.9 The Paying Agents shall issue further Coupon sheets against surrender of Talons. A Talon so surrendered shall be cancelled by the relevant Paying Agent who (except where the Paying Agent is the Agent) shall inform the Agent of its serial number. Further Coupon sheets issued on surrender of Talons shall carry the same serial number as the surrendered Talon.

14. COPIES OF DOCUMENTS AVAILABLE FOR INSPECTION

Each Paying Agent shall hold available for inspection or collection at its specified office during normal business hours copies of all documents required to be so available by the Conditions of any Notes or the rules of any relevant Stock Exchange (or any other relevant authority). For these purposes, the Issuer shall provide the Paying Agents with sufficient copies of each of the relevant documents.

15. MEETINGS OF NOTEHOLDERS

- 15.1 The provisions of Schedule 5 shall apply to meetings of the Noteholders and shall have effect in the same manner as if set out in this Agreement.
- 15.2 Without prejudice to subclause 15.1, each of the Paying Agents on the request of any holder of Notes shall issue voting certificates and block voting instructions in accordance with Schedule 5 and shall immediately give notice to the Issuer in writing of any revocation or amendment of a block voting instruction. Each of the Paying Agents will keep a full and complete record of all voting certificates and block voting instructions issued by it and will, not less than 48 hours before the time appointed for holding a meeting or adjourned meeting, deposit at such place as the Agent shall approve, full particulars of all voting certificates and block voting instructions issued by it in respect of the meeting or adjourned meeting.

16. COMMISSIONS AND EXPENSES

- 16.1 The Issuer agrees to pay to the Agent such fees and commissions as the Issuer and the Agent shall separately agree in respect of the services of the Paying Agents under this Agreement together with any out of pocket expenses (including, but not limited to, legal, printing, postage, fax, cable and advertising expenses) incurred by the Paying Agents in connection with their services.
- 16.2 The Agent will make payment of the fees and commissions due under this Agreement to the other Paying Agents, if any, and will reimburse their fees, commissions and expenses promptly after the receipt of the relevant moneys from the Issuer. The Issuer shall not be responsible for any payment or reimbursement by the Agent to the other Paying Agents.

17. INDEMNITY

- 17.1 The Issuer shall indemnify each of the Paying Agents against any losses, liabilities, costs, claims, actions, demands or expenses (together, **Losses**) (including, but not limited to, all reasonable costs, legal fees, charges and expenses (together, **Expenses**) paid or incurred in disputing or defending any Losses) which it may incur or which may be made against it as a direct result of or in connection with its appointment or the exercise of its powers and duties under this Agreement except for any Losses or Expenses resulting from its own wilful default, gross negligence, bad faith, fraud or wilful misconduct or that of its officers, directors or employees or the material breach by it of the terms of this Agreement.

- 17.2 Each Paying Agent shall severally indemnify the Issuer against any Losses (including, but not limited to, all reasonable Expenses paid or incurred in disputing or defending any Losses) which the Issuer may incur or which may be made against the Issuer as a direct result of the material breach by such Paying Agent of the terms of this Agreement or its wilful default, gross negligence, bad faith, fraud or wilful misconduct or that of its officers, directors or employees.
- 17.3 The indemnities set out above shall survive any termination of this Agreement.
- 17.4 Under no circumstances will the Paying Agents be liable to the Issuer or any other party to this Agreement for any consequential loss or damage (including, but not limited to, loss of business, goodwill, opportunity or profit).

18. RESPONSIBILITY OF THE PAYING AGENTS

- 18.1 No Paying Agent shall be responsible to anyone with respect to the validity of this Agreement or the Notes, Receipts or Coupons or for any act or omission by it in connection with this Agreement or any Note, Receipt or Coupon except for its own negligence, default or bad faith, including that of its officers and employees.
- 18.2 No Paying Agent shall have any duty or responsibility in the case of any default by the Issuer in the performance of its obligations under the Conditions or, in the case of receipt of a written demand from a Noteholder or Couponholder, with respect to such default, provided however that immediately on receiving any notice given by a Noteholder in accordance with Condition 9, the Agent notifies the Issuer and furnishes it with a copy of the notice.

- 6.3 The termination of the appointment of the Calculation Agent under subclauses 6.1 or 6.2 shall not entitle the Calculation Agent to any amount by way of compensation but shall be without prejudice to any amount then accrued due.
- 6.4 The Calculation Agent may resign its appointment under this Agreement at any time by giving to the Issuer at least 90 days' prior written notice to that effect. - 6.5 Notwithstanding the provisions of subclauses 6.1, 6.2 and 6.4, so long as any of the Relevant Notes is outstanding, the termination of the appointment of the Calculation Agent (whether by the Issuer or by the resignation of the Calculation Agent) shall not be effective unless upon the expiry of the relevant notice a successor Calculation Agent has been appointed. The Issuer agrees with the Calculation Agent that if, by the day falling 10 days before the expiry of any notice under subclause 6.4, the Issuer has not appointed a replacement Calculation Agent, the Calculation Agent shall be entitled, on behalf of the Issuer, to appoint as a successor Calculation Agent in its place a reputable financial institution of good standing which the Issuer shall approve.
- 6.6 Upon its appointment becoming effective, a successor Calculation Agent shall without any further action, become vested with all the authority, rights, powers, duties and obligations of its predecessor with the same effect as if originally named as the Calculation Agent under this Agreement.

- 6.8 Any corporation into which the Calculation Agent may be merged or converted, or any corporation with which the Calculation Agent may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Calculation Agent shall be a party, or any corporation to which the Calculation Agent shall sell or otherwise transfer all or substantially all of its assets shall, on the date when the merger, consolidation or transfer becomes effective and to the extent permitted by any applicable laws, become the successor Calculation Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties to this Agreement, unless otherwise required by the Issuer, and after the said effective date all references in this Agreement to the Calculation Agent shall be deemed to be references to such successor corporation. Written notice of any such merger, conversion, consolidation or transfer shall immediately be given to the Issuer and the Agent by the Calculation Agent.

- 7.2 A communication shall be deemed received (if by fax) when an acknowledgement of receipt is received or (if by letter) when delivered, in each case in the manner required by this clause 7. However, if a communication is received after business hours on any business day or on a day which is not a business day in the place of receipt it shall be deemed to be received and become effective at the opening of business on the next business day in the place of receipt. 8. GENERAL

- 8.1 The descriptive headings in this Agreement are for convenience of reference only and shall not define or limit the provisions hereof.
- 8.2 This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.
- 8.3 If any provision in or obligation under this Agreement is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Agreement, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Agreement.

9. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

A person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

The Issuer agrees that failure by a process agent to notify it of any process will not invalidate service. TERMS AND CONDITIONS OF THE NOTES

TERMS AND CONDITIONS OF THE ENGLISH LAW NOTES

The following are the Terms and Conditions of the English Law Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms in relation to any Tranche of Notes will complete the following Terms and Conditions. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of the Notes" for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by Crédit Industriel et Commercial (the **Issuer**) subject to, and with the benefit of, the Agency Agreement (as defined below).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a **Global Note**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note; and
- (c) any definitive Notes issued in exchange for a Global Note.

The Notes, the Receipts (as defined below) and the Coupons (as defined below) have the benefit of an agency agreement (such agency agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**) dated 21 June 2022 and made between the Issuer, BNP Paribas Securities Services, Luxembourg Branch as issuing and principal paying agent and agent bank (the **Agent**, which expression shall include any successor agent), Banque de Luxembourg or Crédit Industriel et Commercial as calculation agent (the **Calculation Agent**, which expression shall include (i) such other person appointed as calculation agent pursuant to a calculation agency agreement and (ii) any additional or successor calculation agent) and the other paying agents named therein (together with the Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents).

The final terms for this Note (or the relevant provisions thereof) are set out in the Final Terms attached to or endorsed on this Note which complete these Terms and Conditions (the **Conditions**). References to the **applicable Final Terms** are to the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to **Receiptholders** shall mean the holders of the Receipts and any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single series and (b) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Interest bearing definitive Notes have interest coupons (**Coupons**) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Notes which are repayable in instalments have receipts (**Receipts**) for the payment of the instalments of principal (other than the final instalment) attached on issue. Global Notes do not have Receipts, Coupons or Talons attached on issue.

The Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the deed of covenant (such Deed of Covenant as modified and/or supplemented and/or restated from time to time, the **Deed of Covenant**) dated 21 June 2022 and made by the Issuer. The original of the Deed of Covenant is held by a common depository on behalf of Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking S.A. (**Clearstream, Luxembourg**).

Copies of the Agency Agreement and the Deed of Covenant are available for inspection during normal business hours at the specified office of each of the Paying Agents. If the Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange, the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu) and on the website of the Issuer (<https://www.cic-marketsolutions.eu/fr/kidemtncic.aspx>). The applicable Final Terms will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer and the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

1. FORM, DENOMINATION AND TITLE

The Notes are in bearer form in the currency (the **Specified Currency**) and the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms and definitive Notes will be serially numbered. This Note is, to the extent specified in the applicable Final Terms, a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or a Note linked to the underlying reference asset(s) (an **Underlying Reference(s)**) specified in the applicable Final Terms such as a Credit Linked Note, an Index Linked Note, an Equity Linked Note, an Inflation Linked Note, a Currency Linked Note, a Commodity Linked Note, a Fund Linked Note, a Bond Linked Note, a Rate Linked Note, a Future Linked Note or any appropriate combination thereof.

Definitive Notes are issued with Coupons attached and, if applicable, Talons attached unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in the Conditions are not applicable.

The Index Linked Notes, the Inflation Linked Notes, the Currency Linked Note, the Commodity Linked Notes, the Fund Linked Notes, the Bond Linked Notes, Rate Linked Notes and the Future Linked Notes are Cash Settled Notes. In the case of any Equity Linked Notes or Credit Linked Notes the applicable Final Terms will specify whether the Notes are Cash Settled Notes or Physical Delivery Notes. Save as otherwise specified in the applicable Final Terms, **Cash Settled Notes** will be redeemed by the payment to the Noteholders of such amount as is specified in the applicable Final Terms and **Physical Delivery Notes** will be redeemed by the delivery of the Relevant Asset(s) specified in the applicable Final Terms. Such Relevant Asset(s) shall not contain any share of the Issuer or of any consolidated subsidiary of the Issuer.

In addition, the Notes issued under the Programme are not exchangeable for or convertible into shares within the meaning of Article 19 of Commission Delegated Regulation (EU) 2019/980, as amended.

Subject as set out below, title to the Notes, Coupons and Receipts will pass by delivery. The Issuer and the Paying Agents, to the extent permitted by applicable law, may deem and treat the bearer of any Note, Coupon or Receipt as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and/or Clearstream, Luxembourg, as the case may be.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms (including Euroclear France and the *Intermédiaires financiers habilités* authorised to maintain accounts therein (together, **Euroclear France**)) approved by the Issuer and the Agent.

2. STATUS OF THE NOTES AND NEGATIVE PLEDGE

2.1 Status

The Notes and any relative Receipts and Coupons are direct, unconditional, senior preferred (within the meaning of Article L. 613-30-3-I-3° of the French *Code monétaire et financier*) and (subject to the provisions of Condition 2.2) unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unconditional, senior preferred and unsecured obligations of the Issuer, from time to time outstanding.

2.2 Negative Pledge

So long as any of the Notes remains outstanding, the Issuer will not create or have outstanding any mortgage, charge, lien, pledge or other security interest (*sûreté réelle*) (each a **Security Interest**) upon, or with respect to, any of its present or future business, undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness (as defined below), unless the Issuer, in the case of the creation of a Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that the Issuer's obligations under the Notes and the Coupons either:

- (a) are secured by the Security Interest equally and rateably with the Relevant Indebtedness; or

- (b) have the benefit of such other Security Interest, guarantee, indemnity or other arrangement (whether or not it includes the giving of a Security Interest) as shall be approved by an Extraordinary Resolution of the Noteholders.

For the purposes of this Condition 2.2, **Relevant Indebtedness** means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities which (with the consent of the issuer of the indebtedness) are for the time being quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market, and (ii) any guarantee or indemnity in respect of any such indebtedness.

3. REDENOMINATION

3.1 Redenomination

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 13, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated into euro in the denomination of euro 0.01 with a principal amount for each Note and Receipt equal to the principal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate principal amount of Notes held (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (c) if definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the Agent may approve) euro 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as

the Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;

- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on a Fixed Interest Date, it will be calculated:
 - (i) in the case of the Notes represented by a global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such global Note; and
 - (ii) in the case of Definitive Notes, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding,

- (g) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (h) such other changes shall be made to these Conditions as the Issuer may decide, after consultation with the Agent, and as may be specified in the notice, to conform them to conventions then applicable to instruments denominated in euro.

3.2 Definitions

In these Conditions, the following expressions have the following meanings:

Established Rate means the rate for the conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Union regulations) into euro established by the Council of the European Union pursuant to Article 140 of the Treaty;

Euro or **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty;

Redenomination Date means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (a) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union; and

Treaty means the Treaty on the Functioning of the European Union, as amended.

4. INTEREST

The applicable Final Terms will indicate whether the Notes are (i) Fixed Rate Notes, (ii) Floating Rate Notes, (iii) Fixed to Floating Rate Notes, (iv) Zero Coupon Notes or (v) Notes linked to an underlying reference asset(s) such as Credit Linked Notes, Index Linked Notes, Fund Linked Notes, Equity Linked Notes, Inflation Linked Notes, Currency Linked Notes, Commodity Linked Notes, Bond Linked Notes, Future Linked Notes or any combination thereof.

4.1 Interest on Fixed Rate Notes

This Condition 4.1 applies to Fixed Rate Notes only. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4.1 for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Fixed Rate(s) of Interest. Interest will be payable in arrear or in advance as specified in the applicable Final Terms on the Interest Payment Date(s) up to (and including) the Maturity Date. For so long as any of the Fixed Rate Notes is represented by a Global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, interest will be calculated on the full nominal amount outstanding of the Fixed Rate Notes and will be paid to Clearstream, Luxembourg and Euroclear for distribution by them to entitled accountholders in accordance with their usual rules and operating procedures. In respect of each definitive Fixed Rate Note, interest will be calculated on its outstanding nominal amount.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period or if, in the case of Notes in definitive form, no Fixed Coupon Amount is specified in the applicable Final Terms, such interest shall be calculated by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, the full nominal amount outstanding of the Fixed Rate Notes; or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation

Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

The Calculation Agent will cause the amount of interest payable per Calculation Amount for each Interest Period and the relevant Interest Payment Date to be notified to each of the Paying Agents and to be notified to Noteholders as soon as possible after their determination but in no event later than the fourth Business Day thereafter. The amount of interest payable per Calculation Amount and Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest per Calculation Amount shall nevertheless continue to be calculated as previously by the Calculation Agent in accordance with this provision but no publication of the amount of interest payable per Calculation Amount so calculated need be made.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.1:

- (a) if **Actual/Actual (ICMA)** is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;

- (b) if **30/360** is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;
- (c) if **Actual/365 (Fixed)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365; and
- (d) if **Actual/360** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360.

In the Conditions:

Determination Period means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

Reference Banks means five major banks selected by the Calculation Agent in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the Reference Rate (which, if EURIBOR is the relevant Reference Rate, shall be the Eurozone);

Reference Rate means the rate specified as such in the relevant Final Terms which shall be either the Euro Interbank Offered Rate (**EURIBOR**), the constant maturity swap rate (**CMS**), the Eurozone inflation index (**CPTFEMU**), the Euro Short-Term Rate (**€STR**) or the Secured Overnight Financing Rate (**SOFR**) (or any successor or replacement rate); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

4.2 Interest on variable interest Notes

This Condition 4.2 applies to Floating Rate Notes only. The applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 4.2 for full information on the manner in which interest is calculated on Floating Rate Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination, FBF Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due if it is not the Calculation Agent, the Margin, any maximum or minimum interest rates, the Day Count Fraction and any formula that applies the calculation of interest. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity, Reset Date and any applicable multiplier or leverage factor (a **Leverage**). Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Relevant Financial Centre, Interest Determination Date(s) and Relevant Screen Page.

(a) Interest Payment Dates

Unless otherwise specified in the applicable Final Terms, each Floating Rate Note or other Note which is subject to a variable rate of interest (any such Note or Floating Rate Note, a **Variable Interest Note**), bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear or in advance as specified in the applicable Final Terms on either:

- (i) the Specified Interest Payment Date(s) specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls on the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). For so long as any of the Variable Interest Notes is represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, interest will be calculated on the full nominal amount outstanding of the relevant Notes and will be paid to Clearstream, Luxembourg and Euroclear for distribution by them to entitled accountholders in accordance with their usual rules and operating procedures. In respect of each definitive Variable Interest Note, interest will be calculated on its outstanding nominal amount.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions and unless otherwise specified, **Business Day** means a day which is both:

- I. a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (**TARGET2**) System (the **TARGET2 System**) is open (a **TARGET2 Business Day**) and a day on which commercial banks and foreign exchange markets settle payments and

are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Business Centre specified in the applicable Final Terms; and

- II. either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars or Renminbi shall be Sydney, Auckland and Hong Kong, Beijing and the Offshore CNY Centre, respectively) or (ii) in relation to any sum payable in euro, TARGET2 Business Day.

(b) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Variable Interest Notes will be determined in the manner specified in the applicable Final Terms.

(i) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (i), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this sub-paragraph (i), **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions. A copy of the ISDA Definitions may be obtained from the Issuer.

(ii) FBF Determination

- (A) Where FBF Determination is specified in the applicable Final Terms, interest will be payable on such dates, at such a rate (the **FBF Rate**) and in such amounts, plus or minus the Margin (if any), as would have been payable (regardless of any event of default or termination event thereunder) by the Issuer if it had entered into an interest rate swap transaction governed by an agreement in the form of the Master Agreement relating to transactions on forward financial instruments incorporating the FBF Definitions (a **FBF Agreement**), as in effect on the date of issue of the Notes, published by the *Fédération Bancaire Française* (the **FBF**) and evidenced by a Confirmation

(as defined in the FBF Agreement) with the holder of the relevant Note under which:

- I. the Issuer was the Floating Amount Payer;
- II. the Agent (as defined herein) was the Agent (as defined in the FBF Agreement) or as otherwise specified in the applicable Final Terms;
- III. the Interest Commencement Date was the Transaction Date;
- IV. the lowest Specified Denomination was the Notional Amount;
- V. the Interest Payment Dates were the Floating Amount Payment Dates; and
- VI. all other terms were as specified in the applicable Final Terms.

FBF Definitions means the definitions set out in the FBF Master Agreement as supplemented by the Technical Schedules (*Additifs Techniques*) as published by the FBF (a copy of which may be obtained free of charge on the FBF website at <https://www.fbf.fr/en/schedules-fbf-master-agreement-relating-to-transactions-on-forward-financial-instruments/>), unless otherwise specified in the relevant Final Terms.

(B) When paragraph (A) above applies, in respect of each relevant Interest Payment Date:

- I. the amount of interest determined for such Interest Payment Date will be the Interest Amount for the relevant Interest Period for the purposes of these Conditions as though determined under paragraph (d) below;
- II. the Rate of Interest for such Interest Period will be the Floating Rate (as defined in the FBF Agreement) determined by the Agent in accordance with paragraph (A) above; and
- III. the Agent will be deemed to have discharged its obligations under paragraph (d) below if it has determined the Rate of Interest and the Interest Amount payable on such Interest Payment Date in the manner provided in the preceding sentence.

(iii) Screen Rate Determination

(A) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below or (if applicable) to Condition 4.2(b)(iv) below, be either:

- I. the offered quotation; or
- II. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate(s) which appears or appear, as the case may be, on the Screen Page at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (B) In the event that the Screen Page is not available or if, in the case of I above, no such offered quotation appears or, in the case of II above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Rate of Interest shall be the arithmetic mean of the offered quotation for the Reference Rate(s) provided by each of the Reference Banks at the Specified Time on the Interest Determination Date, as determined by the Calculation Agent.
- (C) If fewer than two of such banks are quoting to leading banks in the Relevant Financial Centre, the Rate of Interest shall (unless otherwise specified) be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin or Maximum or Minimum Rate of Interest applicable to the preceding Interest Period and to the relevant Interest Period).
- (D) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being €STR, the Rate of Interest for each Interest Period will, subject as provided below, be the rate of return of a daily compound interest investment (with the daily euro short-term rate as the reference rate for the calculation of interest) plus or minus (as indicated in the applicable Final Terms) the Margin (if any) and will be calculated by the Calculation Agent on the relevant Interest Determination Date, as follows, and the resulting percentage will be rounded, if necessary, to the nearest one ten-thousandth of a percentage point, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{\text{€STR}_{i-\text{pTBD}} \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

If the €STR is not published, as specified above, on any particular TARGET Business Day and no €STR Index Cessation Event (as defined below) has occurred, the €STR for such TARGET Business Day shall be the rate equal to €STR in respect of the last TARGET Business Day for which such rate was published on the Website of the European Central Bank.

If the €STR is not published, as specified above, on any particular TARGET Business Day and both an €STR Index Cessation Event and an €STR Index Cessation Effective Date have occurred, the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period on or after such €STR Index Cessation Effective

Date will be determined as if references to €STR were references to the ECB Recommended Rate.

If no ECB Recommended Rate has been recommended before the end of the first TARGET Business Day following the date on which the €STR Index Cessation Event occurs, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period on or after the €STR Index Cessation Effective Date will be determined as if references to €STR were references to the Modified EDFR.

If an ECB Recommended Rate has been recommended and both an ECB Recommended Rate Index Cessation Event and an ECB Recommended Rate Index Cessation Effective Date subsequently occur, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after that ECB Recommended Rate Index Cessation Effective Date will be determined as if references to €STR were references to the Modified EDFR.

Any substitution of the €STR, as specified above, will remain effective for the remaining term to maturity of the Notes and shall be published by the Issuer in accordance with Condition 15.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, (i) the Rate of Interest shall be that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period) or (ii) if there is no such preceding Interest Determination Date, the Rate of Interest shall be determined as if the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period on or after such €STR Index Cessation Effective Date were references to the latest published ECB Recommended Rate or, if EDFR is published on a later date than the latest published ECB Recommended Rate, the Modified EDFR.

Benchmark Replacement Conforming Changes means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Interest Period”, timing and frequency of determining rates and making payments of interest, rounding of amounts or tenors, and other administrative matters) that the Calculation Agent or another entity appointed by the Issuer decide may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Calculation Agent or another entity appointed by the Issuer decide that adoption of any portion of such market practice is not administratively feasible or if the Calculation Agent or another entity appointed by the Issuer determine that no market practice for use of the Benchmark Replacement exists, in such other manner as the Calculation Agent or another entity appointed by the Issuer determine is reasonably necessary).

Benchmark Replacement Date means the earliest to occur of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (1) in the case of paragraph (i) or (ii) of the definition of “Benchmark Transition Event”, the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or
- (2) in the case of paragraph (iii) of the definition of “Benchmark Transition Event”, the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will

be deemed to have occurred prior to the Reference Time for such determination.

Benchmark Transition Event means the occurrence of one or more of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (1) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the Benchmark (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);
- (2) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark (or such component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or
- (3) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

ISDA Definitions means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. or any successor thereto, as amended or supplemented from time to time, or any successor definitional booklet for interest rate derivatives published from time to time.

ISDA Fallback Adjustment means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor.

ISDA Fallback Rate means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

Reference Time with respect to any determination of the Benchmark means (i) if the Benchmark is SOFR, the SOFR Determination Time and (ii) if the Benchmark is not SOFR, the time determined by the Calculation Agent or another entity appointed by the Issuer after giving effect to the Benchmark Replacement Conforming Changes.

Relevant Governmental Body means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

Unadjusted Benchmark Replacement means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

(iv) Benchmark Discontinuation

Subject to Condition 6.12, where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, if a Benchmark Event occurs in relation to an Original Reference Rate at any time when the Terms and Conditions of any Notes provide for any remaining rate of interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the following provisions shall apply and shall prevail over the other fallbacks specified in Condition 4.2(b) (for the avoidance of doubt, it shall not apply to €STR and SOFR).

(A) Successor Rate or Alternative Rate

If the Issuer determines in good faith that:

- I. there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4.2(b)(iv)(C)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.2(b)(iv)); or
- II. there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4.2(b)(iv)(C)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.2(b)(iv)).

(B) Adjustment Spread

If the Issuer determines in good faith (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(C) Benchmark Amendments

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4.2(b)(iv) and the Issuer determines in good faith (i) that amendments to the Terms and Conditions of the Notes (including, without limitation, amendments to the definitions of Day Count Fraction, Business Days, or Relevant Screen Page) are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the **Benchmark Amendments**) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.2(b)(iv)(D), without any requirement for the consent or approval of Noteholders, Receiptholders or Couponholders, vary the Terms and Conditions of the Notes to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such variation in accordance with this Condition 4.2(b)(iv), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(D) Notices, etc.

The Issuer shall notify the Agent, the Calculation Agent, the Paying Agents, and, in accordance with Condition 13, the Noteholders, promptly of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4.2(b)(iv). Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such notice will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any)) be binding on the Issuer, the Agent, the Calculation Agent, the party responsible for determining the Rate of Interest, the Paying Agents and the Noteholders, Receiptholders and Couponholders.

(E) Survival of Original Reference Rate

Without prejudice to the Issuer's obligations under the provisions of this Condition 4.2(b)(iv), the Original Reference Rate and the fallback provisions provided for in Condition 4.2(b) will continue to apply unless and until the party responsible for determining the Rate of Interest has been notified of the

Successor Rate or the Alternative Rate (as the case may be), and of any Adjustment Spread and/or Benchmark Amendments.

(F) Fallbacks

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest on the immediately following Interest Determination Date, no Successor Rate or Alternative Rate (as applicable) is determined pursuant to this provision, the fallback provision for the Original Reference Rate specified in Condition 4.2(b)(iii), namely the Rate of Interest determined on the preceding Interest Determination Date will continue to apply to such determination (though substituting, where a different Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Maximum or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Maximum or Minimum Rate of Interest relating to that last preceding Interest Period).

In such circumstances, the Issuer will be entitled (but not obliged), at any time thereafter, to elect to re-apply the provisions of this Condition 4.2(b)(iv), *mutatis mutandis*, on one or more occasions until a Successor Rate or Alternative Rate (and, if applicable, any associated Adjustment Spread and/or Benchmark Amendments) has been determined and notified in accordance with this Condition 4.2(b)(iv) (and, until such determination and notification (if any), the fallback provisions provided elsewhere in these Terms and Conditions including, for the avoidance of doubt, the other fallbacks specified in Condition 4.2(b), will continue to apply in accordance with their terms). This may result in the Rate of Interest for the last preceding Interest Period being the Rate of Interest for the Interest Period in question.

(G) Definitions

In this Condition 6.2(b)(iv):

Adjustment Spread means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Calculation Agent determines and which is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders, Receiptholders or Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- I. in the case of a Successor Rate, is formally recommended, or formally provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body;
- II. in the case of an Alternative Rate (or in the case of a Successor Rate where I. above does not apply), is in customary market usage in the international debt capital market for transactions which reference the Original Reference Rate, where such rate has been replaced by the Alternative Rate (or, as the case may be, the Successor Rate); or

- III. if no such recommendation or option has been made (or made available), or the Calculation Agent determines there is no such spread, formula or methodology in customary market usage, the Calculation Agent, acting in good faith, determines to be appropriate;

Alternative Rate means an alternative benchmark or screen rate which the Issuer determines in accordance with this Condition 4.2(b)(iv) and which is customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for a commensurate interest period and in the same Specified Currency as the Notes;

Benchmark Event means, with respect to an Original Reference Rate:

- IV. the Original Reference Rate ceasing to exist or be published;
- V. the later of (i) the making of a public statement by the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (ii) the date falling six months prior to the date specified in (i);
- VI. the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued;
- VII. the later of (i) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued and (ii) the date falling six months prior to the date specified in (i);
- VIII. the making of a public statement by the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case within the following six months;
- IX. the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate, in the opinion of the supervisor, is no longer representative of an underlying market or that its method of calculation has significantly changed;
- X. it has or will prior to the next Interest Determination Date become unlawful for the Issuer, the party responsible for determining the Rate of Interest (being the Calculation Agent or such other party specified in the applicable Final Terms, as applicable), or any Paying Agent to calculate any payments due to be made to any Noteholder, Receiptholder or Couponholder using the Original Reference Rate (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011, as amended, if applicable); or

- XI. that a decision to withdraw the authorisation or registration pursuant to Article 35 of the Benchmarks Regulation (Regulation (EU) 2016/1011, as amended) of any benchmark administrator previously authorised to publish such Original Reference Rate has been adopted;

Original Reference Rate means the Reference Rate or other benchmark or screen rate (as applicable) originally specified for the purpose of determining the relevant Rate of Interest (or any relevant component part(s) thereof) on the Notes;

Relevant Nominating Body means, in respect of a benchmark or screen rate (as applicable):

- XII. the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- XIII. any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (ii) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (iii) a group of the aforementioned central banks or other supervisory authorities or (iv) the Financial Stability Board or any part thereof; and

Successor Rate means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body, and if, following a Benchmark Event, two or more successor or replacement rates are recommended by any Relevant Nominating Body, the Issuer shall determine which of those successor or replacement rates is most appropriate, having regard to, *inter alia*, the particular features of the relevant Notes and the nature of the Issuer.

(c) **Minimum Rate of Interest and/or Maximum Rate of Interest**

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) **Determination of Rate of Interest and calculation of Interest Amount**

The Calculation Agent will, on or as soon as practicable after each time at which the Rate of Interest is to be determined (the **Interest Determination Date**), determine the Rate of Interest for the relevant Interest Period.

Save as otherwise specified in the applicable Final Terms, or in circumstances where FBF Determination is applicable, the Calculation Agent will calculate the amount of interest (the **Interest Amount**) payable in respect of Variable Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Variable Interest Notes which are represented by a Global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, the full nominal amount outstanding of the relevant Notes; or
- (ii) in the case of Variable Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Variable Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.2:

- (i) if **Actual/365** or **Actual/Actual** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if **Actual/365 – FBF** is specified in the applicable Final Terms, the fraction whose numerator is the actual number of days elapsed during the Interest Period and whose denominator is 365. If part of the Interest period falls in a leap year, **Actual/365 – FBF** shall mean the sum of (i) the fraction whose numerator is the actual number of days elapsed during the non-leap year and whose denominator is 365 and (ii) the fraction whose numerator is the number of actual days elapsed during the leap year and whose denominator is 366;
- (iii) if **Actual/365 (Fixed)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iv) if **Actual/365 (Sterling)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (v) if **Actual/360** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (vi) if **30/360**, **360/360** or **Bond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and

(vii) if **30E/360** or **Eurobond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of an Interest Period ending on the Maturity Date, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(e) **Notification of Rate of Interest and Interest Amounts**

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Variable Interest Notes are for the time being listed (by no later than the first day of each Interest Period or if that is impracticable, as soon as reasonably practicable upon the determination of such Rate of Interest and Interest Amount). Each Interest Amount and Interest Payment Date may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period.

(f) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4, by the Calculation Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the other Paying Agents, and all Noteholders, Receiptholders and Couponholders, and (in the absence of wilful default, fraud or bad faith) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

4.3 Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate or from a Floating Rate to a Fixed Rate on the date set out in the Final Terms.

4.4 Interest on Fixed or Floating or Zero Coupon/Structured Notes

Fixed or Floating or Zero Coupon/Structured Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the Final Terms from a Fixed Rate or Floating Rate or Zero Coupon to a rate linked to an Underlying Reference, or from a rate linked to an Underlying Reference as specified in the Final Terms and determined in accordance with the Technical Annex to a Fixed or Floating Rate or Zero Coupon or (ii) that will automatically change from a Fixed or Floating Rate or Zero Coupon to a rate linked to an Underlying Reference or from a rate linked to an Underlying Reference to a Fixed or Floating Rate or Zero Coupon on the date set out in the Final Terms.

4.5 Interest on Combined Notes

The Interest Rate of Combined Notes is a combination of several Interest Rates during the lifetime of the Notes between a Fixed Rate and/or a Floating Rate and/or a Zero Coupon and/or a rate linked to an Underlying Reference as specified in the Final Terms and determined in accordance with the Technical Annex (i) that the Issuer may elect to convert on the date set out in the Final Terms or (ii) that will automatically change on the date set out in the Final Terms.

4.6 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal (and/or delivery of the Physical Delivery Amount (if applicable)) is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

4.7 Formulae for the calculation of interest

Interest on the Notes will be determined in accordance with the formulae set out in the Technical Annex if specified in the applicable Final Terms. The applicable Day Count Fraction will be as defined in Conditions 4.1 and 4.2 above.

5. PAYMENTS

5.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars, New Zealand dollars or Renminbi, shall be Sydney, Auckland and the Offshore CNY Centre, respectively); and
- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment or other laws and regulations to which the Issuer or its Agents are subject, but without prejudice to the provisions of Condition 7, (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto and (iii) any withholding or deduction required pursuant to Section 871(m) of the Code (**871(m) Withholding**). In addition, in determining the amount of 871(m) Withholding imposed with respect to any amounts to be paid on the Notes, the Issuer shall be entitled to withhold on any “dividend equivalent” (as defined for purposes of Section 871(m) of the Code) at the highest rate applicable to such payments regardless of any exemption from, or reduction in, such withholding otherwise available under applicable law.

Payments on the Notes that reference U.S. securities or an index that includes U.S. securities may be calculated by reference to dividends on such U.S. securities that are reinvested at a rate of 70%. In such case, in calculating the relevant payment amount, the holder will be deemed to receive, and the Issuer will be deemed to withhold, 30% of any dividend equivalent payments (as defined in Section 871(m) of the Code) in respect of the relevant U.S. securities. The Issuer will not pay any additional amounts to the holder on account of the Section 871(m) amount deemed withheld.

5.2 Presentation of definitive Notes, Receipts and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in Condition 5.1 above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Index Linked Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

5.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented.

5.4 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of,

the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

5.5 Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 8) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits):
 - (i) in the case of Notes in definitive form only, in the relevant place of presentation; and
 - (ii) in each Additional Financial Centre specified in the applicable Final Terms; and
- (b) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars, New Zealand dollars or Renminbi shall be Sydney, Auckland and Hong Kong, Beijing and the Offshore CNY Centre, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

5.6 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;

- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (f) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6.7); and
- (g) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

Any reference in this Condition 5 to payment or repayment (as the case may be) of principal and/or interest and other similar expressions shall, where the context so admits, be deemed to refer also to delivery of any Asset Amount relating to Physical Delivery Notes.

5.7 Physical Delivery Notes

(a) Physical Delivery

(i) Asset Transfer Notices

In relation to Physical Delivery Notes, in order to obtain delivery of the Asset Amount(s) in respect of any Note:

- (A) if such Note is represented by a Global Note, the relevant Noteholder must deliver to Euroclear or Clearstream, Luxembourg (as applicable) (each a relevant **Clearing System**), with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice; and
- (B) if such Note is in definitive form, the relevant Noteholder must deliver to any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice.

For the purposes of this Condition:

The Asset Transfer Notice shall:

For the purposes of this Condition, **Delivery Expenses** means all costs, taxes, duties and/or expenses, including stamp duty, stamp duty reserve tax and/or other costs, duties or taxes arising from the delivery of the Asset Amount.

(ii) Verification of the Holder

Upon receipt of an Asset Transfer Notice the relevant Clearing System shall verify that the person delivering the Asset Transfer Notice is the holder of the Notes described therein according to its records. Subject thereto, the relevant Clearing System will confirm to the Agent the series number and number of Notes the subject of such notice, the relevant account details and the details for the delivery of the Asset Amount relating to each Note. Upon receipt of such confirmation, the Agent will inform the Issuer thereof.

(iii) Determinations and Delivery

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made, in the case of Notes represented by a Global Note, by the relevant Clearing System, after consultation with the Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder and, in the case of Notes in definitive form, by the relevant Paying Agent after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the relevant Noteholder.

If any Asset Transfer Notice deemed null and void in accordance with the foregoing paragraph is subsequently corrected to the satisfaction of the relevant Clearing System in consultation with the Agent, it shall be deemed to be a new Asset Transfer Notice submitted at the time such corrected Asset Transfer Notice was delivered to the relevant Clearing System (with a copy to the Agent).

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System or the Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the relevant Noteholder may not transfer the Notes which are the subject of such notice.

The Asset Amount will be delivered at the risk of the relevant Noteholder, in the manner provided below on the Maturity Date (such date, subject to adjustment in accordance with this Condition, the **Delivery Date**), provided that the Asset Transfer Notice is duly delivered to the relevant Clearing System (with a copy to the Agent), as provided above on or prior to the Cut-Off Date.

If a Noteholder fails to give an Asset Transfer Notice as provided herein with a copy to the Agent, on or prior to the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date, as defined in the Final Terms (in which case, such date of delivery shall be deemed the Delivery Date) at the risk of such Noteholder in the manner provided below. In such circumstances the relevant Noteholder shall not be entitled to any payment, whether of interest or otherwise, and the Issuer shall have no liability whatsoever, as a result of the Delivery Date falling after the Maturity Date.

The Issuer shall, at the relevant Noteholder's risk, deliver or procure the delivery of the Asset Amount relating to each Note, pursuant to the details specified in the Asset Transfer Notice or in such commercially reasonable manner as the Calculation Agent shall in its sole and absolute discretion determine and notify to the person designated by the Noteholder in the relevant Asset Transfer Notice. No delivery of the Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder.

(iv) General

Notes held by the same Noteholder will be aggregated for the purpose of determining the aggregate Asset Amount in respect of such Notes, provided that, the aggregate Asset Amount in respect of the same Noteholder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and no cash adjustment will be made in respect thereof.

Following the Delivery Date of a share certificate all dividends on the relevant shares to be delivered will be payable to the party that would receive such dividend according to market

practice for a sale of the shares executed on the Delivery Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Noteholder will be paid to the account specified by the Noteholder in the relevant Asset Transfer Notice as referred to in Condition 5.7(a)(i).

For such period of time after delivery of the Asset Amount as the Issuer or any person acting on behalf of the Issuer shall continue to be the legal owner of the securities comprising the Asset Amount (the **Intervening Period**), none of the Issuer, the Calculation Agent or any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Noteholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities or obligations, (ii) be under any obligation to exercise or procure the exercise of any or all rights attaching to such securities or obligations or (iii) be under any liability to a Noteholder in respect of any loss or damage which such Noteholder may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner during such Intervening Period of such securities or obligations.

(v) Settlement Disruption

If, in the opinion of the Calculation Agent, delivery of the Asset Amount using the method of delivery specified in the applicable Final Terms, or such other commercially reasonable manner as the Calculation Agent has determined, is impracticable because a Settlement Disruption Event (as defined below) has occurred and is continuing on the Delivery Date, then it shall give notice as soon as practicable to the Noteholders in accordance with Condition 13 and the Delivery Date shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that, the Issuer may elect in its sole and absolute discretion to satisfy its obligations in respect of the relevant Note by delivering the Asset Amount using such other commercially reasonable manner as it may select and, in such event, the Delivery Date shall be such day as the Issuer deems appropriate (acting in a commercially reasonable manner). Noteholders shall not be entitled to any payment, whether on account of interest or otherwise, and the Issuer shall have no liability whatsoever, as a result of the Delivery Date being postponed due to the occurrence of a Settlement Disruption Event.

Where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Asset Amount, the Delivery Date for the Relevant Assets unaffected by the Settlement Disruption Event will be the originally designated Delivery Date. For so long as delivery of part of the Asset Amount is impracticable by reason of a Settlement Disruption Event, then in lieu of physical delivery of the affected Relevant Asset(s), and notwithstanding any other provision hereof, the Issuer may elect in its sole and absolute discretion to satisfy its obligations in respect of the affected portion of the relevant Note(s) by paying the relevant Noteholder(s), the Disruption Cash Redemption Amount (as defined below) on the fifth Business Day following the date on which Noteholders are notified in accordance with Condition 13 of (i) such election having been made and (ii) the manner in which the Issuer intends to pay the Disruption Cash Redemption Amount.

For the purposes of this Condition:

Disruption Cash Redemption Amount shall be, in respect of any Note, the fair market value of such Note (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets included in the Asset Amount and such unaffected Relevant Assets have been duly delivered as provided above, the value of such unaffected and delivered Relevant Assets), less the cost to the Issuer of unwinding any related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion;

Settlement Business Day, in respect of each Note, has the meaning specified in the applicable Final Terms relating to such Note; and

Settlement Disruption Event means an event that is beyond the control of the Issuer, including illiquidity in the market for the Relevant Assets as a result of which the Issuer cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms, all as determined by the Calculation Agent.

(b) **Variation of Settlement**

If so specified in the applicable Final Terms, the Issuer may, in its sole and absolute discretion, elect (i) to deliver or procure delivery on the Maturity Date of the Asset Amount relating to each Note in lieu of its obligation to pay Noteholders the Redemption Amount or (ii) to pay Noteholders the Redemption Amount on the Maturity Date in lieu of its obligation to deliver or procure delivery of the Asset Amount. Notification of any such election will be given to Noteholders in accordance with Condition 13.

(c) **Rights of Noteholders and Calculations**

None of the Issuer, the Calculation Agent or any of the Paying Agents shall have any responsibility for any errors or omissions in committed in connection with any of the calculations or determinations contemplated in this Condition 5.

The purchase of Notes linked to one or more Relevant Assets does not confer on holders of such Notes any rights (whether in respect of voting, distributions or otherwise) in connection with the applicable Relevant Asset(s).

5.8 **Payment in Alternate Settlement Currency**

Notwithstanding any other provision in these Conditions, if the Calculation Agent determines, in its sole and absolute discretion, that a CNY Disruption Event has occurred or is likely to occur and that such CNY Disruption Event is material in relation to the Issuer's payment obligations under the Notes in respect of any forthcoming payment dates (each date, an **Affected Payment Date**), then the Issuer may, in its sole and absolute discretion, determine to take any one or more of the following actions:

- (a) the relevant payment by the Issuer shall be postponed to 15 Business Days after the date on which the CNY Disruption Event ceases to exist or, if that would not be possible (as determined by the Issuer acting in good faith), as soon as reasonably practicable thereafter;
- (b) that the Issuer's obligations to payment in CNY under the terms of the Notes be replaced by an obligation to pay such amount in the Alternate Settlement Currency as specified in the Final Terms (converted at the Alternate Settlement Rate as determined by the Calculation Agent as of a time selected in good faith by the Calculation Agent); and
- (c) that the Notes be redeemed in full and not in part and each Note being redeemed at its Early Redemption Amount as specified in the applicable Final Terms.

Any payments, either in CNY or in the Alternate Settlement Currency, made by the Issuer with respect to its obligations relating to any Affected Payment Date shall be full and final settlement of its obligations to pay such amounts under the Notes.

For the avoidance of doubt, no amount of interest shall be payable in respect of any delay in payment of any amounts due to the adjustment of any Affected Payment Date.

Payments of the relevant principal or interest in respect of the Notes in the Alternate Settlement Currency shall be made by transfer to the account denominated in the Alternate Settlement Currency of the relevant Account Holders for the benefit of the Noteholders and (in the case of Notes in fully registered form) to an account denominated in the Alternate Settlement Currency with a bank designated by the Noteholders. For the avoidance of doubt, no such payment in the Alternate Settlement Currency shall by itself constitute a default in payment within the meaning of Condition 9.

Upon the occurrence of a CNY Disruption Event, the Issuer shall give notice, as soon as practicable in accordance with Condition 13, to the Noteholders stating the occurrence of the CNY Disruption Event and of the action proposed to be taken in relation thereto.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5.8 by the Calculation Agent, will (in the absence of manifest error) be binding on the Issuer, the Agents and all Noteholders.

For the purposes of this Condition 5:

Alternate Settlement Currency means the currency specified as such in the applicable Final Terms;

Alternate Settlement Rate means the spot exchange rate between CNY and the Alternate Settlement Currency determined by the Calculation Agent, taking into consideration all available information which the Calculation Agent deems relevant (including, but not limited to, the pricing information obtained from the CNY non-deliverable market outside the PRC and/or the CNY exchange market inside the PRC);

CNY means the lawful currency of PRC (including any lawful successor currency to the CNY);

CNY Disruption Event means any one of CNY Illiquidity, CNY Inconvertibility and CNY Non-Transferability;

CNY Illiquidity means the occurrence of any event that makes it impossible (where it had previously been possible) for the Issuer and/or any of its affiliates to obtain a firm quote in respect of any amounts of CNY as may be required to be paid by the Issuer under the Notes on any payment date or such other amount as may be determined by the Calculation Agent in its sole and absolute discretion, either in one transaction or a commercially reasonable number of transactions in the general CNY exchange market in each Offshore CNY Centre in order to perform its obligations under the Notes. For the avoidance of doubt, the inability for the Issuer and/or any of its affiliates to obtain such firm quote solely due to issues relating to its creditworthiness shall not constitute CNY Illiquidity;

CNY Inconvertibility means the occurrence of any event that makes it impossible (where it had previously been possible), impracticable or illegal for the Issuer and/or any of its affiliates to convert any amounts into or from CNY as may be required to be paid by the Issuer under the Notes on any payment date or such other amount as may be determined by the Calculation Agent in its sole and absolute discretion at the general CNY exchange market in each Offshore CNY Centre other than where such impossibility, impracticability or illegality is due solely to the failure of that party to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the relevant Series of Notes and it is impossible for the Issuer and/or any of its affiliates, due to an event beyond the control of the Issuer or the relevant affiliate, to comply with such law, rule or regulation);

CNY Non-Transferability means the occurrence of any event that makes it impossible, impracticable or illegal for the Issuer and/or any of its affiliates to transfer CNY (i) between accounts inside an Offshore CNY Centre, (ii) from an account inside an Offshore CNY Centre to an account outside such Offshore CNY Centre and outside the PRC, or (iii) from an account outside an Offshore CNY Centre

and outside the PRC to an account inside such Offshore CNY Centre, other than where such impossibility, impracticability or illegality is due solely to the failure of the Issuer and/or the relevant affiliate to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer and/or any of its affiliates, due to an event beyond the control of the Issuer and/or the relevant affiliate, to comply with such law, rule or regulation);

Governmental Authority means any de facto or de jure government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of the PRC and each Offshore CNY Centre;

Offshore CNY Centre means any offshore financial centre outside of PRC where PBOC had established its Renminbi clearing and settlement system for participating banks in that centre and specified in the Final Terms. If no Offshore CNY Centre is specified in the relevant Final Terms, the Offshore CNY Centre shall mean Hong Kong only;

PBOC means the People's Bank of China; and

PRC means the People's Republic of China (excluding the Hong Kong Special Administrative Region of the People's Republic of China, the Macau Special Administrative Region of the People's Republic of China and Taiwan).

For the avoidance of doubt, references to "general CNY exchange market in each Offshore CNY Centre" in the definitions of CNY Illiquidity and CNY Inconvertibility refer to purchase, sale, lending or borrowing in CNY for general purposes (including, but not limited to, funding) and therefore any purchase or sale of CNY where such CNY is required by relevant laws or regulations for the settlement of any cross-border trade transaction with an entity in the PRC, or any purchase or sale of CNY for personal customers residing in such Offshore CNY Centre, would not be purchase or sale made on the general CNY exchange market.

6. REDEMPTION AND PURCHASE

6.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount (or, in the case of Physical Delivery Notes, by delivery of the Asset Amount) as specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms. The Final Redemption Amount which shall be either (a) a fixed amount determined solely by the Issuer at the date of the applicable Final Terms and shall be at least equal to the nominal amount of the Notes or (b) calculated in accordance with the formulas provided in the Technical Annex.

6.2 Redemption for tax reasons

Subject to Condition 6.7, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Variable Interest Note) or on any Interest Payment Date (if this Note is a Variable Interest Note), on giving not less than the minimum period and not more than the maximum period of notice specified in the applicable Final Terms to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Notes, Receipts or Coupons, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of France or any change in

the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date of this Base Prospectus; and

- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 60 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts.

Notes redeemed pursuant to this Condition 6.2 will be redeemed at their Early Redemption Amount referred to in Condition 6.7 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Special Tax Redemption

If the Issuer would, on the occasion of the next payment of principal or interest in respect of the Notes, Receipts or Coupons be prevented by the laws of France from causing payment to be made to the Noteholders, Receiptholders or Couponholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 7, then the Issuer shall forthwith give notice of such fact to the Agent and the Issuer shall, upon giving not less than seven nor more than 45 days' prior notice to the Noteholders in accordance with Condition 13, forthwith redeem all, but not some only, of the Notes at their Early Redemption Amount, together, if appropriate, with accrued interest, on the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, Receipts or Coupons provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice to Noteholders shall be the later of:

- (a) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, Receipts or Coupons; and
- (b) 14 days after giving notice to the Agent as aforesaid.

6.4 Redemption at the option of the Issuer (Issuer Call)

This Condition 6.4 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons), such option being referred to as an **Issuer Call**. The applicable Final Terms contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 6.4 for full information on any Issuer Call. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum amount of Notes which can be redeemed and the applicable notice periods.

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period and not more than the maximum period specified in the applicable Final Terms to the Agent and the Noteholders in accordance with Condition 13 (which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Early Redemption Date and at the Early Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Early Redemption Date. Unless otherwise specified in the applicable Final Terms, the **Early Redemption Date** (being the date on which the Noteholders will receive the Early Redemption Amount) will be seven (7) Business Days in Luxembourg following the date on which notice is deemed to have been given to the Noteholders in accordance with this paragraph and Condition 13.

Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a redemption of some only of the Notes, the Notes to be

redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption. In the case of Redeemed Notes represented by a Global Note, the selection will be reflected (at the discretion of Euroclear and/or Clearstream, Luxembourg) either as a pool factor or a reduction in aggregate principal amount. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 6.4 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least five (5) days prior to the Selection Date.

6.5 Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not less than fifteen (15) nor more than 30 days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. In addition, an amount equal to the Early Reduction Fees may be deducted from the Optional redemption Amount if so specified in the applicable Final Terms. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **Put Notice**) and in which the holder must specify a bank account to which payment is to be made under this Condition accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this Condition 6.5 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6.5 and instead to declare such Note forthwith due and payable pursuant to Condition 9.

6.6 Early Redemption upon the crossing of a Coupon threshold

If Condition 6.6(a) or 6.6(b) below is specified as being applicable in the applicable Final Terms:

- (a) if on an Interest Payment Date the sum of the Coupons (in percentage of the Specified Denomination) paid since the Threshold Observation Start Date (specified in the applicable Final Terms) at least equals a Threshold Percentage of the Specified Denomination (specified

in the applicable Final Terms), the Notes will be early redeemed at a Threshold Redemption Amount (specified in the applicable Final Terms), on this Interest Payment Date, such date will be deemed to be the Threshold Redemption Date.

- (b) if on any date during the lifetime of the Notes the sum of the Coupons plus the accrued interests (in percentage of the Specified Denomination) paid or accrued since the Threshold Observation Start Date (specified in the applicable Final Terms) equals a Threshold Percentage of the Specified Denomination (specified in the applicable Final Terms), the Notes will be early redeemed at a Threshold Redemption Amount (specified in the applicable Final Terms), on the Threshold Redemption Date, being the next Interest Payment Date after the crossing of the Threshold Percentage or the number of business days after the crossing of the Threshold Percentage specified in the applicable Final Terms.

If the Notes are early redeemed upon the crossing of a Coupon threshold, the Issuer shall give notice of the early redemption to the Noteholders in accordance with Condition 13 no later than a minimum of two business days or the number of business days specified in the applicable Final Terms.

6.7 Early Redemption Amounts

For the purpose of Conditions 6.2, 6.3, 6.4 above and Condition 9, each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (a) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof less, if specified as applicable in the applicable Final Terms, Early Redemption Unwind Costs;
- (b) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount less, if specified as applicable in the applicable Final Terms, Early Redemption Unwind Costs; or
- (c) in the case of a Zero Coupon Note, at an amount (the **Amortised Face Amount**) calculated in accordance with the following formula less, if specified as applicable in the applicable Final Terms, Early Redemption Unwind Costs:

$$\text{Early Redemption Amount} = \text{RP} * (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for

redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).

- (d) if **Fair Market Value** is specified in the applicable Final Terms as the Early Redemption Amount, at an amount determined by the Calculation Agent, acting in its sole and absolute discretion, which, shall represent the fair market value of the Notes on, or at a time determined by the Calculation Agent during a period not exceeding five (5) Business Days immediately prior to, the date on which a notice of early redemption is deemed to have been given to the Noteholders pursuant to Condition 6.4 and Condition 13 and shall have the effect (after taking into account the costs of unwinding any hedging arrangements, as determined by the Issuer in its sole and absolute discretion, entered into in respect of the Notes) of preserving for the Noteholders the economic equivalent of the obligations of the Issuer to make the payments in respect of the Notes which would, but for such early redemption, have fallen due after the relevant early redemption date. In respect of Notes bearing interest, notwithstanding any other provision of these Conditions, the Early Redemption Amount, as determined by the Calculation Agent in accordance with this paragraph shall include any accrued interest to (but excluding) the relevant early redemption date and apart from any such interest included in the Early Redemption amount, no interest, accrued or otherwise, or any other amount whatsoever will be payable by the Issuer in respect of such redemption.

Early Redemption Unwind Costs means the amount specified in the applicable Final Terms or if **Standard Early Redemption Unwind Costs** are specified in the applicable Final Terms, an amount determined by the Calculation Agent equal to the sum of (without duplication) all costs, expenses (including loss of funding), tax and duties incurred by the Issuer in connection with the redemption of the Notes and the related termination, settlement or re-establishment of any hedge or related trading position, such amount to be apportioned *pro rata* amongst each nominal amount of Notes in the Specified Denomination.

6.8 Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 6.7.

6.9 Purchases

The Issuer or any subsidiary of the Issuer may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Notes purchased by or on behalf of the Issuer may be, at the option of the Issuer, either surrendered and cancelled or held or resold, in accordance with applicable law.

All Notes purchased by the Issuer may be purchased and held in accordance with applicable laws and regulations.

6.10 Cancellation

All Notes which are purchased for cancellation or are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes cancelled (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

6.11 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6.1, 6.2, 6.3, 6.4 or 6.5 above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6.7(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

6.12 Redemption for an Administrator/Benchmark Event

In the event that an Administrator/Benchmark Event occurs, the Issuer may (at its option):

- (i) instruct the Calculation Agent to make such adjustment to the conditions of the Notes as it may determine appropriate to account for the relevant event or circumstance; or
- (ii) having given not less than 10 nor more than 30 days' notice to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable), on expiry of such notice redeem all, but not some only, of the Notes, each Note being redeemed at its Early Redemption Amount referred to in Condition 6.7 and no further interest will be payable since the immediately preceding Interest Payment Date or, if none, the Issue Date.

For the purposes of this Condition 6.12:

Administrator/Benchmark Event means, in relation to any Benchmark, the occurrence of a Benchmark Modification or Cessation Event, a Non-Approval Event, a Rejection Event or a Suspension/Withdrawal Event.

Benchmark means any figure which is a benchmark as defined in BMR and where any amount payable under the Notes, or the value of the Notes, is determined by reference to such figure, all as determined by the Calculation Agent.

Benchmark Modification or Cessation Event means, in respect of the Benchmark:

- (i) any material change in such Benchmark; or
- (ii) the permanent cancellation or cessation in the provision of such Benchmark.

BMR means the EU Benchmarks Regulation (Regulation (EU) 2016/1011, as amended, including by Regulation (EU) 2021/168).

Non-Approval Event means, in respect of the Benchmark:

- (i) any authorisation, registration, recognition, endorsement, equivalence or approval in respect of the Benchmark or the administrator of the Benchmark is not obtained;
- (ii) the Benchmark or the administrator of the Benchmark is not included in an official register; or

- (iii) the Benchmark or the administrator of the Benchmark does not fulfil any legal or regulatory requirement applicable to the Issuer, the Calculation Agent or the Benchmark,

in each case, as required under any applicable law or regulation in order for any of the Issuer, the Calculation Agent or any other entity to perform its obligations in respect of the Notes. For the avoidance of doubt, a Non-Approval Event shall not occur if the Benchmark or the administrator of the Benchmark is not included in an official register because its authorisation, registration, recognition, endorsement, equivalence or approval is suspended if, at the time of such suspension, the continued provision and use of the Benchmark is permitted in respect of the Notes under the applicable law or regulation during the period of such suspension.

Rejection Event means, in respect of the Benchmark, the relevant competent authority or other relevant official body rejects or refuses any application for authorisation, registration, recognition, endorsement, equivalence, approval or inclusion in any official register which, in each case, is required in relation to the Benchmark or the administrator of the Benchmark under any applicable law or regulation for any of the Issuer, the Calculation Agent or any other entity to perform its obligations in respect of the Notes.

Suspension/Withdrawal Event means, in respect of the Benchmark:

- (i) the relevant competent authority or other relevant official body suspends or withdraws any authorisation, registration, recognition, endorsement, equivalence decision or approval in relation to the Benchmark or the administrator of the Benchmark which is required under any applicable law or regulation in order for any of the Issuer, the Calculation Agent or any other entity to perform its obligations in respect of the Notes; or
- (ii) the Benchmark or the administrator of the Benchmark is removed from any official register where inclusion in such register is required under any applicable law in order for any of the Issuer, the Calculation Agent or any other entity to perform its obligations in respect of the Notes.

For the avoidance of doubt, a Suspension/Withdrawal Event shall not occur if such authorisation, registration, recognition, endorsement, equivalence decision or approval is suspended or where inclusion in any official register is withdrawn if, at the time of such suspension or withdrawal, the continued provision and use of the Benchmark is permitted in respect of the Notes under the applicable law or regulation during the period of such suspension or withdrawal.

7. TAXATION

All payments of principal, interest or other revenues by or on behalf of the Issuer in respect of the Notes, Receipts or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

If French law should require that any payments of principal, interest or other revenues in respect of the Notes, Receipts or Coupons be subject to withholding or deduction with respect to any present or future taxes, duties, assessments or governmental charges whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal, interest or other revenues which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder (including a beneficial owner (*ayant droit*)) who is liable for such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with France other than the mere holding of (or beneficial ownership with respect to) such Note, Receipt or Coupon; or
- (b) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5.5).

As used herein, the **Relevant Date** in relation to any Note, Receipt or Coupon means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13.

8. PRESCRIPTION

The Notes, Receipts and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) thereof.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 or any Talon which would be void pursuant to Condition 5.2.

9. EVENTS OF DEFAULT

The holder of any Note may give written notice to the Issuer and the Agent that the Note is, and it shall accordingly forthwith become, immediately due and repayable at its Early Redemption Amount, together, if appropriate, with accrued interest, if any of the following events (each an **Event of Default**) shall occur:

- (a) if default is made in the payment of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 30 days after the relevant due date; or
- (b) if the Issuer fails to perform or observe any of its other obligations under the Conditions and such default is not remedied within 45 days after notice of such default has been given to the Issuer by any Noteholder; or
- (c) if a judgment is issued for a transfer of the whole of the Issuer's business (*cession totale de l'entreprise*) or, in the absence of legal proceedings, the Issuer makes a conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition with its creditors, or a resolution is passed by the Issuer for its winding-up or dissolution, except in connection with a merger or other reorganisation in which all of the Issuer's assets are transferred to, and all of the Issuer's debts and liabilities (including the Notes) are assumed by, another entity which continues the Issuer's activities.

10. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced, or destroyed it may be replaced at the specified office of the Agent, upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the

Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

11. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

12. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

13. NOTICES

- (a) All notices regarding the Notes will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in Europe and (b) if and for so long as the Notes are admitted to trading on, and listed on the Official List of the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg or the Luxembourg Stock Exchange's website, www.bourse.lu. It is expected that any such publication in a newspaper will be made in the *Luxemburger Wort* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading including publication on the website of the relevant stock exchange or relevant authority if required by those rules. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.
- (b) Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) or on the Luxembourg Stock Exchange's website at www.bourse.lu the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules. Unless otherwise specified in the applicable Final Terms, any such notice shall be deemed to have been given to the holders of the Notes on such day as is specified in the applicable Final Terms after the said notice was given to Euroclear and/or Clearstream, Luxembourg.
- (c) Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as

the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer and shall be convened by the Issuer if required in writing by Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, the Receipts or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, the Receipts or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except such modifications in respect of which an increased quorum is required as mentioned above) of the Notes, the Receipts, the Coupons or the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

15. AGENTS

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent;
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority.

In addition, the Issuer shall forthwith appoint a paying agent having a specified office in New York City in the circumstances described in Condition 5.4. Notice of any variation, termination, appointment or change in Paying Agents will be given to the Noteholders promptly by the Issuer in accordance with Condition 13.

In acting under the Agency Agreement, the Agents will act solely as agents of the Issuer and do not assume any obligations or relationship of agency or trust to or with the Noteholders, Receiptholders or Couponholders, except that (without affecting the obligations of the Issuer to the Noteholders, Receiptholders and Couponholders, to repay Notes and pay interest thereon) funds received by the Agent for the payment of the principal of or interest on the Notes shall be held by it in trust for the Noteholders and/or Receiptholders or Couponholders until the expiration of the relevant period of prescription under Condition 8. The Issuer will agree to perform and observe the obligations imposed upon it under the Agency Agreement. The Agency Agreement contains provisions for the indemnification of the Paying Agents and for relief from responsibility in certain circumstances, and entitles any of them to enter into business transactions with the Issuer and any of its subsidiaries without being liable to account to the Noteholders, Receiptholders or the Couponholders for any resulting profit.

16. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

17. GOVERNING LAW AND SUBMISSION TO JURISDICTION

17.1 Governing law

The Agency Agreement, the Deed of Covenant, the Notes, the Receipts, the Coupons and any non-contractual obligations arising out of or in connection with any of the aforementioned agreements, deeds and documents are governed by, and shall be construed in accordance with, English law.

17.2 Submission to jurisdiction

The Issuer irrevocably agrees that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) and accordingly submit to the exclusive jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. The Noteholders, the Receiptholders and the Couponholders, may take any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes, the Receipts and the Coupons (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and the Coupons) against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

17.3 Appointment of Process Agent

The Issuer appoints Crédit Industriel et Commercial, London Branch at its registered office in England at Finsbury Circus House, 15 Finsbury Circus, London EC2M 7EB as its agent for service of process, and undertakes that, in the event of Crédit Industriel et Commercial, London Branch ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process

in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

17.4 Other documents

The Issuer has in the Agency Agreement and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

18. BAIL-IN

18.1 Acknowledgement

Notwithstanding any other term of the Notes or any other agreement, arrangement or understanding between the Issuer and the holders, by its subscription and/or purchase and holding of the Notes, each holder (which for the purposes of this Condition 18 includes each holder of a beneficial interest in the Notes) acknowledges, accepts, consents and agrees:

- (i) to be bound by the effect of the exercise of the Bail-in Power by the Relevant Resolution Authority, which may include and result in any of the following, or some combination thereof:
 - (A) the reduction of all, or a portion, of the Amounts Due on a permanent basis;
 - (B) the conversion of all, or a portion, of the Amounts Due into shares, other securities or other obligations of the Issuer or another person (and the issue to the holder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes, in which case the holder agrees to accept in lieu of its rights under the Notes any such shares, other securities or other obligations of the Issuer or another person;
 - (C) the cancellation of the Notes or Amounts Due;
 - (D) the amendment or alteration of the maturity of the Notes or amendment of the Interest Amount payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period; and
- (ii) that the terms of the Notes are subject to, and may be varied, if necessary, to give effect to the exercise of the Bail-in Power by the Relevant Resolution Authority.

18.2 Payment of Interest and Other Outstanding Amounts Due

No repayment or payment of the Amounts Due will become due and payable or be paid after the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in France and the European Union applicable to the Issuer or other members of the **Group** (being the Issuer and its consolidated subsidiaries taken as a whole).

18.3 Notice to Holders

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority with respect to the Notes, the Issuer will make available a written notice to the holders as soon as practicable regarding such

exercise of the Bail-in Power. The Issuer will also deliver a copy of such notice to the Agents for information purposes.

18.4 Duties of the Agents

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority, (a) the Agents shall not be required to take any directions from holders, and (b) the Agency Agreement shall impose no duties upon any of the Agents whatsoever, in each case with respect to the exercise of any Bail-in Power by the Relevant Resolution Authority.

18.5 Proration

If the Relevant Resolution Authority exercises the Bail-in Power with respect to less than the total Amounts Due, unless any of the Agents is otherwise instructed by the Issuer or the Relevant Resolution Authority, any cancellation, write-off or conversion made in respect of the Notes pursuant to the Bail-in Power will be made on a pro-rata basis.

18.6 Conditions Exhaustive

The matters set forth in this Condition 18 shall be exhaustive on the foregoing matters to the exclusion of any other agreements, arrangements or understandings between the Issuer and any holder of a Note.

For the purposes of the Terms and Conditions of the English Law Notes:

Amounts Due means the principal amount, together with any accrued but unpaid interest, and additional amounts payable in accordance with Condition 7, if any, due on the Notes. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of the Bail-in Power by the Relevant Resolution Authority;

ADDITIONAL PROVISIONS APPLICABLE TO THE NOTES

Sections 19 to 27 below are applicable to both English Law Notes and French Law Notes. Any reference to “Notes” therein shall therefore apply to English Law Notes or French Law Notes, as the case may be.

19. ADDITIONAL PROVISIONS APPLICABLE TO CREDIT LINKED NOTES

This Condition 19 applies to Credit Linked Notes only. The Technical Annex set out on pages 492 to 527 of this Base Prospectus contains provisions relating to the formulae used to determine amounts payable under Credit Linked Notes. The applicable Final Terms must be read in conjunction with this Condition 19 and with the Technical Annex for full information on any Credit Linked Notes. The applicable Final Terms will specify whether the principal is guaranteed at maturity or not and identify the relevant Reference Entity(ies), the relevant Credit Event(s), the applicable Settlement Method (Auction Settlement, Cash Settlement or Physical Settlement) and Fallback Settlement Method, the Scheduled Maturity Date, the Scheduled Termination Date, the Valuation Date and the Valuation Time, the Valuation Method and the relevant formula, all as determined in accordance with this Condition 19 and the Technical Annex.

In the case of a single Credit Linked Note or in the case of a basket of Credit Linked Notes where a single Reference Entity or Reference Obligation represents 20% or more of the pool, the Reference Entity (or the issuer of the Reference Obligation) must have securities already admitted to trading on a regulated market, equivalent third country market or SME growth market.

2014 ISDA CREDIT DERIVATIVES DEFINITIONS

19.1 Payment of Credit Linked Interest upon occurrence of a Credit Event

If payment of Interest under the Notes is conditional upon the occurrence or the non-occurrence of a Credit Event on a Reference Obligation or Reference Entity during the Reference Period, the applicable Final Terms will provide for the formula and/or conditions of such payment in accordance with the provisions of the Technical Annex.

19.2 Redemption of Credit Linked Notes upon occurrence of a Credit Event

(a) Credit Event Notice

If at any time the Calculation Agent determines that a Credit Event has occurred during the Reference Period, whether or not such event is continuing, the Issuer may give a Credit Event Notice during the Notice Delivery Period to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, of its intention to redeem the Credit Linked Notes (other than principal protected Credit Linked Notes), and if such notice is so given, the Issuer shall, unless otherwise specified in the applicable Final Terms and in accordance with the provisions of the Technical Annex, redeem all but not some only of the Credit Linked Notes then outstanding on the Credit Event Redemption Date, subject to the provisions of Condition 19.15, as determined by the Calculation Agent in its sole discretion. Such redemption shall occur by Physical Settlement and/or, if so specified in the applicable Final Terms, Cash Settlement or Auction Settlement.

The Credit Event Redemption Date may be a date falling after the originally scheduled Maturity Date in which case the originally scheduled Maturity Date shall be deemed to be replaced by the relevant date specified in the Credit Event Notice or otherwise notified to the Noteholders.

For the avoidance of doubt and notwithstanding any other provision of these Conditions, no amount of interest shall be payable on the Notes from (and including) the Interest Payment Date (or, the Interest Commencement Date) immediately preceding the date on which the Credit Event occurred, unless otherwise specified in the applicable Final Terms.

The Credit Event Notice shall be notified to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, and shall:

- (i) describe the grounds on which the Calculation Agent has determined that a Credit Event has occurred (but need not assert that a Credit Event is continuing);
- (ii) specify the Credit Event Determination Date; and
- (iii) confirm that either (A) the Notes will be redeemed by Delivery of the Deliverable Obligations as specified in the Notice of Physical Settlement (in the case of Physical Settlement and subject to the provisions of Condition 19.14) or (B) the Notes will be redeemed at their Cash Settlement Amount (in the case of Cash Settlement) or (C) the Notes will be redeemed at their Auction Settlement Amount (in the case of Auction Settlement), in each case on the Credit Event Redemption Date.

Unless otherwise stated in the applicable Final Terms in respect of principal protected Credit Linked Notes, once a Credit Event has occurred during the Reference Period and a Credit Event Notice has been issued, the Issuer's only obligation, other than to deliver a Notice of Publicly Available Information (if specified in the applicable Final Terms) and, in the case of Physical Settlement, a Notice of Physical Settlement, shall be to deliver (subject to the provisions of Conditions 19.8, 19.9, 19.10 and 19.11) the Deliverable Obligations (in the case of Physical Settlement) and/or pay the Cash Settlement Amount (in the case of Cash Settlement) or, as the case may be, pay a *pro rata* amount in respect of each Note of the Auction Settlement Amount (in the case of Auction Settlement), on the Credit Event Redemption Date. Upon Delivery of the Deliverable Obligations and/or, as the case may be, payment of the Cash Settlement Amount or Auction Settlement Amount in respect of each Note, the Issuer shall have discharged all of its obligations in respect of such Note and shall have no other liability or obligation whatsoever in respect thereof.

Where Restructuring is specified in the applicable Final Terms as being an applicable Credit Event, there may be more than one Credit Event Notice delivered in respect of the same Reference Entity, as further described in Condition 19.15 below.

If "First to Default Credit Linked Note" is specified as "Applicable" in the Final Terms, then this paragraph (a) shall apply only to the Reference Entity in respect of which a Credit Event has occurred first in time with respect to the other Reference Entities specified in the Final Terms.

(b) Determination of the occurrence of a Credit Event

The Calculation Agent shall determine whether or not a Credit Event has occurred during the Reference Period. The Calculation Agent shall, however, have no duty or responsibility to investigate or check whether such Credit Event has or may have occurred or is continuing on any date and shall be entitled to assume, in the absence of actual knowledge to the contrary of the employees or officers of the Calculation Agent directly responsible for the time being for making determinations hereunder, that no Credit Event has occurred or is continuing.

When determining the existence or occurrence of any Credit Event, the determination shall be made without regard to:

- (i) any lack or alleged lack of authority or capacity of a Reference Entity to enter into any Obligation or, as applicable, an Underlying Obligor to enter into any Underlying Obligation;
- (ii) any actual or alleged unenforceability, illegality, impossibility or invalidity with respect to any Obligation or, as applicable, any Underlying Obligation, however described;
- (iii) any applicable law, order, regulation, decree or notice, however described, or the promulgation of, or any change in, the interpretation by any court, tribunal, regulatory authority or similar administrative or judicial body with competent or apparent jurisdiction of any applicable law, order, regulation, decree or notice, however described; or
- (iv) the imposition of or any change in any exchange controls, capital restrictions or any other similar restrictions imposed by any monetary or other authority, however described.

If the Calculation Agent determines in its sole and absolute discretion that a Credit Event has occurred during the Reference Period it shall promptly notify the Issuer and the Agent. The determination by the Calculation Agent of the occurrence of a Credit Event shall (in the absence of wilful default, bad faith or manifest error) be conclusive and binding on all persons (including, without limitation, the **Noteholders**).

(c) **Calculation Agent and notices**

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under or pursuant to this Condition shall (in the absence of manifest error) be final and binding on the Issuer and the Noteholders. In performing its duties pursuant to the Notes, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or discretions under or pursuant to the Notes including, without limitation, the giving of any notice to any party, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and neither the Calculation Agent nor the Issuer shall bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

A notice delivered by the Calculation Agent to the Issuer and/or the Agent on or prior to 5.00 p.m., Luxembourg time on a TARGET2 Business Day will be effective on such TARGET2 Business Day. A notice delivered after 5:00 p.m., Luxembourg time will be deemed effective on the next following Business Day regardless of the form in which it is delivered. For the purposes of the two preceding sentences, a notice given by telephone will be deemed to have been delivered at the time the telephone conversation takes place. If the notice is delivered by telephone, a written confirmation will be executed and delivered confirming the substance of such notice within one TARGET2 Business Day of such notice.

19.3 Auction Settlement

Where the Issuer is to redeem Notes by means of Auction Settlement, the redemption of each Note shall be effected by the payment of the Auction Settlement Amount on the Credit Event Redemption Date, such amount to be apportioned pro rata among the Noteholders, rounding the resulting figure downwards to the nearest sub-unit of the relevant currency.

Unless settlement has occurred in accordance with the above paragraph, if (a) an Auction Cancellation Date occurs, (b) a No Auction Announcement Date occurs (and in circumstances where such No Auction Announcement Date occurs pursuant to paragraph (b) or (c)(ii) of the definition of No Auction Announcement Date, the Issuer has not exercised the Movement Option), (c) ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved, following a Credit Event Resolution Request Date, not to determine the matters described in the definition of Credit Event Resolution Request Date, (d) a Credit Event Determination Date was determined pursuant to paragraph (a)(i) of the definition of Credit Event Determination Date or paragraph (a) of the definition of Non-Standard Credit Event Determination Date and no Credit Event Resolution Request Date has occurred on or prior to the date falling three Business Days after such Credit Event Determination Date or (e) if the Issuer (or an affiliate acting on behalf of the Issuer) otherwise determines that it is appropriate by reference to its and/or any of its affiliates' Hedge Positions:

- (a) if "Fallback Settlement Method – Physical Settlement" is specified as applicable in the applicable Final Terms, the Issuer shall redeem the Notes in accordance with Condition 19.6; or
- (b) if "Fallback Settlement Method – Cash Settlement" is specified as applicable in the applicable Final Terms, the Issuer shall redeem the Notes in accordance with Condition 19.7.

19.4 Market Disruption

Market Disruption Event means the occurrence or existence of a specific circumstance or a combination of circumstances, which in either case the Calculation Agent determines is material and which objectively prevents it from determining whether a Knock-in or Knock-out Event has occurred, at any time during the one hour period that (a) for the purposes of the occurrence of a Knock-in Event or a Knock-out Event begins or ends at the time when the event triggers respectively the Knock-in Level or the Knock-out Level or (b) in all other circumstances ends at the relevant Valuation Time.

The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been a Knock-in Determination Day, a Knock-out Determination Day or a Valuation Date.

19.5 Knock-in Event and Knock-out Event

If Knock-in Event is specified as applicable in the Final Terms, then, unless otherwise specified in such Final Terms, amendment to the terms of the Notes (as specified in the applicable Final Terms) and/or payment under the relevant Notes subject to a Knock-in Event shall be conditional upon the occurrence of such Knock-in Event.

If Knock-out Event is specified as applicable in the Final Terms, then, unless otherwise specified in such Final Terms, amendment to the terms of the Notes (as specified in the applicable Final Terms) and/or payment under the relevant Notes subject to a Knock-out Event shall be conditional upon the occurrence of such Knock-out Event.

If the Knock-in Valuation Time or the Knock-out Valuation Time specified in the applicable Final Terms is the Valuation Time and if any Knock-in Determination Day or Knock-out Determination Day is a Disrupted Day, then such Knock-in Determination Day or Knock-out Determination Day will be deemed not to be a Knock-in Determination Day or Knock-out Determination Day for the purposes of determining the occurrence of a Knock-in Event or a Knock-out Event.

If the Knock-in Valuation Time or the Knock-out Valuation Time specified in the applicable Final Terms is any time or period of time during any Knock-in Determination Day or Knock-out

Determination Day and at any time during the one hour period that begins and/or ends at the time on which the Knock-in Level or the Knock-out Level has been triggered, a Market Disruption Event occurs or exists, then the Knock-in Event or the Knock-out Event shall be deemed not to have occurred.

For the purposes of this Condition 19:

Knock-in Event means an event specified as such in the applicable Final Terms as of the Knock-in Valuation Time on any Knock-in Determination Day and which may be an event *per se*, specified in the applicable Final Terms or depending on being (i) "greater than", (ii) "greater than or equal to", (iii) "less than" or (iv) "less than or equal to" the Knock-in Level.

Knock-in Level means a level specified as such in the applicable Final terms, subject to adjustment from time to time in accordance with the provisions of "Market Disruption" set out in Condition 19.4 above.

Knock-in Determination Day means a day specified as such in the applicable Final Terms, or each Scheduled Trading Day during the Knock-in Determination Period subject to, in either case, the provisions of "Market Disruption" set out in Condition 19.4 above. For the purposes of a Market Disruption, any Knock-in Determination Day will be treated as a Valuation Date and the provisions contained in the definition of "Valuation Date" set out below shall apply. If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Knock-in Determination Day".

Knock-in Period Beginning Date means the date specified as such in the applicable Final Terms or, if such date is not a Scheduled Trading Day, the next following Scheduled Trading Day.

Knock-in Period Ending Date means the date specified as such in the applicable Final Terms or, if such date is not a Scheduled Trading Day, the next following Scheduled Trading Day.

Knock-in Valuation Time means the time or period of time on any Knock-in Determination Day specified as such in the applicable Final Terms or in the event that the applicable Final Terms do not specify a Knock-in Valuation Time, the Knock-in Valuation Time shall be the Valuation Time.

Knock-out Event means an event specified as such in the applicable Final Terms as of the Knock-out Valuation Time on any Knock-out Determination Day and which may be an event *per se* or depending on being (i) "greater than", (ii) "greater than or equal to", (iii) "less than" or (iv) "less than or equal to" the Knock-out Level.

Knock-out Level means a level determined as such in the applicable Final Terms, subject to adjustment from time to time in accordance with the provisions of "Market Disruption" set out in Condition 19.4 above.

Knock-out Determination Day means a day specified as such in the applicable Final Terms, or each Scheduled Trading Day during the Knock-out Determination Period subject to, in either case, the provisions of "Market Disruption" set out in Condition 19.4 above. For the purposes of a Market Disruption, any Knock-out Determination Day will be treated as a Valuation Date and the provisions contained in the definition of "Valuation Date" set out below shall apply. If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Knock-out Determination Day".

Knock-out Determination Period means the period which commences on, and includes, the Knock-out Period Beginning Date and ends on, and includes, the Knock-out Period Ending Date.

Knock-out Period Beginning Date means the date specified as such in the applicable Final Terms or, if such date is not a Scheduled Trading Day, the next following Scheduled Trading Day.

Knock-out Period Ending Date means the date specified as such in the applicable Final Terms or, if such date is not a Scheduled Trading Day, the next following Scheduled Trading Day.

Knock-out Valuation Time means the time or period of time on any Knock-out Determination Day specified as such in the applicable Final Terms or in the event that the applicable Final Terms do not specify a Knock-out Valuation Time, the Knock-out Valuation Time shall be the Valuation Time.

19.6 Physical Settlement

Where the Issuer is to redeem the Notes by means of Physical Settlement, the redemption of each Note shall, subject as provided in Condition 5.7, be effected by the Delivery Agent on behalf of the Issuer to the Noteholders of the Deliverable Obligations on the Credit Event Redemption Date.

If Unwind Amount is specified as "Applicable" in the Final Terms, then the Delivery Agent on behalf of the Issuer shall deliver the Deliverable Obligations subject to adjustment after taking into consideration the Unwind Amount pursuant to the following:

- (a) if the Unwind Amount results in a net loss to the Issuer, then an amount of the Deliverable Obligations equivalent in value to such net loss shall be sold by the Issuer to compensate it therefor, and the remaining portion of the Deliverable Obligations, if any, shall be delivered; or
- (b) if the Unwind Amount results in a net gain to the Issuer, such net gain shall be paid in cash to the Noteholders in addition to the Deliverable Obligations.

In the case of Deliverable Obligations that are Borrowed Money obligations, (i) the Issuer will Deliver Deliverable Obligations with an Outstanding Principal Balance or Due and Payable Amount, as the case may be, (including accrued but unpaid interest (as determined by Calculation Agent) if "Include Accrued Interest" is specified in the Final Terms, but excluding accrued but unpaid interest if "Exclude Accrued Interest" is specified in the Final Terms, and if neither "Include Accrued Interest" nor "Exclude Accrued Interest" is specified in the Final Terms, excluding accrued but unpaid interest) and (ii) in the case of Deliverable Obligations that are not Borrowed Money obligations, the Issuer will Deliver Deliverable Obligations with a Due and Payable Amount (or, in the case of either (i) or (ii), the equivalent Currency Amount of any such amount), in an aggregate amount as close as possible to the outstanding Aggregate Nominal Amount of the Notes.

The portion of Deliverable Obligations deliverable in respect of each Note shall be determined by reference to the proportion that the Specified Denomination of such Note bears to the outstanding Aggregate Nominal Amount of the Notes. If a Deliverable Obligation by its terms represents or contemplates an obligation to pay an amount greater than the Outstanding Principal Balance or Due and Payable Amount, as the case may be, of such obligation as of the Delivery Date as a result of the occurrence or non-occurrence of an event or circumstance, the Outstanding Principal Balance or Due and Payable Amount, as the case may be, of such obligation shall not include any additional amount that would be payable upon the occurrence or non-occurrence of such event or circumstance.

Unless otherwise specified in the applicable Final Terms, a Notice of Physical Settlement must be delivered by the Issuer to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, on or before the 30th calendar day after the relevant Event Determination Date (such 30th calendar day being the **Physical Determination Date**). For purposes of determining whether such Notice of Physical Settlement has been so delivered

by the Physical Determination Date, the date on which the Notice of Physical Settlement is given (whether or not subsequently changed) shall be used.

For the avoidance of doubt, failure to deliver a Notice of Physical Settlement to the Noteholders shall not relieve the Issuer from its obligation to redeem the Notes. If on the Physical Determination Date no Notice of Physical Settlement has been delivered to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, the Issuer shall be obliged to redeem the Notes in cash at their outstanding Aggregate Nominal Amount as soon as reasonably practicable and the date on which the Notes are redeemed shall be deemed to be the Credit Event Redemption Date.

19.7 Cash Settlement

Where the Issuer is to redeem the Notes by means of Cash Settlement, the redemption of each Note shall be effected by the payment by the Issuer to the Noteholders of the Cash Settlement Amount on the Cash Settlement Date, such amount to be apportioned pro rata among the Noteholders, rounding the resulting figure downwards to the nearest sub-unit of the relevant currency.

If Unwind Amount is specified as "Applicable" in the Final Terms, then the Issuer shall pay the Cash Settlement Amount, subject to adjustment after taking into consideration the Unwind Amount pursuant to the following:

- (a) if the Unwind Amount results in a net loss to the Issuer, then the net loss shall be deducted from the Cash Settlement Amount; or
- (b) if the Unwind Amount results in a net gain to the Issuer, such net gain shall be paid to the Noteholders in addition to the Cash Settlement Amount.

19.8 Partial Cash Settlement due to illegality or impossibility

If, due to an event beyond the control of the Issuer or a Noteholder (including, without limitation, failure of the relevant clearing system or due to any law, regulation or court order but excluding market conditions or the failure to obtain any requisite consent with respect to the Delivery of Loans), the Calculation Agent determines in its sole discretion that it is impossible or illegal for the Delivery Agent or the Issuer to Deliver, or (as the case may be) for such Noteholder to accept Delivery of, any portion of the Deliverable Obligations on the Physical Settlement Date, then on such date:

- (a) the Issuer shall Deliver, or cause the Delivery Agent to Deliver, and the Noteholder shall take Delivery of, that portion of the Deliverable Obligations which it is possible and legal to Deliver; and
- (b) the Calculation Agent shall provide a description to the Issuer and the relevant Noteholder(s) in reasonable detail of the facts giving rise to such impossibility or illegality and as soon as practicable thereafter the Delivery Agent or, as the case may be, the Issuer shall Deliver and the Noteholder shall take Delivery of the portion of the Deliverable Obligations which has not been Delivered and such date will be deemed to be the Credit Event Redemption Date.

If, upon the determination by the Calculation Agent as aforesaid of the occurrence of any such impossibility or illegality, the Deliverable Obligations is not Delivered to the Noteholder(s) (or any of their designees) on or before the Latest Permissible Physical Settlement Date, Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to such portion of the Deliverable Obligations that cannot be Delivered (the **Undeliverable Obligations**).

19.9 Partial Cash Settlement of Loans

Where the applicable Final Terms provides that "Assignable Loan" and/or "Consent Required Loan" is/are included in the "Deliverable Obligation Characteristics", if any Assignable Loans or Consent Required Loans are not, on the Physical Settlement Date, capable of being assigned or novated to any particular Noteholder or such Noteholder's designee due to non-receipt of any requisite consents and such consents are not obtained or deemed given by the Latest Permissible Physical Settlement Date (together the **Undeliverable Loan Obligations**), Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to that portion of the Deliverable Obligations that consists of Undeliverable Loan Obligations. In such circumstances, the Issuer may satisfy its obligations in respect of such portion of the Deliverable Obligations by payment of the Partial Cash Settlement Amount on the Partial Cash Settlement Date.

19.10 Alternative Cash Settlement

If with respect to physically settled Notes, (i) the Deliverable Obligations comprise Bonds, Assignable Loans or Consent Required Loans (the **Deliverable Assets**) and if (ii), in the opinion of the Calculation Agent, any particular Noteholder is not eligible for Physical Settlement for any part of such Deliverable Assets (the **Non-Eligible Deliverable Assets**) then such Non-Eligible Deliverable Assets will be subject to Cash Settlement pursuant to the Partial Cash Settlement Terms. In such circumstances, the Issuer may satisfy its obligations in respect of such Non-Eligible Deliverable Assets by payment to such Noteholder of the Partial Cash Settlement Amount on the Partial Cash Settlement Date.

19.11 No Deliverable Obligations

Where the Issuer is to redeem the Notes by means of Physical Settlement (or by Cash Settlement or in connection with principal protected Credit Linked Notes, in either case when necessary calculations relate to Deliverable Obligations or Deliverable Obligation Characteristics), if a Credit Event occurs with respect to any particular Reference Entity and the Calculation Agent determines in its sole discretion that (a) no Deliverable Obligation exists on the Physical Settlement Date (or the Valuation Date, as the case may be), or (b) the Issuer, or the Delivery Agent on the Issuer's behalf, is for any reason (other than (a) immediately above or as set out in Condition 19.8 or 19.9 above or in the applicable Final Terms), unable to procure any Deliverable Obligations, or a sufficient amount of Deliverable Obligations, by the thirtieth day following the Physical Settlement Date, then the Calculation Agent shall have the right in its sole discretion to either (i) in the case of (a) above, cause all of the Notes to become due and repayable as soon as reasonably practicable at their outstanding Aggregate Nominal Amount (excluding accrued interest) or (ii) in the case of (b) above, either (A) elect Physical Settlement in a *pro rata* fashion that portion of each Note to the extent that the aggregate amount of Deliverable Obligations due exceeds the aggregate amount of Deliverable Obligations available and elect Cash Settlement for the remaining portion of each Note in accordance with (B) below, or (B) elect that Cash Settlement pursuant to the Partial Cash Settlement Terms shall apply to such Deliverable Obligation (such Deliverable Obligation being deemed an Undeliverable Obligation for these purposes) and the Issuer may satisfy its obligations in respect of such Deliverable Obligation by payment to the Noteholder(s) of the Partial Cash Settlement Amount on the Partial Cash Settlement Date, such amount to be apportioned *pro rata* among the Noteholders.

19.12 Partial Cash Settlement Terms

The following terms are deemed to be defined as follows for the purposes of the Partial Cash Settlement Terms referred to in Condition 19.8, 19.9, 19.10 and 19.11 above.

Dealer means a dealer, financial institution or fund (which, for the avoidance of doubt, shall include the Issuer or any Affiliate of the Issuer) that deals or invests in obligations of the type of Obligation(s)

for which Quotations are to be obtained. The Calculation Agent shall select the Dealers in good faith and in a commercially reasonable manner. Upon a selected Dealer no longer being in existence (with no successors), or not being an active dealer in the obligations of the type for which Quotations are to be obtained, the Calculation Agent may substitute any other Dealer(s) for one or more of the foregoing. Any bid quotation provided by the Issuer shall be deemed to be a firm quotation that it would provide to a counterparty in the market.

Final Price means the price of the obligation being valued, expressed as a percentage, determined in accordance with the specified Valuation Method. The Calculation Agent shall, as soon as practicable after obtaining all Quotations for a Valuation Date, notify the Issuer of each such Quotation that it receives in connection with the calculation of the Final Price and shall provide the Issuer a written computation showing its calculation of the Final Price.

Highest means the highest Quotation obtained by the Calculation Agent (or in accordance with the definition of "Quotation") with respect to any Valuation Date.

Latest Permissible Physical Settlement Date means, in respect of Condition 19.8, the date that is 30 calendar days after the Physical Settlement Date and, in respect of Condition 19.9, the date that is fifteen Business Days after the Physical Settlement Date.

Market means the Market Value determined by the Calculation Agent with respect to the Valuation Date.

Market Value means, with respect to obligations being valued on a Valuation Date, (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the highest and lowest values (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (ii) if exactly three Full Quotations are obtained, the Full Quotation remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest and lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (iii) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations; (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (v) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained on any of the next ten Business Days thereafter, any one Full Quotation on such tenth Business Day, and or if no Full Quotation is obtained, the Market Value shall be the weighted average of any firm quotations obtained from Dealers on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations were not obtained on such day.

Minimum Quotation Amount shall be as specified in the applicable Final Terms or shall be deemed to be equal to the applicable Specified Denomination of the Notes.

Partial Cash Settlement is deemed to be the payment by the Issuer of the Partial Cash Settlement Amount to the Noteholders on the Partial Cash Settlement Date.

Partial Cash Settlement Amount is deemed to be, for each Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset, the aggregate of the greater of (i) the aggregate of (A) Outstanding Principal Balance, Due and Payable Amount or Currency Amount, as applicable, of each Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset, multiplied by (B) the Final Price with respect to such Undeliverable Obligation or Undeliverable Loan Obligation and (ii) zero provided that where (i) a relevant Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset forms part of the Asset Package and (ii) the Calculation Agent determines in its sole discretion that a Final Price cannot be reasonably determined

in respect of such Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset, then the Partial Cash Settlement Amount (i) shall be an amount calculated by the Calculation Agent in its sole discretion equal to the fair market value of the relevant Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset by reference to such source(s) as it determines appropriate and (ii) may be zero.

Partial Cash Settlement Date is deemed to be the date that is three Business Days after the calculation of the Final Price or such other date specified in the relevant Final Terms.

Quotation means each Full Quotation, the Weighted Average Quotation obtained and expressed as a percentage of the Outstanding Principal Balance or Due and Payable Amount, as applicable of the relevant Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset, with respect to a Valuation Date as follows:

The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day, the Quotations shall be deemed to be any Full Quotation obtained from a Dealer on such tenth Business Day, or if no Full Quotation is obtained, the weighted average of any firm quotations obtained from Dealers on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations were not obtained on such day.

Quotation Amount shall be as specified in the applicable Final Terms or otherwise shall be deemed to be, with respect to each type of Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset, an amount equal to the Outstanding Principal Balance or Due and Payable Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent in a commercially reasonable manner by reference to exchange rates in effect at the time that the relevant Quotation is being obtained), as applicable, of such Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset.

Quotation Method means the applicable quotation method which may be specified in the Final Terms as being one of the following:

- (a) **Bid** means that only bid quotations shall be requested;
- (b) **Mid** means that the bid and offer quotations shall be requested and averaged for the purposes of determining a relevant Dealer's quotation; or
- (c) **Ask** means that only offer quotations shall be requested.

Valuation Date is deemed to be the date that is two Business Days after the Latest Permissible Physical Settlement Date.

Valuation Time is deemed to be 11:00 a.m. London time, or 11:00 a.m. in the principal trading market of the relevant obligation as determined by the Calculation Agent, unless stated otherwise in the applicable Final Terms.

Valuation Method shall be as specified in the applicable Final Terms or otherwise shall be deemed to be, (i) if only one Valuation Date, Highest, or (ii) if more than one Valuation Date, Average Highest, or if "Market" has been designated in the relevant Final Terms, "Market Value" shall apply.

Weighted Average Quotation means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Relevant Dealers at the Valuation Time, to the extent reasonably practicable, with an amount of as large a size as available but less than the Quotation Amount that in aggregate are approximately equal to the Quotation Amount.

19.13 Maturity Date Extension

Unless otherwise stated in the applicable Final Terms if, prior to any payment date under the Notes, (a) a Potential Failure to Pay has occurred with respect to one or more of the Obligations; (b) under the terms of such Obligation(s), a grace period is applicable to payments under the Obligation(s); and (c) such grace period does not expire on or prior to such payment date under the Notes, then such Interest Payment Date or, as the case may be, the Maturity Date, shall be postponed until the fifth Business Day after such Potential Failure to Pay has been remedied, provided that a Credit Event shall be deemed to have occurred, and no payment shall be made, if the Potential Failure to Pay has not been remedied during the applicable grace period.

No adjustment shall be made to the amount of any interest as a result of such delay. The Issuer shall endeavour to give notice to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, as soon as reasonably practicable should the Maturity Date or any payment date be postponed pursuant to the foregoing.

19.14 Repudiation/Moratorium Maturity Date Extension

Unless stated otherwise in the applicable Final Terms if, prior to the Maturity Date under the Notes, (a) "Repudiation/Moratorium" is listed as an applicable Credit Event in the applicable Final Terms; (b) a Potential Repudiation/Moratorium has occurred with respect to one or more of the Obligations; and (c) such Potential Repudiation/Moratorium has not been remedied or rescinded prior to the Maturity Date, then the Maturity Date shall be postponed until the fifth Business Day after such Potential Repudiation/Moratorium has been remedied or rescinded, provided that a Credit Event shall be deemed to have occurred, and no payment shall be made, if (i) such Potential Repudiation/Moratorium has not been remedied or rescinded by the sixtieth day after the original Maturity Date (or if the Obligation which is the subject of the Potential Repudiation/Moratorium is a Bond, the later of the sixtieth day or the first payment date under such Bond after the Maturity Date), or (ii) a Restructuring (without regard to the Default Requirement) or a Failure to Pay (determined without regard to the Payment Requirement or any change or amendment to such Obligation as a result of such Restructuring), has occurred with respect to any such Obligation.

No adjustment shall be made to the amount of any interest as a result of such delay. The Issuer shall endeavour to give notice to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, as soon as reasonably practicable should the Maturity Date be postponed pursuant to the foregoing.

19.15 Restructuring Credit Event Applicable

Where Restructuring is specified in the applicable Final Terms as being an applicable Credit Event, unless otherwise specified in the applicable Final Terms with respect to a specific Reference Entity, upon the occurrence of an M(M)R Restructuring the Issuer may deliver multiple Credit Event Notices with respect to such Restructuring Credit Event. Accordingly, notwithstanding Conditions 19.1 to 19.14 above, where an M(M)R Restructuring has occurred and the Issuer has delivered a Credit Event Notice for an amount that is less than the outstanding Aggregate Nominal Amount of the Notes

outstanding immediately prior to the delivery of such Credit Event Notice (the **Exercise Amount**), the provisions of Conditions 19.1 to 19.14 above shall be deemed to apply to a nominal amount equal to the Exercise Amount only and all the provisions shall be construed accordingly. Each such Note shall be redeemed in part (such redeemed part being equal to the resultant figure of the Exercise Amount divided by the number of Notes outstanding).

The Notes shall be deemed to be redeemed *pro rata* in an amount equal to the Exercise Amount only. The Notes in an amount equal to the Outstanding Amount shall remain outstanding and interest shall accrue on the Outstanding Amount as provided for in Condition 4 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate).

In respect of any subsequent Credit Event Notices delivered:

- (a) the Exercise Amount in connection with a Credit Event Notice describing a Credit Event other than a Restructuring must be equal to the then outstanding Aggregate Nominal Amount of the Notes (and not a portion thereof); and
- (b) the Exercise Amount in connection with a Credit Event Notice describing a Restructuring Credit Event must be an amount that is at least 1,000,000 units of the currency (or, if Japanese Yen, 100,000,000 units) in which the nominal amount is denominated or any integral multiple thereof or the entire then outstanding Aggregate Nominal Amount of the Notes.

If the provisions of this Condition 19.15 apply in respect of the Notes, on redemption of part of each such Note, the relevant Note or, if the Notes are represented by a Global Note, such Global Note shall be endorsed to reflect such partial redemption.

19.16 General

For such period of time after the relevant Physical Settlement Date as the Issuer or any other person (other than a Noteholder) shall continue to be the legal owner of the securities, interests or other assets comprising the Deliverable Obligations (the **Intervening Period**), neither the Issuer nor any other such person shall:

- (a) be under any obligation to deliver or procure delivery to such Noteholder(s) or any subsequent beneficial owner of such securities any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such securities; or
- (b) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such securities during the Intervening Period; or
- (c) be under any liability to such Noteholder(s) or any subsequent beneficial owner of such securities in respect of any loss or damage which such Noteholder(s) or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such securities during such Intervening Period (including, without limitation, any loss or damage resulting from the failure to exercise any or all rights (including voting rights) attaching to such securities during the Intervening Period).

19.17 Consequences of an Early Amortisation of the Reference Obligation

If the Reference Obligation Notional Amount, as specified in the applicable Final Terms, is subject to reduction as a result of scheduled or accelerated amortisation, acceleration of payment obligations, redemption or otherwise, but excluding any payment in respect of principal representing capitalised interest (an **Early Amortisation**), then the Issuer may elect in its sole and absolute discretion, after

giving Notice to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be:

- (a) to maintain the terms and conditions of the Notes unaltered;
- (b) to partially redeem each Note within five (5) Business Days following the Early Amortisation Date by an amount (the Redeemed Amount) equal to its pro rata share of the Fair Market Value of such portion of the Reference Obligation Notional Amount early amortised on the Early Amortisation Date (as defined below) (where such pro rata share will be determined by reference to the proportion of the outstanding Aggregate Nominal Amount of the Notes), plus interest for the period from and including the Early Amortisation Date to but excluding the redemption date calculated on the basis of a rate of interest equal to the arithmetic mean of €STR (as defined in the Conditions) on the Early Redemption Date. The Specified Denomination, the formula or any other characteristics of the Notes shall be adjusted accordingly by the Calculation Agent to reflect such Early Amortisation. For the avoidance of doubt, the portion of the Notes not affected by the Early Amortisation shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be; or
- (c) to redeem in whole all but not some only of the Notes at their Fair Market Value.

19.18 Specific adjustments regarding credit indices and index tranches

With respect to a credit index or an index tranche referred to in the payouts entitled "Basket/Index Credit Linked Notes"; "Index Tranche Credit Linked Notes", "nth to Default Credit Linked Notes Early Redeemed" and "nth to Default Credit Linked Notes Redeemed at Maturity" in paragraph 4.3 of the Technical Annex, upon the occurrence of an event that the Calculation Agent considers, acting in a commercially reasonable manner, as materially impacting the credit index or the index tranche (including but not limited to trading disruptions, market instability or force majeure events), the Calculation Agent shall:

- (i) apply the fallback provisions set forth in the relevant underlying hedging agreement entered into by the Issuer which shall be disclosed in the applicable Final Terms or
- (ii) if such relevant hedging agreement is not communicated by the Issuer, the Calculation Agent shall apply the fallback provisions that it considers as appropriate given the circumstances, acting in a commercially reasonable manner.

19.19 Definitions

For the purposes of this Condition 19 (unless otherwise specified in the applicable Final Terms or the context otherwise requires):

Accelerated or Matured means an obligation under which the principal amount owed, whether by reason of maturity, acceleration, termination or otherwise, is due and payable in full in accordance with the terms of such obligation, or would have been but for, and without regard to, any limitation imposed under any applicable insolvency laws.

Accrued Interest means for the purpose of these Additional provisions applicable to Credit Linked Notes:

- (a) in respect of any Notes for which "Physical Settlement" is specified to be the Settlement Method in the applicable Final Terms (or for which Physical Settlement is applicable as the

Fallback Settlement Method in accordance with Credit Linked Condition 19.3), the Outstanding Principal Balance of the Deliverable Obligations being Delivered will exclude accrued but unpaid interest, unless "Include Accrued Interest" is specified in the applicable Final Terms, in which case, the Outstanding Principal Balance of the Deliverable Obligations being Delivered will include accrued but unpaid interest (as the Calculation Agent shall determine in its reasonable discretion);

- (b) in respect of any Notes for which "Cash Settlement" is specified to be the applicable Settlement Method in the applicable Final Terms (or for which Cash Settlement is applicable as the Fallback Settlement Method in accordance with Credit Linked Condition 19.3), and:
 - (i) "Include Accrued Interest" is specified in the applicable Final Terms, the Outstanding Principal Balance of the Reference Obligation shall include accrued but unpaid interest;

- (i) if the DC Secretary publicly announces, pursuant to a valid request that was delivered and effectively received on or prior to the date that is 14 calendar days after the Scheduled Maturity Date, that the relevant Credit Derivatives Determinations Committee has Resolved that an event that constitutes a Potential Repudiation/Moratorium has occurred with respect to an Obligation of the Reference Entity and that such event occurred on or prior to the Scheduled Maturity Date; or

- (i) a reduction in the rate or amount of interest payable or the amount of scheduled interest accruals (including by way of redenomination);
- (ii) a reduction in the amount of principal or premium payable at redemption (including by way of redenomination);
- (iii) a postponement or other deferral of a date or dates for either (A) the payment or accrual of interest, or (B) the payment of principal or premium;
- (iv) a change in the ranking in priority of payment of any Obligation, causing the Subordination of such Obligation to any other Obligation; or
- (v) any change in the currency of any payment of interest, principal or premium to any currency other than the lawful currency of Canada, Japan, Switzerland, the United Kingdom and the United States of America and the euro and any successor currency to any of the aforementioned currencies (which in the case of the euro, shall mean the currency which succeeds to and replaces the euro in whole).

financial condition of the Reference Entity is required where the redenomination is from euros into another currency and occurs as a result of action taken by a Governmental Authority of a Member State of the European Union which is of general application in the jurisdiction of such Governmental Authority.

For purposes of this definition of Restructuring and Credit Linked Condition 15, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of a Guarantee. In the case of a Guarantee and an Underlying Obligation, references to the Reference Entity in paragraphs (i) to (v) of this definition of Restructuring shall be deemed to refer to the Underlying Obligor and the references to the Reference Entity in paragraphs (b) to (e) of this definition of Restructuring shall continue to be deemed to refer to the Reference Entity.

If an exchange has occurred, the determination as to whether one of the events described under paragraphs (i) to (v) has occurred will be based on a comparison of the terms of the Bond immediately prior to such exchange and the terms of the resulting obligations immediately following such exchange.

Unless Multiple Holder Obligation is specified as not applicable in the applicable Final Terms, then, notwithstanding anything to the contrary in this definition of Restructuring and related provisions, the occurrence of, agreement to or announcement of any of the events described in (i) to (v) above shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

"Subordinated" will be construed accordingly. For purposes of determining whether Subordination exists or whether an obligation is Subordinated with respect to another obligation to which it is being compared, (x) the existence of preferred creditors arising by operation of law or of collateral, credit support or other credit enhancement or security arrangements shall not be taken into account, except that, notwithstanding the foregoing, priorities arising by operation of law shall be taken into account where the Reference Entity is a Sovereign and (y) in the case of the Reference Obligation or the Prior Reference Obligation, as applicable, the ranking in priority of payment shall be determined as of the date as of which it was issued or incurred (or in circumstances where the Reference Obligation or a Prior Reference Obligation is the Standard Reference Obligation and "Standard Reference Obligation" is applicable, then the priority of payment of the Reference Obligation or the Prior Reference Obligation, as applicable, shall be determined as of the date of selection) and, in each case, shall not reflect any change to such ranking in priority of payment after such date.

Substitute Reference Obligation means, with respect to a Non-Standard Reference Obligation to which a Substitution Event has occurred, the obligation that will replace the Non-Standard Reference Obligation, determined by the Calculation Agent as follows:

- (a) The Calculation Agent shall identify the Substitute Reference Obligation in accordance with paragraphs (c), (d) and (e) below to replace the Non-Standard Reference Obligation; provided that the Calculation Agent will not identify an obligation as the Substitute Reference Obligation if, at the time of the determination, such obligation has already been rejected as the Substitute Reference Obligation by the relevant Credit Derivatives Determinations Committee and such obligation has not changed materially since the date of the relevant DC Resolution.
- (b) If any of the events set forth under paragraphs (a) or (b)(ii) of the definition of Substitution Event have occurred with respect to the Non-Standard Reference Obligation, the Non-Standard Reference Obligation will cease to be the Reference Obligation (other than for purposes of the "Not Subordinated" Obligation Characteristic or "Not Subordinated" Deliverable Obligation Characteristic and paragraph (c)(ii) below). If the event set forth in paragraph (b)(i) of the definition of Substitution Event below has occurred with respect to the Non-Standard Reference Obligation and no Substitute Reference Obligation is available, the Non-Standard Reference Obligation will continue to be the Reference Obligation until the Substitute Reference Obligation is identified or, if earlier, until any of the events set forth under paragraphs (a) or (b)(ii) of the definition of Substitution Event below occur with respect to such Non-Standard Reference Obligation.

- (c) The Substitute Reference Obligation shall be an obligation that on the Substitution Date:
- (i) is a Borrowed Money obligation of the Reference Entity (either directly or as provider of a guarantee);

- (e) If a Substitution Event has occurred with respect to the Non-Standard Reference Obligation and the Calculation Agent determines that no Substitute Reference Obligation is available for the Non-Standard Reference Obligation then, subject to paragraph (a) above and notwithstanding the fact that the Non-Standard Reference Obligation may have ceased to be the Reference Obligation in accordance with paragraph (b) above, the Calculation Agent shall continue to attempt to identify the Substitute Reference Obligation.
- (f) For the avoidance of doubt, no Substitute Reference Obligation shall be determined in respect of any Credit Linked Notes that are Reference Obligation Only Notes.

 - (ii) for any reason, other than due to the existence or occurrence of a Credit Event, the Non-Standard Reference Obligation is no longer an obligation of the Reference Entity (either directly or as provider of a guarantee).

For purposes of identification of the Non-Standard Reference Obligation, any change in the Non-Standard Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, constitute a Substitution Event. If an event described in paragraphs (a) or (b)(i) above has occurred on or prior to the Trade Date, then a Substitution Event shall be deemed to have occurred pursuant to paragraphs (a) or (b)(i) above as the case may be, on the Trade Date.

Substitution Event Date means, with respect to the Reference Obligation, the date of the occurrence of the relevant Substitution Event.

Succession Date means the legally effective date of an event in which one or more entities succeed to some or all of the Relevant Obligations of the Reference Entity; provided that if at such time, there is a Steps Plan, the Succession Date will be the legally effective date of the final succession in respect of such Steps Plan, or if earlier (i) the date on which a determination pursuant to paragraph (a) of the definition of Successor below would not be affected by any further related successions in respect of such Steps Plan, or (ii) the occurrence of a Credit Event Determination Date in respect of the Reference Entity or any entity which would constitute a Successor.

Successor means:

subject to paragraph (b) below, the entity or entities, if any, determined as follows:

- (i) subject to paragraph (vii) below, if one entity succeeds, either directly or as a provider of a Relevant Guarantee, to 75 per cent. or more of the Relevant Obligations of the Reference Entity, that entity will be the sole Successor;
- (ii) if only one entity succeeds, either directly or as a provider of a Relevant Guarantee, to more than 25 per cent. (but less than 75 per cent.) of the Relevant Obligations of the Reference Entity, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than 25 per cent. of the Relevant Obligations will be the sole Successor;
- (iii) if more than one entity each succeeds, either directly or as a provider of a Relevant Guarantee, to more than 25 per cent. of the Relevant Obligations of the Reference Entity, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than 25 per cent. of the Relevant Obligations will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
- (iv) if one or more entities each succeed, either directly or as a provider of a Relevant Guarantee, to more than 25 per cent. of the Relevant Obligations of the Reference Entity, and more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
- (v) if one or more entities succeed, either directly or as a provider of a Relevant Guarantee, to a portion of the Relevant Obligations of the Reference Entity, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity will not be changed in any way as a result of such succession;
- (vi) if one or more entities succeed, either directly or as a provider of a Relevant Guarantee, to a portion of the Relevant Obligations of the Reference Entity, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the

Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations will be the Successor (provided that if two or more entities succeed to an equal percentage of Relevant Obligations, each such entity will be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below); and

(vii) in respect of a Reference Entity which is not a Sovereign, if one entity assumes all of the obligations (including at least one Relevant Obligation) of the Reference Entity, and at the time of the determination either (A) the Reference Entity has ceased to exist, or (B) the Reference Entity is in the process of being dissolved (howsoever described) and the Reference Entity has not issued or incurred any Borrowed Money obligation at any time since the legally effective date of the assumption, such entity (the Universal Successor) will be the sole Successor; and

(b) An entity may only be a Successor if:

either (A) the related Succession Date occurs on or after the Successor Backstop Date, or (B) such entity is a Universal Successor in respect of which the Succession Date occurred on or after 1 January 2014;

the Reference Entity had at least one Relevant Obligation outstanding immediately prior to the Succession Date and such entity succeeds to all or part of at least one Relevant Obligation of the Reference Entity; and

where the Reference Entity is a Sovereign, such entity succeeded to the Relevant Obligations by way of a Sovereign Succession Event.

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after delivery of a Successor Notice and with effect from the Succession Date, any Successor or Successors under paragraph (a) above, provided that the Calculation Agent will not make any such determination if, at the time of determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations.

The Calculation Agent will make all calculations and determinations required to be made under this definition of Successor on the basis of Eligible Information and will, as soon as practicable after such calculation or determination, make such calculation or determination available for inspection by Holders at the specified office of the Principal Agent. In calculating the percentages used to determine whether an entity qualifies as a Successor under paragraph (a) above, if there is a Steps Plan, the Calculation Agent shall consider all related successions in respect of such Steps Plan in aggregate as if forming part of a single succession.

Where pursuant to paragraph (a)(iii), (a)(iv), (a)(vi) or (b) above, more than one Successor has been identified, the Calculation Agent shall adjust such of these Terms and Conditions and/or the applicable Final Terms as it shall determine to be appropriate to reflect that the Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of these Terms and Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Notes under the provisions of the 2014 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment and notifying the Issuer of such adjustment, the Issuer shall give notice as soon as practicable to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, stating the adjustment

to these Terms and Conditions and/or the applicable Final Terms and giving brief details of the relevant Successor event.

This Condition 20 applies to Index Linked Notes only. The Technical Annex set out on pages 492 to 527 of this Base Prospectus contains provisions relating to the formulae used to determine the pay-off under Index Linked Notes. The applicable Final Terms contains provisions applicable to the determination of the performance of the relevant Index or Indices as well as other relevant provisions and must be read in conjunction with this Condition 20 and with the Technical Annex for full

information on any Index Linked Notes. In particular, the applicable Final Terms will identify the relevant Index or Indices, the relevant Screen Page, the Component Transactions, the applicable formula.

20.1 Market Disruption

For the purposes of determining whether a Market Disruption Event exists at any time, if a Market Disruption Event occurs in respect of a security, a contract or a Component Transaction included in such Index at any time, then the relevant percentage contribution of that security, that contract or that Component Transaction to the level of such Index shall be based on a comparison of (x) the portion of the level of such Index attributable to that security, that contract or that Component Transaction and (y) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event.

The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been an Averaging Date, an Observation Date, a Knock-in Determination Day, a Knock-out Determination Day or a Valuation Date.

20.2 Adjustments to an Index

(a) Successor Index Sponsor Calculates and Reports an Index

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the **Successor Index**) will be deemed to be the Index.

(b) Modification and Cessation of Calculation of an Index

If (i) on or prior to the last Valuation Date, last Observation Date, last Averaging Date, the last Knock-in Determination Day or the last Knock-out Determination Day, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts, commodities or Component Transaction and other routine events) (an **Index Modification**), or permanently cancels a relevant Index and no Successor Index exists (an **Index Cancellation**), or (ii) on a Valuation Date, an Observation Date, an Averaging Date, a Knock-in Determination Day or Knock-out Determination Day, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an **Index Disruption** and, together with an Index Modification and an Index Calculation, each an **Index Adjustment Event**), then,

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the relevant Settlement Price using, in

lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date, Observation Date, that Averaging Date, Knock-in Determination Day or Knock-out Determination Day, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities/Component Transactions that comprised that Index immediately prior to that Index Adjustment Event; or

- (ii) on giving notice to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

(c) **Notice**

The Calculation Agent shall, as soon as practicable, notify the relevant Agent of any determination made by it pursuant to paragraph (b) above and the action proposed to be taken in relation thereto and such Agent shall make available for inspection by Noteholders copies of any such determinations.

 - (ii) redeem the Notes by giving notice to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be. If the Notes are so redeemed the Issuer will pay an amount to each Noteholder in respect of each Note held by him which amount shall be the fair market value of a Note taking into account the Additional Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will

be made in such manner as shall be notified to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

- (b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the holders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, stating the occurrence of the Additional Disruption Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, stating the adjustment to any Relevant Asset and/or the Asset Amount (in each case with respect to Physical Delivery Notes) and/or the multiplier and/or any of the other terms of these Conditions and/or the applicable Final Terms and giving brief details of the Potential Adjustment Event.

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Asset Amount (in each case with respect to Physical Delivery Notes) and/or the multiplier and/or any of the other terms of these Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Notes. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange; or
- (ii) in the case of Equity Linked Notes relating to a basket of Shares redeem the Notes in part by giving notice to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be. If the Notes are so redeemed in part the portion (the **Redeemed Amount**) of each Note representing the affected Share(s) shall be redeemed and the Issuer will (i) pay to each Noteholder in respect of each Note held by him an amount equal to the fair market value of the Redeemed Amount, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (unless provided for in the applicable Final Terms), all as determined by the Calculation Agent in its sole and absolute discretion; and (ii) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Asset Amount (in each case with respect to Physical Delivery Notes) and/or the multiplier and/or any of the other terms of these Conditions and/or the applicable Final Terms to account for such redemption in part. For the avoidance of doubt the remaining part of each Note after such cancellation and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be; or
- (iii) unless Delayed Redemption on Occurrence of Extraordinary Events is specified as being applicable in the applicable Final Terms, on giving notice to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (unless provided for in the applicable Final Terms), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be; or
- (iv) if Delayed Redemption on Occurrence of Extraordinary Event is specified as being applicable in the Final Terms, the Calculation Agent shall calculate the fair market

value of each Note taking into account the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the **Calculated Amount**) as soon as practicable, following the occurrence of the Extraordinary Event (the **Calculated Amount Determination Date**) and on the Maturity Date shall redeem each Note at an amount calculated by the Calculation Agent equal to the Calculated Amount plus interest accrued from and including the Calculated Amount Determination Date to but excluding the Maturity Date at a rate specified in the applicable Final Terms, or if no such specification, at a rate equal to Issuer's funding cost at such time.

- (v) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the Options Exchange), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Asset Amount (in each case with respect to Physical Delivery Notes) and/or the multiplier and/or any of the other terms of these Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Asset Amount (in each case with respect to Physical Delivery Notes) and/or the multiplier and/or any of the other terms of these Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.
- (vi) If the applicable Final Terms provide that **Share Substitution** is applicable, then on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalisation, Insolvency or Delisting (as the case may be) the Calculation Agent may adjust the Basket to include a share selected by it (the **Substitute Shares**) in place of the Shares (the **Affected Share(s)**) which are affected by such Merger Event, Tender Offer, Nationalisation, Insolvency or Delisting and the Substitute Shares and their issuer will be deemed "Shares" and a **Share Company** and **Basket Company** for the purposes of the Notes, respectively, and the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Asset Amount (in each case with respect to Physical Delivery Notes) and/or the multiplier and/or the weighting and/or any of the other terms of these Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate.

Such substitution and the relevant adjustment to the Basket will be deemed to be effective as of the date selected by the Calculation Agent (the **Substitution Date**) in its absolute discretion and specified in the notice referred to in sub-paragraph (C) below which may, but need not, be the Merger Date or Tender Offer Date or the date of the Nationalisation, Insolvency or Delisting (as the case may be).

The weighting of each Substitute Share in the Basket will be equal to the weighting of the relevant Affected Share.

In order to be selected as Substitute Shares, the relevant shares must be a share which, in the sole and absolute discretion of the Calculation Agent:

- (A) is not already comprised in the Basket;
 - (B) belongs to a similar economic sector as the Affected Share; and
 - (C) is of comparable market capitalisation, international standing and exposure as the Affected Share.
- (d) Upon the occurrence of a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, the Issuer shall give notice as soon as practicable to the holders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, stating the occurrence of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto, including, in the case of Substitute Shares, the identity of the Substitute Shares and the Substitution Date.

21.3 Correction of Share Price

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of any Redemption Amount and/or Interest Amount, if the price of the relevant Share published on a given day and used or to be used by the Calculation Agent to determine any Redemption Amount and/or Interest Amount, is subsequently corrected and the correction published by the relevant Exchange or Related Exchange, as the case may be, within 30 days of the original publication, the price to be used shall be the price of the relevant Share as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Redemption Date or, as the case may be, Interest Payment Date will be disregarded by the Calculation Agent for the purposes of determining any Redemption Amount and/or Interest Amount.

21.4 Issuer's Option to substitute Assets or to pay the Alternate Cash Redemption Amount

If prior to the redemption of Physical Delivery Notes, the Calculation Agent determines, in its sole and absolute discretion, that the Relevant Asset(s) comprise(s) Shares which are not freely tradable, the Issuer may, in its sole and absolute discretion, elect either (i) to substitute for such Shares freely tradable shares with a value equivalent to the Shares (as determined by the Calculation Agent in its sole and absolute discretion)(the **Substitute Asset(s)**) or (ii) not to deliver or procure the delivery of the Asset Amount or the Substitute Asset(s), as the case may be, but in lieu thereof to pay to the Noteholders on the Settlement Date an amount equal to the fair market value of the Asset Amount on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the **Alternate Cash Redemption Amount**). Notification of any such election will be given to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

For the purposes hereof, a **freely tradable** share shall mean (i) with respect to the United States, a share which is registered under the Securities Act or not restricted under the Securities Act and which is not purchased from the issuer of such share and not purchased from an affiliate of the issuer of such share or which otherwise meets the requirements of a freely tradable share for the purposes of the Securities Act, in each case, as determined by the Calculation Agent, in its sole and absolute discretion or (ii) with respect to any other jurisdiction, a share not subject to any legal restrictions on transfer in such jurisdiction.

21.5 Additional Disruption Events

- (a) If an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Asset Amount (in each case with respect to Physical Delivery Notes) and/or the multiplier and/or any of the other terms of these Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) unless Delayed Redemption on occurrence of Additional Disruption Event is specified as being applicable in the applicable Final Terms, redeem the Notes by giving notice to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be. If the Notes are so redeemed the Issuer will pay an amount to each Noteholder in respect of each Note held by him which amount shall be the fair market value of a Note taking into account the Additional Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. This Condition 22 applies to Inflation Linked Notes only. The Technical Annex set out on pages 492 to 527 of this Base Prospectus contains provisions relating to the formulae used to determine the pay-off under Inflation Linked Notes and the performance of the relevant inflation index. The applicable Final Terms contains provisions applicable to the determination of the performance of the relevant inflation index as well as other relevant provisions and must be read in conjunction with this Condition 22 and with the Technical Annex for full information on any Inflation Linked Notes. In particular, the applicable Final Terms will identify the relevant index or indices, the relevant Screen Page, the various levels and other factors required to apply the formula.

22.1 Delay in Publication

If the Calculation Agent determines that, in relation to Notes relating to a single Index or a basket of Indices, a Delayed Index Level Event in respect of an Index has occurred with respect to any Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date, then the Relevant Level with respect to any Reference Month which is to be used in any calculation or determination to be made by the Calculation Agent with respect to such Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date (the **Substitute Index Level**) shall be determined by the Calculation Agent (subject to Condition 22.3(a) "Adjustments-Substitute Index Level" below), as follows:

- (a) if Related Bond is specified as applicable in the applicable Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the Related Bond; or
- (b) if (I) Related Bond is specified as not applicable in the applicable Final Terms, or (II) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

If the Relevant Level is published or announced at any time on or after the relevant Cut-Off Date specified in the applicable Final Terms, such Relevant Level will not be used in any calculations. The Substitute Index Level so determined pursuant to this Condition 22.1 will be the definitive level for that Reference Month.

22.2 Successor Index

If in relation to Notes relating to a single Index or a basket of Indices, the Calculation Agent determines that the level of an Index is not calculated and announced by the Index Sponsor for two consecutive months and/or the Index Sponsor announces that it will not longer continue to publish or announce the Index and/or the Index Sponsor cancels the Index then the Calculation Agent shall determine a successor index (**a Successor Index**) (in lieu of any previously applicable Index) for the purposes of the Notes as follows:

- (a) if Related Bond is specified as applicable in the applicable Final Terms, the Calculation Agent shall determine a "Successor Index" by reference to the corresponding successor index determined under the terms and conditions of the Related Bond;
- (b) if Related Bond is specified as not applicable in the Final Terms or a Related Bond Redemption Event has occurred, the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Index should be. If between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the "Successor Index". If three responses are received, and two or more leading independent dealers state the same index, this index will be deemed the "Successor Index";
- (c) If no Successor Index has been deemed under (i) above or if fewer than three responses are received under (ii) above by the Cut-Off Date the Calculation Agent will determine an appropriate alternative index for the relevant Payment Date, and such index will be deemed a "Successor Index"; or
- (d) if the Calculation Agent determines that there is no appropriate alternative index, there will be deemed to be no Successor Index and an Index Cancellation will be deemed to have occurred.

For the avoidance of doubt, the Calculation Agent shall determine the date on which the Successor Index shall be deemed to replace the Index for the purposes of the Notes. Notice of the determination of a Successor Index, the effective date of the Successor Index or the occurrence of an Index Cancellation will be given to holders of the Notes by the Issuer in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

22.3 Adjustments

(a) Substitute Index Level

If the Calculation Agent determines a Substitute Index Level in accordance with Condition 22.1 "Delay in Publication" above, the Calculation Agent may make any adjustment or adjustments (without limitation) to (I) the Substitute Index Level determined in accordance with Condition 22.1 "Delay in Publication" above and/or (II) the final Redemption Amount, interest payable under the Notes (if any) and/or any other relevant term of the Notes, in each case, as the Calculation Agent

deems necessary. The Issuer shall give notice to the holders of the Notes of any such adjustment in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

(b) **Successor Index**

If a Successor Index is determined in accordance with Condition 22.2 "Successor Index" above, the Calculation Agent may make any adjustment or adjustments (without limitation) to the final Redemption Amount, interest payable under the Notes (if any) and/or any other relevant term of the Notes as the Calculation Agent deems necessary. The Issuer shall give notice to the holders of the Notes of any such adjustment in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

(c) **Index Level Adjustment Correction**

- (i) If, within thirty days of publication or at any time prior to an Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date in respect of which a Relevant Level will be used in any calculation or determination in respect of such Observation Date, the Calculation Agent determines that the Index Sponsor has corrected the Relevant Level to correct a manifest error, the Calculation Agent may make any adjustment to the final Redemption Amount, interest payable under the Notes (if any) and/or any other relevant term of the Notes as the Calculation Agent deems appropriate as a result of such correction and/or determine the amount (if any) that is payable as a result of that correction. The Issuer shall give notice to the holders of the Notes of any such adjustment and/or amount in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.
- (ii) If a Relevant Level is published or announced at any time after the Cut-Off Date in respect of an Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date in respect of which a Substitute Index Level was determined, the Calculation Agent may either (A) determine that such Relevant Level shall not be used in any calculation or determination under the Notes and that the Substitute Index Level shall be deemed to be the definitive Relevant Level for the relevant Reference Month, or (B) make any adjustment to the final Redemption Amount, interest payable under the Notes (if any) and/or any other relevant term of the Notes as it deems appropriate as a result of the announcement or publication of the Relevant Level and/or determine the amount (if any) that is payable as a result of such publication or announcement. The Issuer shall give notice to the holders of the Notes of any determination in respect of (A) or (B), together with any adjustment or amount in respect thereof, in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

(iii) **Currency**

If the Calculation Agent determines that any event occurs affecting the Specified Currency (whether relating to its convertibility into other currencies or otherwise) which the Calculation Agent determines necessitates an adjustment or adjustments to the final Redemption Amount, and/or any other relevant term of the Notes (including the date on which any amount is payable by the Issuer), the Calculation Agent may make such adjustment or adjustments to the final Redemption Amount, interest payable under the Notes (if any) and/or any other relevant term of the Notes as the Calculation Agent deems necessary. The Calculation Agent shall give notice to the holders of the Notes of any such adjustment in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

(d) **Rebasing**

If the Calculation Agent determines that the Index has been or will be rebased at any time, the Index as so rebased (the **Rebased Index**) will be used for purposes of determining the Relevant Level from the date of such rebasing; provided, however, that the Calculation Agent may make (A) if Related Bond is specified as applicable in the applicable Final Terms, any adjustments as are made pursuant to the terms and conditions of the Related Bond, if any, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as before the rebasing, and/or (B) if Related Bond is specified as not applicable in the applicable Final Terms or a Related Bond Redemption Event has occurred, the Calculation Agent may make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Index before it was rebased, and in each case the Calculation Agent may make any adjustment(s) to the final Redemption Amount, interest payable under the Notes (if any) and/or any other term of the Notes as the Calculation Agent may deem necessary. If the Calculation Agent determines that neither (A) nor (B) above would produce a commercially reasonable result, the Calculation Agent may redeem each Note on a date notified by the Issuer to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, at its fair economic value as determined by the Calculation Agent (unless otherwise provided in the applicable Final Terms) as at the date of redemption taking into account the rebasing, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements (unless provided for otherwise in the applicable Final Terms). Notice of any adjustment, redemption of the Notes or determination pursuant to this paragraph shall be given to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

(e) **Index Modification**

- (i) If, in relation to Notes relating to a single Index or a basket of Indices on or prior to the Cut-Off Date in respect of any Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date, the Calculation Agent determines that an Index Modification has occurred the Calculation Agent may (A) if Related Bond is specified as applicable in the applicable Final Terms, make any adjustments to the Index, any Relevant Level and/or any other relevant term of the Notes (including, without limitation, the final Redemption Amount and/or interest payable under the Notes (if any)), consistent with any adjustments made to the Related Bond as the Calculation Agent deems necessary, or (B) if Related Bond is specified as not applicable in the Final Terms or a Related Bond Redemption Event has occurred, make only those adjustments to the relevant Index, any Relevant Level and/or any other term of the Notes (including, without limitation, the final Redemption Amount and/or interest payable under the Notes (if any)), as the Calculation Agent deems necessary for the modified Index to continue as the Index and to account for the economic effect of the Index Modification.
- (ii) If the Calculation Agent determines that an Index Modification has occurred at any time after the Cut-Off Date in respect of any Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date, the Calculation Agent may determine either to ignore such Index Modification for the purposes of any calculation or determination made by the Calculation Agent with respect to such Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date in which case the relevant Index Modification will be deemed to have occurred with respect to the immediately succeeding Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date such that the provisions of sub-paragraph (i) above will apply, or, notwithstanding that the Index Modification has occurred following the Cut-Off Date, to make any

adjustments as the Calculation Agent deems fit in accordance with sub-paragraph (i) above.

(f) **Index Cancellation**

If the Calculation Agent determines that an Index Cancellation has occurred, the Issuer may redeem each Note on the date notified by the Issuer to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, at its fair economic value (as determined by the Calculation Agent) as at the date of redemption taking into account the Index Cancellation, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements (unless provided for otherwise in the applicable Final Terms). Notice of any redemption of the Notes pursuant to this paragraph shall be given to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

(g) **Change in law**

If the Calculation Agent determines that a Change in Law has occurred, the Issuer may redeem each Note on the date notified by the Issuer to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, at its fair economic value (as determined by the Calculation Agent) as at the date of redemption taking into account the Change in Law, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements (unless provided for otherwise in the applicable Final Terms). Notice of any redemption of the Notes pursuant to this paragraph shall be given to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

- (a) If **Omission** is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant level provided that, if through the operation of this provision no Averaging Date would occur, then the provisions of the definition of Valuation Date will apply for purposes of determining the Relevant Level on the final Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if **Postponement** is specified as applying in the applicable Final Terms, then the provisions of the definition of Valuation Date will apply for the purposes of determining the relevant level on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if **Modified Postponement** is specified as applying in the applicable Final Terms then:
 - (i) where the Notes are Inflation Linked Notes relating to a single Index, the Averaging Date shall be the first succeeding Valid Date (as defined below). If the first succeeding Valid Date has not occurred for consecutive Scheduled Trading Days equal in number to the Specified Maximum Days of Disruption (up to the Relevant Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading

Day shall be deemed to be the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level for that Averaging Date in accordance with sub-paragraph (a) of the definition of Valuation Date below;

- (ii) where the Notes are Inflation Linked Notes relating to a basket of Indices, the Averaging Date for the Index not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (the **Scheduled Averaging Date**) and the Averaging Date for an Index affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date (as defined below) in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred for consecutive Scheduled Trading days equal in number to the Specified Maximum Days of Disruption (up to the Relevant Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date) in respect of such Index, and (B) the Calculation Agent shall determine the relevant level for that Averaging Date in accordance with sub-paragraph (b) of the definition of Valuation Date below; and
- (iii) for the purposes of these Conditions **Valid Date** means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not or is not deemed to occur.

If the Index relates to the level of inflation across the European Monetary Union, the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Germany,

Italy or Spain, and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Calculation Agent will select the Fallback Bond from those inflation-linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems the Calculation Agent will select a new Fallback Bond on the same basis, but selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).

If a bond is selected as the Related Bond in the applicable Final Terms and that bond redeems or matures before the relevant Maturity Date, unless "Fallback Bond: Not Applicable" is specified in the applicable Final Terms, the Calculation Agent shall use the Fallback Bond for any Related Bond determination.

Related Bond Redemption Event means, if specified as applicable in the applicable Final Terms, at any time prior to the Maturity Date, (i) the Related Bond is redeemed, repurchased or cancelled, (ii)

the Related Bond becomes repayable prior to its stated date of maturity for whatever reason, or (iii) the issuer of the Related Bond announces that the Related Bond will be redeemed, repurchased or cancelled prior to its stated date of maturity.

If such day is a Disrupted Day, then:

- (a) where the Notes are Inflation Linked Notes relating to a single Index, the Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the consecutive Scheduled Trading Days equal in number to the Specified Maximum Days of Disruption immediately following the Scheduled Valuation Date is a Disrupted Day. In that case, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Valuation Date, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Relevant Level in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the Relevant Level in accordance with its good faith estimate of the value for the Relevant Level as of the Relevant Time on the last such consecutive Scheduled Trading Day; or

If any such day is a Disrupted Day, then:

- (a) If **Omission** is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant Settlement Rate provided that, if through the operation of this provision no Averaging Date would occur, then the provisions of the definition of Valuation Date will apply for purposes of determining the relevant level, price or amount on the final Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if **Postponement** is specified as applying in the applicable Final Terms, then the provisions of the definition of Valuation Date will apply for the purposes of determining the relevant level, price or amount on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if **Modified Postponement** is specified as applying in the applicable Final Terms then:
 - (i) where the Notes are Currency Linked Notes relating to a single Exchange Rate, the Averaging Date shall be the first succeeding Valid Date (as defined below). If the first succeeding Valid Date has not occurred for consecutive Scheduled Trading Days equal in number to the Specified Maximum Days of Disruption (up to the Relevant Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed to be the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (a) of the definition of Valuation Date below;

If the first succeeding Valid Date in relation to such Exchange Rate has not occurred for consecutive Scheduled Trading days equal in number to the Specified Maximum Days of Disruption (up to the Relevant Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date) in respect of such Exchange Rate, and (B) the Calculation Agent shall determine the relevant level, price or amount

for that Averaging Date in accordance with sub-paragraph (b) of the definition of Valuation Date below; and

Observation Date means each date specified as an Observation Date in the applicable Final Terms, or if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day unless, in the opinion of the Calculation Agent, any such day is a Disrupted Day. If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Observation Date".

Valuation Date means the Coupon Valuation Date and/or the Redemption Valuation Date, as the case may be, specified in the applicable Final Terms or, if such day is not a Scheduled Trading Day, the immediately succeeding Scheduled Trading Day unless, in the opinion of the Calculation Agent, such day is a Disrupted Day. If such day is a Disrupted Day, then:

- (a) where the Notes are Currency Linked Notes relating to a single Exchange Rate, the Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the consecutive Scheduled Trading Days equal in number to the Specified Maximum Days of Disruption immediately following the Scheduled Valuation Date is a Disrupted Day. In that case, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Valuation Date, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Settlement Rate in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the Settlement Rate in accordance with its good faith estimate of the value for the Settlement Rate as of the Relevant Time on the last such consecutive Scheduled Trading Day; or

In that case, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Valuation Date for the Affected Item, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Settlement Rate using, in relation to the Affected Item, the level or value as applicable, determined in the manner set out in the applicable Final Terms, or, if not set out or if not practicable, using its good faith estimate of the value for the Affected Item as of the Relevant Time on the last such consecutive Scheduled Trading Day),

(b) **Tax Disruption**

If the Calculation Agent determines in good faith that a Tax Disruption has occurred or exists in respect of an Observation Date, Averaging Date, Knock-in Determination Date or Knock-out Determination Date, the Calculation Agent shall determine if such Tax Disruption has a material effect on the Notes and if so (i) shall effect any adjustments that it deems in good faith necessary to the terms and conditions of the Notes or, if it determines that such adjustments cannot be made, (ii) on giving notice to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of such Note, less the cost to the Issuer of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. - (ii) for Basket Bond Linked Notes, (i) the Aggregate Nominal Amount, (ii) the Reference Portfolio Notional Amount and (iii) the Aggregate Loss Amount;

For the avoidance of doubt, any other amount calculation of which depends on the above amounts will be re-calculated accordingly.

(d) **Hedging Disruption - Increased Cost of Hedging - Change in Law - Merger of a Bond Issuer and the Issuer or any of its Affiliates – Consequences - Monetisation until the Maturity Date**

- (i) Hedging Disruption, Increased Cost of Hedging

Hedging Disruption means that the Issuer and/or any of its Affiliates is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the Bond price risk, or any other relevant price risk including, but not limited to, the interest rate, equity and currency risk of the Issuer issuing and performing its obligations with respect to the Notes, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

Increased Cost of Hedging means that the Issuer and/or any of its Affiliates would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the Bond price risks (or any

other relevant price risk including, without limitation, equity and credit price risk, foreign exchange risk, interest rate risk, and any other price risks) of the Issuer issuing and performing its obligations with respect to the Notes, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates shall not be deemed an Increased Cost of Hedging.

(ii) Change in Law

Change in Law means that, on or after the Trade Date (as specified in the applicable Final Terms) (A) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (B) due to the promulgation of any change in the interpretation by any court, tribunal or regulatory authority, the Issuer determines in its sole and absolute discretion that it is unable to perform its obligations in respect of the Notes or it has become illegal to hold, acquire or dispose of any relevant hedge positions in respect of the Notes.

(iii) Merger of a Bond Issuer and the Issuer or any of its Affiliates

Merger of a Bond Issuer and the Issuer or any of its Affiliates means, in respect of Single Bond Linked Notes or Basket Bond Linked Notes, that (i) the Issuer or any of its Affiliates consolidates or amalgamates with, or merges into, or transfers all or substantially all its assets to, a Bond Issuer or (ii) a Bond Issuer consolidates or amalgamates with, or merges into, or transfers all or substantially all its assets to the Issuer or any of its Affiliates, or (iii) the Issuer or any of its Affiliates and a Bond Issuer become Affiliates.

(iv) Consequences

Upon the occurrence of an Exceptional Event Date, the Issuer may decide to either:

- (A) consider such event as an event triggering an early redemption of the Notes (hereafter, an **Early Redemption Event**). In the case where an Early Redemption Event occurs, the Issuer shall terminate its obligations under the Notes and shall pay or cause to be paid an Early Redemption Amount on the basis of the Fair Market Value as defined in Condition 6.7; or
- (B) if the relevant Exceptional Event is related to one or several affected Bonds (the **Affected Bond(s)**), replace the Affected Bond(s) by a new bond (or new bonds, as relevant) which is (respectively are each) a Similar Bond; or
- (C) apply the Monetisation until the Maturity Date;

Or, but only in the case of Increased Cost of Hedging:

- (D) deduct:
 - I. from the Interest Amount (if any) due under the Notes on the Interest Payment Date(s) following the occurrence of the Increased Cost of Hedging, the amount of any new, or any increase of, any tax, duty, expense or fee, that triggered the occurrence of the Increased Cost of Hedging incurred by the Issuer or any of its Affiliates in relation

to the Hedge Positions hedging the payment obligations of the Issuer under the Notes, such amount to be apportioned *pro rata* amongst the outstanding Notes (the **Reduction Amount**); PROVIDED THAT if on an Interest Payment Date on which a Reduction Amount shall be deducted from the Interest Amount, the Reduction Amount in respect of each Note is greater than the Interest Amount due under each Note (prior to the deduction of the Reduction Amount) on such Interest Payment Date, the Interest Amount will be reduced to zero and the difference between the Reduction Amount and the Interest Amount (prior to the deduction of the Reduction Amount) will be deducted from the Interest Amount due on one or more of the following Interest Payment Date(s) (if any), and if a Reduction Amount has not been deducted in whole or in part on the last Interest Payment Date under the Notes, the remaining Reduction Amount will be deducted from the Optional Redemption Amount (if any), the Automatic Early Redemption Amount (if any), the Early Redemption Amount (if any) or the Final Redemption Amount, whichever comes first (the reduction of such deduction being floored at zero); or

- II. in the absence of any Interest Amount under the Notes, (a) from the Optional Redemption Amount (if any), the Automatic Early Redemption Amount (if any) or the Early Redemption Amount (if any), due under the Notes on the Optional Redemption Date (if any), the Automatic Early Redemption Date (if any) or the payment date of the Early Redemption Amount (if any), whichever comes first, and (b) in the absence of any Optional Redemption Amount, Automatic Early Redemption Amount and Early Redemption Amount in respect of the Notes, from the Final Redemption Amount due on the Maturity Date, in each case after the occurrence of the Increased Cost of Hedging, the Reduction Amount (the result of such deduction being floored at zero).

Following the occurrence of an Exceptional Event Date, the Calculation Agent shall notify the Issuer, which shall in its turn notify the Noteholders pursuant to the provisions of Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, of the relevant adjustment made or decision taken by the Calculation Agent. Details of any adjustment made or decision taken may be obtained by the Noteholders upon request at the Calculation Agent's specified address.

- (v) Monetisation until the Maturity Date

The Issuer will no longer be liable for any payment, on the Maturity Date or any Interest Payment Date, but instead will, in full and final satisfaction of its obligations pay an amount as described in Conditions 26.1(d)(v)(A) and 26.1(d)(v)(B) below:

- (A) In respect of the redemption of Notes whose Final Redemption Amount as defined in the applicable Final Terms could be as low as zero:

In accordance with the provisions of Condition 26.1(d)(v) above, the Issuer will pay on the Maturity Date an amount per Note, determined by the Calculation Agent, with a minimum of zero, based on (a) the net positive cash amount that the Issuer or any of its Affiliates would be left with on the Full Liquidation Date, as a result of liquidating the Hedge Positions (*inter*

alia by meeting the obligations and liabilities of the Hedge Positions, if any, with the liquidation proceeds of the assets of the Hedge Positions) minus (b) the Associated Costs (the result of this difference (a) minus (b) each converted if necessary in the Specified Currency using the Relevant Spot Exchange Rate on the Full Liquidation Date, is a **Calculation Amount** for the purposes of this provision and of the Compounding Method together with (c) interest that would have accrued on such Calculation Amount pursuant to the Compounding Method, during the period (which for the purposes of this provision and of the Compounding Method shall be a **Calculation Period**) between (x) the Full Liquidation Date (included) and (y) the Maturity Date (excluded); for the avoidance of doubt, the liquidation proceeds of any assets held by the Issuer or any of its Affiliates as Hedge Positions shall be deemed to be used in priority to extinguish any liability, if any, incurred by the Issuer or any of its Affiliates under its Hedge Positions and the Calculation Amount mentioned above may be as low as zero; or

- (B) In respect of the redemption of Notes whose Final Redemption Amount as defined in the applicable Final Terms cannot be in any case lower than an amount strictly positive (the **Minimum Redemption Amount**):

In accordance with the provisions of Condition 26.1(d)(v) above, the Issuer will pay on the Maturity Date an amount per Note, determined by the Calculation Agent, equal to the sum of (a) the Minimum Redemption Amount and (b) an amount, equal to the positive difference, if any, between:

- I. the net positive cash amount that the Issuer or any of its Affiliates would be left with on the Full Liquidation Date, as a result of liquidating the Hedge Positions (*inter alia* by meeting the obligations and liabilities of the Hedge Positions, if any, with the liquidation proceeds of the assets of the Hedge Positions) minus (b) the Associated Costs (the result of this difference (a) minus (b), each converted if necessary in the Specified Currency using the Relevant Spot Exchange Rate on the Full Liquidation Date, is a **Calculation Amount** for the purposes of this provision and of the Compounding Method) together with (c) interest that would have accrued on such Calculation Amount pursuant to the Compounding Method, during the period (which for the purposes of this provision and of the Compounding Method shall be a **Calculation Period**) between (x) the Full Liquidation Date (included) and (y) the Maturity Date (excluded); and
- II. an amount equal to the Minimum Redemption Amount; for the avoidance of doubt, the liquidation proceeds of any assets held by the Issuer or any of its Affiliates as Hedge Positions shall be deemed to be used in priority to extinguish any liability, if any, incurred by the Issuer or any of its Affiliates under its Hedge Positions and the Calculation Amount mentioned above may be as low as zero.

The Calculation Agent will determine from the Full Quotations, the Weighted Average Quotation, the Partial Weighted Average Quotation or the Residual Quotation Amount (each as defined below), the Bond Final Price. For the avoidance of doubt, the Bond Final Price, as determined by the Calculation Agent, is based on obtained Quotations, without any obligation by the Calculation Agent to actually realise any sale transaction in relation to such Quotations.

To such end:

- (a) if the Calculation Agent obtains at least one Full Quotation and/or one Weighted Average Quotation on the First Quotation Day, the Bond Final Price will be the highest Quotation of the Full Quotation(s) or Weighted Average Quotation(s) obtained (if any) by the Calculation Agent;

- (c) if the Calculation Agent obtains quotations for an aggregate amount lower than the Quotation Amount on the Second Quotation Day, then on the Third Quotation Day it will attempt to obtain several firm bid quotations from Quotation Dealers in order to establish a Partial Weighted Average Quotation in respect of an amount equal to the Residual Quotation Amount. If the Calculation Agent is unable to establish on the Third Quotation Day a Partial Weighted Average Quotation in respect of an amount equal to the Residual Quotation Amount, it will, until obtaining a Partial Weighted Average Quotation in respect of an amount equal to the Residual Quotation Amount, on each Quotation Day during the Auction Period, attempt to obtain several firm bid quotations from Quotation Dealers in order to establish a Partial Weighted Average Quotation in respect of an amount equal to the Residual Quotation Amount. For the avoidance of doubt, once a Partial Weighted Average Quotation is obtained on either the Third Quotation Day or on any Quotation Day in the Auction Period there will be no obligation on the Calculation Agent to seek a further Partial Weighted Average Quotation. The Bond Final Price will then be the weighted average of (i)

the firm bid quotations obtained on the Second Quotation Day (if any) and (ii) the Partial Weighted Average Quotation (if any) for the portion equal to the Residual Quotation Amount and (iii) zero for any remaining amount for which no quotation was obtained.

 - (ii) a reduction in the amount of principal or premium payable at redemption (including by way of redenomination);
 - (iii) a postponement or other deferral of a date or dates for either (a) the payment or accrual of interest, or (b) the payment of principal or premium;

 - (iv) the occurrence of, agreement to or announcement of any of the events described in paragraphs (a)(i) to (a)(v) above in circumstances where such event does not directly or indirectly result from a deterioration in the creditworthiness or financial condition of the Bond Issuer, provided that in respect of paragraph (a)(v) above only, no such deterioration in the creditworthiness or financial condition of the Bond Issuer is required where the redenomination is from euros into another currency and occurs as a result of action taken by a Governmental Authority of a Member State of the European Union which is of general application in the jurisdiction of such Governmental Authority.
- (c) For the purposes of paragraphs (a) and (b) above and Multiple Holder Obligation, the term Obligation shall be deemed to include Underlying Obligations for which the Bond Issuer is acting as provider of a Guarantee. In the case of a Guarantee and an Underlying Obligation, references to the Bond Issuer in paragraph (a) above shall be deemed to refer to the Underlying Obligor and the reference to the Bond Issuer in paragraph (b) above shall continue to refer to the Bond Issuer.
- (d) If an exchange has occurred, the determination as to whether one of the events described under paragraphs (a)(i) to (a)(v) above has occurred will be based on a comparison of the terms of the Bond immediately prior to such exchange and the terms of the resulting obligations immediately following such exchange.
- (e) Unless Multiple Holder Obligation is specified as not applicable in the related Confirmation, then, notwithstanding anything to the contrary above, the occurrence of, agreement to or announcement of any of the events described in paragraphs (a)(i) to (a)(v) above shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

Disrupted Day means any day on which a Market Disruption Event has occurred.

The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been a Knock-in Determination Day, a Knock-out Determination Day or a Valuation Date.

26.5 Knock-in Event and Knock-out Event

If Knock-in Event is specified as applicable in the Final Terms, then, unless otherwise specified in such Final Terms, amendment to the terms of the Notes (as specified in the applicable Final Terms) and/or payment under the relevant Notes subject to a Knock-in Event shall be conditional upon the occurrence of such Knock-in Event.

If Knock-out Event is specified as applicable in the Final Terms, then, unless otherwise specified in such Final Terms, amendment to the terms of the Notes (as specified in the applicable Final Terms) and/or payment under the relevant Notes subject to a Knock-out Event shall be conditional upon the occurrence of such Knock-out Event.

If the Knock-in Valuation Time or the Knock-out Valuation Time specified in the applicable Final Terms is the Valuation Time and if any Knock-in Determination Day or Knock-out Determination Day is a Disrupted Day, then such Knock-in Determination Day or Knock-out Determination Day will be deemed not to be a Knock-in Determination Day or Knock-out Determination Day for the purposes of determining the occurrence of a Knock-in Event or a Knock-out Event.

If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Knock-in Determination Day".

For the purposes of a Market Disruption, any Knock-out Determination Day will be treated as a Valuation Date and the provisions contained in the definition of "Valuation Date" set out below shall apply. If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Knock-out Determination Day".

27. ADDITIONAL PROVISIONS APPLICABLE TO RATE LINKED NOTES

This Condition 27 applies to Rate Linked Notes only. The Technical Annex set out on pages 492 to 527 of this Base Prospectus contains provisions relating to the formulae used to determine amounts payable under Rate Linked Notes. The applicable Final Terms must be read in conjunction with this Condition 27 and with the Technical Annex for full information on any Rate Linked Notes. The applicable Final Terms will specify the manner in which the performance of the Underlying Rate is to be determined as well as other relevant provisions, in accordance with this Condition 27 and the Technical Annex. In particular, the applicable Final Terms will identify the relevant Underlying Rate(s).

27.1 Payments on redemption

Payments due under a Rate Linked Note shall be determined in accordance with the Underlying Rate(s) and, where applicable, in accordance with the adjustment rules set out in this Condition 27 and specified as applicable in the applicable Final Terms. The Calculation Agent will determine the Underlying Rate, on or as soon as practicable after each Rate Determination Date (in the case of Screen Rate Determination or FBF Determination) or Reset Date (in the case of ISDA Determination), as applicable. The Calculation Agent will notify the Principal Paying Agent of the Underlying Rate as soon as practicable after calculating the same.

27.2 Underlying Rate Determination

The value of the Underlying Rate will be determined in the manner specified in the applicable Final Terms.

(a) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Underlying Rate is to be determined, the Underlying Rate will be the relevant Underlying ISDA Rate specified in the applicable Final Terms. For the purposes of these Rate Linked Note Conditions, **Underlying ISDA Rate** means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as "Calculation Agent" (as defined in the ISDA Definitions) for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (i) the Floating Rate Option is as specified in the applicable Final Terms;
- (ii) the Designated Maturity is a period specified in the applicable Final Terms; and
- (iii) the relevant Reset Date is as specified in the applicable Final Terms.

For the purposes of these Rate Linked Note Conditions, **Floating Rate**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions. A copy of the ISDA Definitions may be obtained from the Issuer.

(b) **Screen Rate Determination**

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Underlying Rate is to be determined, the Underlying Rate will, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate *per annum*) for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Relevant Financial Centre time indicated in the applicable Final Terms (which will be 11.00 a.m., Brussels time, in the case of EURIBOR) on the relevant Rate Determination Date, all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

In the event that the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the Relevant Financial Centre time, the Calculation Agent shall request each of the reference banks to provide it with its offered quotation (expressed as a percentage *per annum*) for the Reference Rate(s).

For the avoidance of doubt, if amounts under any Rate Linked Notes are to be calculated by reference to any Reference Rate in respect of which a Benchmark Event occurs, then the provisions of Conditions 6.2(b)(iv) and 9.12 of the Terms and Conditions of the French Law Notes or Conditions 4.2(b)(iv) and 6.12 of the Terms and Conditions of the English Law Notes, as applicable, shall apply and prevail over the provisions of this Condition 27.2(b).

(c) **FBF Determination**

- (i) Where FBF Determination is specified in the applicable Final Terms as the manner in which the Underlying Rate is to be determined, the Underlying Rate will be the relevant FBF Rate. For the purposes of these Rate Linked Note Conditions, **FBF Rate** means a rate equal to that which would have been payable (regardless of any event of default or termination event thereunder) by the Issuer if it had entered into an interest rate swap transaction governed by an agreement in the form of the Master Agreement relating to transactions on forward financial instruments incorporating the FBF Definitions (a **FBF Agreement**), as in effect on the date of issue of the Notes, published by the *Fédération Bancaire Française* (the **FBF**) and evidenced by a Confirmation (as defined in the FBF Agreement) with the holder of the relevant Note under which:

- (A) the Issuer was the Floating Amount Payer;

- (B) the Calculation Agent (as defined herein) was the Agent (as defined in the FBF Agreement) or as otherwise specified in the applicable Final Terms;
- (C) the lowest Specified Denomination was the Notional Amount;
- (D) the Rate Determination Dates were the Floating Amount Payment Dates; and
- (E) all other terms were as specified in the applicable Final Terms.

FBF Definitions means the definitions set out in the FBF Master Agreement as supplemented by the Technical Schedules (*Additifs Techniques*) as published by the FBF (a copy of which may be obtained free of charge on the FBF website at <https://www.fbf.fr/en/schedules-fbf-master-agreement-relating-to-transactions-on-forward-financial-instruments/>), unless otherwise specified in the relevant Final Terms.

- (ii) When paragraph (i) above applies, in respect of the relevant Rate Determination Date:
 - (A) the Underlying Rate(s) will be the Floating Rate (as defined in the FBF Agreement) determined by the Agent in accordance with paragraph (i) above; and
 - (B) the Agent will be deemed to have discharged its obligations under this Condition 27 if it has determined the Underlying Rate(s) in the manner provided in the preceding sentence.

27.3 Definitions

Averaging Date means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day unless, in the opinion of the Calculation Agent any such day is a Disrupted Day. If any such day is a Disrupted Day, then:

- (a) If **Omission** is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant Underlying Rate provided that, if through the operation of this provision no Averaging Date would occur, then the provisions of the definition of Valuation Date will apply for purposes of determining the relevant level, price or amount on the final Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if **Postponement** is specified as applying in the applicable Final Terms, then the provisions of the definition of Valuation Date will apply for the purposes of determining the relevant level, price or amount on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if **Modified Postponement** is specified as applying in the applicable Final Terms then:
 - (i) where the Notes relate to a single Underlying Rate, the Averaging Date shall be the first succeeding Valid Date (as defined below). If the first succeeding Valid Date has not occurred for consecutive Scheduled Trading Days equal in number to the Specified Maximum Days of Disruption (up to the Relevant Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final

Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed to be the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of Valuation Date below;

- (ii) where the Notes relate to a basket of Underlying Rates, the Averaging Date for the Underlying Rate(s) not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (the **Scheduled Averaging Date**) and the Averaging Date for an Underlying Rate affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date (as defined below) in relation to such Underlying Rate(s). If the first succeeding Valid Date in relation to such Underlying Rate(s) has not occurred for consecutive Scheduled Trading days equal in number to the Specified Maximum Days of Disruption (up to the Relevant Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date) in respect of such Underlying Rate, and (B) the Calculation Agent shall determine the relevant level, price or amount for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of Valuation Date below; and
- (iii) for the purposes of these Conditions **Valid Date** means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not or is not deemed to occur.

Disrupted Day means any Scheduled Trading Day on which the Calculation Agent determines that a Disruption Event has occurred.

Disruption Event means the occurrence of an event whereby it is impossible to determine the Underlying Rate(s) in the manner set out in Condition 27.2 above.

Observation Date means each date specified as an Observation Date in the applicable Final Terms, or if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day unless, in the opinion of the Calculation Agent, any such day is a Disrupted Day. If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Observation Date".

Observation Period means the period specified as the Observation Period in the applicable Final Terms.

Rate Determination Date means the date specified as such in the applicable Final Terms.

Relevant Time means the time specified as such in the applicable Final Terms.

Scheduled Trading Day means the relevant Scheduled Trading Day specified in the applicable Final Terms.

Specified Maximum Days of Disruption means eight (8) Scheduled Trading Days or such other number of Scheduled Trading Days specified in the applicable Final Terms.

Trade Date means the date specified as such in the applicable Final Terms.

Underlying Rate(s) means an applicable interest rate(s) specified as such in the applicable Final Terms.

Valuation Date means the Valuation Date specified in the applicable Final Terms or, if such day is not a Scheduled Trading Day, the immediately succeeding Scheduled Trading Day unless, in the opinion of the Calculation Agent, such day is a Disrupted Day. If such day is a Disrupted Day, then:

- (a) where the Notes relate to a single Underlying Rate, the Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the consecutive Scheduled Trading Days equal in number to the Specified Maximum Days of Disruption immediately following the Scheduled Valuation Date is a Disrupted Day. In that case, and unless otherwise specified in Condition 27.2, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Valuation Date, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Underlying Rate in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the Underlying Rate in accordance with its good faith estimate of the value for the Underlying Rate as of the Relevant Time on the last such consecutive Scheduled Trading Day; or
- (b) where the Notes relate to a basket of Underlying Rates, the Valuation Date for each Underlying Rate not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date, and the Valuation Date for each Underlying Rate, affected, as the case may be, (each an **Affected Item**) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Item unless each of the consecutive Scheduled Trading Days equal in number to the Specified Maximum Days of Disruption immediately following the Scheduled Valuation Date is a Disrupted Day relating to the Affected Item. In that case, and unless otherwise specified in Condition 27.2, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Valuation Date for the Affected Item, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Underlying Rate using, in relation to the Affected Item, the level or value as applicable, determined in the manner set out in the applicable Final Terms, or, if not set out or if not practicable, using its good faith estimate of the value for the Affected Item as of the Relevant Time on the last such consecutive Scheduled Trading Day.

27.4 Hedging Disruption – Increased Cost of Hedging – Change in Law – Consequences - Monetisation until the Maturity Date

(a) Hedging Disruption, Increased Cost of Hedging

Hedging Disruption means that the Issuer and/or any of its Affiliates is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the Underlying Rate level risk, or any other relevant level risk including, but not limited to, the interest rate, equity and currency risk of the Issuer issuing and performing its obligations in respect to the Notes, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

Increased Cost of Hedging means that the Issuer and/or any of its Affiliates would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the Underlying Rate level risks (or any other relevant level risk including, without limitation, equity and credit price risk, foreign exchange risk, interest rate risk, and

any other price risks) of the Issuer issuing and performing its obligations with respect to the Notes, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates shall not be deemed an Increased Cost of Hedging.

(b) **Change in Law**

Change in Law means that, on or after the Trade Date (as specified in the applicable Final Terms) (A) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (B) due to the promulgation of any change in the interpretation by any court, tribunal or regulatory authority, the Issuer determines in its sole and absolute discretion that it is unable to perform its obligations in respect of the Notes or it has become illegal to hold, acquire or dispose of any relevant hedge positions in respect of the Notes.

(c) **Consequences**

Upon the occurrence of an Exceptional Event Date, the Issuer may decide either to:

- (i) consider such event as an event triggering an early redemption of the Notes (hereafter, an **Early Redemption Event**). In the case where an Early Redemption Event occurs, the Issuer shall terminate its obligations under the Notes and shall pay or cause to be paid an Early Redemption Amount on the basis of the Fair Market Value as defined in Condition 6.7; or
- (ii) apply the Monetisation until the Maturity Date;

Or, but only in the case of Increased Cost of Hedging:

- (iii) deduct:
 - (A) from the Interest Amount (if any) due under the Notes on the Interest Payment Date(s) following the occurrence of the Increased Cost of Hedging, the amount of any new, or any increase of, any tax, duty, expense or fee, that triggered the occurrence of the Increased Cost of Hedging incurred by the Issuer or any of its Affiliates in relation to the Hedge Positions hedging the payment obligations of the Issuer under the Notes, such amount to be apportioned *pro rata* amongst the outstanding Notes (the **Reduction Amount**); PROVIDED THAT if on an Interest Payment Date on which a Reduction Amount shall be deducted from the Interest Amount, the Reduction Amount in respect of each Note is greater than the Interest Amount due under each Note (prior to the deduction of the Reduction Amount) on such Interest Payment Date, the Interest Amount will be reduced to zero and the difference between the Reduction Amount and the Interest Amount (prior to the deduction of the Reduction Amount) will be deducted from the Interest Amount due on one or more of the following Interest Payment Date(s) (if any), and if a Reduction Amount has not been deducted in whole or in part on the last Interest Payment Date under the Notes, the remaining Reduction Amount will be deducted from the Optional Redemption Amount (if any), the Automatic Early Redemption Amount (if any), the Early Redemption Amount (if any) or the Final Redemption Amount, whichever comes first (the reduction of such deduction being floored at zero); or

- (B) in the absence of any Interest Amount under the Notes, (a) from the Optional Redemption Amount (if any), the Automatic Early Redemption Amount (if any) or the Early Redemption Amount (if any), due under the Notes on the Optional Redemption Date (if any), the Automatic Early Redemption Date (if any) or the payment date of the Early Redemption Amount (if any), whichever comes first, and (b) in the absence of any Optional Redemption Amount, Automatic Early Redemption Amount and Early Redemption Amount in respect of the Notes, from the Final Redemption Amount due on the Maturity Date, in each case after the occurrence of the Increased Cost of Hedging, the Reduction Amount (the result of such deduction being floored at zero).

Following the occurrence of an Exceptional Event Date, the Calculation Agent shall notify the Issuer, which shall in its turn notify the Noteholders pursuant to the provisions of Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, of the relevant adjustment made or decision taken by the Calculation Agent. Details of any adjustment made or decision taken may be obtained by the Noteholders upon request at the Calculation Agent's specified address.

(d) **Monetisation until the Maturity Date**

The Issuer will no longer be liable for any payment, on the Maturity Date or any Interest Payment Date, but instead will, in full and final satisfaction of its obligations pay an amount as described in Conditions 27.4(d)(i) and 27.4(d)(ii) below:

- (i) In respect of the redemption of Notes whose Final Redemption Amount as defined in the applicable Final Terms could be as low as zero:

In accordance with the provisions of Condition 27.4(d) above, the Issuer will pay on the Maturity Date an amount per Note, determined by the Calculation Agent, with a minimum of zero, based on (a) the net positive cash amount that the Issuer or any of its Affiliates would be left with on the Full Liquidation Date, as a result of liquidating the Hedge Positions (*inter alia* by meeting the obligations and liabilities of the Hedge Positions, if any, with the liquidation proceeds of the assets of the Hedge Positions) minus (b) the Associated Costs (the result of this difference (a) minus (b) each converted if necessary in the Specified Currency using the Relevant Spot Exchange Rate on the Full Liquidation Date, is a **Calculation Amount** for the purposes of this provision and of the Compounding Method together with (c) interest that would have accrued on such Calculation Amount pursuant to the Compounding Method, during the period (which for the purposes of this provision and of the Compounding Method shall be a **Calculation Period**) between (x) the Full Liquidation Date (included) and (y) the Maturity Date (excluded); for the avoidance of doubt, the liquidation proceeds of any assets held by the Issuer or any of its Affiliates as Hedge Positions shall be deemed to be used in priority to extinguish any liability, if any, incurred by the Issuer or any of its Affiliates under its Hedge Positions and the Calculation Amount mentioned above may be as low as zero; or

- (ii) In respect of the redemption of Notes whose Final Redemption Amount as defined in the applicable Final Terms cannot be in any case lower than an amount strictly positive (the **Minimum Redemption Amount**):

In accordance with the provisions of Condition 27.4(d) above, the Issuer will pay on the Maturity Date an amount per Note, determined by the Calculation Agent, equal to the sum of (a) the Minimum Redemption Amount and (b) an amount, equal to the positive difference, if any, between:

- (A) the net positive cash amount that the Issuer or any of its Affiliates would be left with on the Full Liquidation Date, as a result of liquidating the Hedge Positions (*inter alia* by meeting the obligations and liabilities of the Hedge Positions, if any, with the liquidation proceeds of the assets of the Hedge Positions) minus (b) the Associated Costs (the result of this difference (a) minus (b), each converted if necessary in the Specified Currency using the Relevant Spot Exchange Rate on the Full Liquidation Date, is a **Calculation Amount** for the purposes of this provision and of the Compounding Method) together with (c) interest that would have accrued on such Calculation Amount pursuant to the Compounding Method, during the period (which for the purposes of this provision and of the Compounding Method shall be a **Calculation Period**) between (x) the Full Liquidation Date (included) and (y) the Maturity Date (excluded); and
- (B) an amount equal to the Minimum Redemption Amount; for the avoidance of doubt, the liquidation proceeds of any assets held by the Issuer or any of its Affiliates as Hedge Positions shall be deemed to be used in priority to extinguish any liability, if any, incurred by the Issuer or any of its Affiliates under its Hedge Positions and the Calculation Amount mentioned above may be as low as zero.

Definitions applicable to this Condition:

Associated Costs means an amount determined by the Issuer in its reasonable discretion equal to the sum of (without duplication) all costs (including, without limitation, cost of funding), losses, expenses, tax and duties incurred by the Issuer or any of its Affiliates in connection with the termination, liquidation or re-establishment of the Hedge Positions, such amount to be apportioned *pro rata* the outstanding Notes;

(e) **Automatic Early Redemption**

(i) If Automatic Early Redemption Event is specified as applicable in the Final Terms, then unless previously redeemed or purchased and cancelled, if on any Automatic Early Redemption Valuation Date, an Automatic Early Redemption Event occurs, then the Notes will be automatically redeemed in whole, but not in part, on the Automatic Early Redemption Date immediately following such Automatic Early Redemption Valuation Date and the Early Redemption Amount payable by the Issuer on such date upon redemption of each Note shall be an amount equal to the relevant Automatic Early Redemption Amount.

(ii) For the purposes of this Condition 27:

If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Automatic Early Redemption Valuation Date".

27.5 Knock-in Event and Knock-out Event

If Knock-in Event is specified as applicable in the Final Terms, then, unless otherwise specified in such Final Terms, amendment to the terms of the Notes (as specified in the applicable Final Terms) and/or payment under the relevant Notes subject to a Knock-in Event shall be conditional upon the occurrence of such Knock-in Event.

If the Knock-in Valuation Time or the Knock-out Valuation Time specified in the applicable Final Terms is the Valuation Time and if any Knock-in Determination Day or Knock-out Determination Day is a Disrupted Day, then such Knock-in Determination Day or Knock-out Determination Day will be deemed not to be a Knock-in Determination Day or Knock-out Determination Day for the purposes of determining the occurrence of a Knock-in Event or a Knock-out Event.

If the Knock-in Valuation Time or the Knock-out Valuation Time specified in the applicable Final Terms is any time or period of time during any Knock-in Determination Day or Knock-out Determination Day and at any time during the one hour period that begins and/or ends at the time on which the Knock-in Level or the Knock-out Level has been triggered, a Market Disruption Event occurs or exists, then the Knock-in Event or the Knock-out Event shall be deemed not to have occurred.

For the purposes of this Condition 27:

Knock-in Determination Day means a day specified as such in the applicable Final Terms, or each Scheduled Trading Day during the Knock-in Determination Period subject to, in either case, the provisions of "Market Disruption" set out in Condition 27.6 below. For the purposes of a Market Disruption, any Knock-in Determination Day will be treated as a Valuation Date and the provisions contained in the definition of "Valuation Date" set out above shall apply. If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Knock-in Determination Day".

Knock-out Level means a level determined as such in the applicable Final Terms, subject to adjustment from time to time in accordance with the provisions of "Market Disruption" set out in Condition 27.6 below.

Knock-out Determination Day means a day specified as such in the applicable Final Terms, or each Scheduled Trading Day during the Knock-out Determination Period subject to, in either case, the provisions of "Market Disruption" set out in Condition 27.6 below. For the purposes of a Market Disruption, any Knock-out Determination Day will be treated as a Valuation Date and the provisions contained in the definition of "Valuation Date" set out below shall apply. If any such day is a Disrupted Day, then the provisions relating to "Omission", "Postponement" or "Modified Postponement", as the case may be, contained in the definition of "Averaging Date" shall apply *mutatis mutandis* as if references in such provisions to "Averaging Date" were to "Knock-out Determination Day".

Knock-out Determination Period means the period which commences on, and includes, the Knock-out Period Beginning Date and ends on, and includes, the Knock-out Period Ending Date.

Knock-out Period Beginning Date means the date specified as such in the applicable Final Terms or, if such date is not a Scheduled Trading Day, the next following Scheduled Trading Day.

27.6 Market Disruption

Market Disruption Event means, in relation to Notes relating to a single Underlying Rate or a basket of Underlying Rates, the occurrence or existence of a specific circumstance or a combination of circumstances, which in either case the Calculation Agent determines is material and which objectively prevents it from determining whether a Knock-in or Knock-out Event has occurred, at any time during the one hour period that (a) for the purposes of the occurrence of a Knock-in Event or a Knock-out Event begins or ends at the time on which the level of the Underlying Rate(s) triggers respectively the Knock-in Level or the Knock-out Level or (b) in all other circumstances ends at the relevant Valuation Time.

The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been a Knock-in Determination Day, a Knock-out Determination Day or a Valuation Date.

28. ADDITIONAL PROVISIONS APPLICABLE TO FUTURE LINKED NOTES

This Condition 28 applies to Future Linked Notes only. The Technical Annex set out on pages 492 to 527 of this Base Prospectus contains provisions relating to the formulae used to determine the pay-off under Future Linked Notes. The applicable Final Terms contains provisions applicable to the determination of the performance of the relevant Future or Futures as well as other relevant provisions and must be read in conjunction with this Condition 28 and with the Technical Annex for full information on any Future Linked Notes.

28.1 Market Disruption Event, Disrupted Days and Consequences

Market Disruption Event means, in relation to a Future, the occurrence or existence of any of the following events: (i) a Failure to Publish, (ii) a Trading Disruption, (iii) an Exchange Disruption or (iv) an Early Closure.

(a) Consequences of the occurrence of Disrupted Days

If an Observation Date is a Disrupted Day, then:

(i) In the case of Future Linked Notes relating to a single Future, the Calculation Agent may:

- (A) postpone the Observation Date, in which case the Observation Date will be the first immediately succeeding Scheduled Trading Day that is not a Disrupted Day (the **Future Determination Date**), unless each consecutive Scheduled Trading Day up to and including the Disruption Longstop Date is a Disrupted Day, in which case (I) the Disruption Longstop Date shall be deemed to be the Observation Date, notwithstanding the fact that such day is a Disrupted Day and (II) the Calculation Agent shall determine its good faith estimate of the value for the relevant Future as of the Daily Fixing Time on the Disruption Longstop Date; or
- (B) determine the value for the relevant Future (or a method for determining an such value) for such day, taking into consideration the latest available quotation for the relevant Future and any other information that in good faith it deems relevant,

with each such value so determined being used as the relevant Future Price.

(ii) In the case of Future Linked Notes relating to a Basket of Futures:

- (A) for each Future not affected by the occurrence of a Disrupted Day, the Observation Date shall be the Scheduled Observation Date; and
- (B) for each Future affected (each an **Affected Future**) by the occurrence of a Disrupted Day, the Calculation Agent may:
 - I. postpone the Observation Date, in which case the Observation Date will be the Future Determination Date relating to such Affected Future, unless each consecutive Scheduled Trading Day up to and including the Disruption Longstop Date is a Disrupted Day relating to such Affected Future, in which case (1) the Disruption Longstop Date shall be deemed to be the Observation Date, notwithstanding

the fact that such day is a Disrupted Day relating to the relevant Affected Future and (2) the Calculation Agent shall determine its good faith estimate of the value for the relevant Affected Future as of the Daily Fixing Time on the Disruption Longstop Date; in case of multiple Affected Futures, the latest Future Determination Date will be the Future Determination Date for the purpose of Condition 28.1(a)(iii) below; or

- II. determine the value for the relevant Affected Futures (or a method for determining such value) for such day, taking into consideration the latest available quotation for the relevant Future and any other information that in good faith it deems relevant,

with each such value so determined being used as the value for the relevant Affected Future.

- (iii) Unless the Notes are redeemed early in accordance with these Conditions, if the determination of (A) the Interest Amount; or (B) (I) the Final Redemption Amount or (II) the Early Redemption Amount, as the case may be, is postponed as a result of the occurrence of a Disrupted Day, then:
 - (A) payment of any such amount (the **Affected Amount**) will be made on the scheduled date for payment of such amount or, if later, on the date falling two (2) Payment Extension Days (or such other number of Payment Extension Days as specified in the applicable Final Terms) following the earlier to occur of (i) the Future Determination Date; and (ii) the Disruption Longstop Date; and
 - (B) such Affected Amount shall be paid without any interest or other sum payable in respect of the postponement of the payment of the Affected Amount.
- (iv) If the Calculation Agent is not able to or does not determine the Future Price in accordance with Condition 28.1(a)(i) or Condition 28.1(a)(ii) above, as the case may be, or if such determination would not, in the opinion of the Calculation Agent, account for such Market Disruption Event:
 - (A) the Calculation Agent may make such adjustments to any of the Conditions as it considers appropriate to account for any such Disrupted Day and determine the date(s) on which any such adjustments will be effective. In making any such adjustments, the Calculation Agent may take into account the equivalent adjustment(s) which would be made to an equity derivative transaction in the market following the relevant event occurring and where the Calculation Agent deems appropriate (in its sole and absolute discretion), adjust the Conditions to give effect to such adjustment(s); or
 - (B) if the Calculation Agent is not able to or does not determine any adjustments for the purposes of sub-paragraph (iv)(A) above, the Issuer may, in its sole and absolute discretion, upon giving notice to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the Market Disruption Event less the cost to the Issuer and/or its affiliates of unwinding any underlying related hedging

Averaging Date means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day unless, in the opinion of the Calculation Agent any such day is a Disrupted Day. If any such day is a Disrupted Day, then:

- (i) If "Omission" is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant Future Price provided that, if through the operation of this provision no Averaging Date would occur, then the provisions of the definition of Valuation Date will apply for purposes of determining the relevant price or amount on the final Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day; or
- (ii) if "Postponement" is specified as applying in the applicable Final Terms, then the provisions of the definition of Valuation Date will apply for the purposes of determining the relevant price or amount on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date for the relevant Future; or
- (iii) if "Modified Postponement" is specified as applying in the applicable Final Terms, then:
 - (A) where the Notes are Future Linked Notes relating to a single Future, the Averaging Date shall be the first succeeding Valid Date (as defined below). If the first succeeding Valid Date has not occurred for consecutive Scheduled Trading Days equal in number to the Maximum Days of Disruption (up to the Valuation Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed to be the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (a) of the definition of Valuation Date below;
 - (B) where the Notes are Future Linked Notes relating to a Basket of Futures, the Averaging Date for the Future not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (the **Scheduled**

Averaging Date) and the Averaging Date for a Future affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date (as defined below) in relation to such Future. If the first succeeding Valid Date in relation to such Future, has not occurred for consecutive Scheduled Trading days equal in number to the Maximum Days of Disruption (up to the Valuation Time on the last such consecutive Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date) in respect of such Future, and (B) the Calculation Agent shall determine the relevant price or amount for that Averaging Date in accordance with sub-paragraph (b) of the definition of Valuation Date below; and

- (C) for the purposes of these Conditions **Valid Date** means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not or is not deemed to occur.

- (i) Consequences of the occurrence of a Potential Adjustment Event

Following the occurrence of any Potential Adjustment Event in relation to a Future, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Future or Basket of Futures.

- (A) If so, the Calculation Agent may:

- I. make the corresponding adjustment, if any, to be made to the elements relating to the Future used to determine any settlement or payment terms under the Notes and/or adjust any other terms of the Notes as it determines appropriate to preserve the economic equivalent of the obligations of the Issuer under the Notes and
 - II. determine the effective date of that adjustment. The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by the relevant Exchange.
- (B) If the Calculation Agent is not able to or does not determine any adjustments for the purposes of sub-paragraphs (A) above, the Issuer may, in its sole and absolute discretion, upon giving notice to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the Potential Adjustment Event less the cost to the Issuer and/or its affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; payments will be made in such manner as shall be notified to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be.

- (A) If an Extraordinary Event occurs in relation to a Future on or after the Trade Date, the Issuer in its sole and absolute discretion may take, if applicable, any of the actions described in I., II. or III. below:
- I. require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the Conditions of the Notes to account for the relevant Extraordinary Event and determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the relevant Extraordinary Event made by any options exchange to options on the Futures traded on that options exchange.
 - II. By giving notice to Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the relevant Extraordinary Event(s) less the cost to the Issuer and/or its affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion.

III. In the case of Future Linked Notes relating to a Basket of Futures, on or after the date of the relevant Extraordinary Event, require the Calculation Agent to adjust the Basket of Futures by including futures selected by it in its sole and absolute discretion (the **Substitute Futures**) in place of the Affected Future(s), and the Substitute Futures will be deemed to be Futures for the purposes of the Notes, and the Calculation Agent will make such adjustment, if any, to the Conditions of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate; such substitution and the relevant adjustment to the Basket of Futures will be deemed to be effective as of the date selected by the Calculation Agent (the **Substitution Date**) in its sole and absolute discretion and specified in the notice referred to below which may, but need not, be the date of the relevant Extraordinary Event. Without prejudice to the foregoing, the Weighting of each Substitute Future (if any) will, to the extent practicable, be set equal to the Weighting of the relevant Affected Future.

(B) Upon the occurrence of an Extraordinary Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 13 of the English Law Notes or Condition 14 of the French Law Notes, as the case may be, stating the occurrence of the relevant Extraordinary Event, giving details thereof and the action proposed to be taken in relation thereto, including, in the case of a substitution of Futures, the identity of the Substitute Futures and the Substitution Date. With the exception of any corrections published after the day which is four Exchange Business Days prior to the due date for any payment under the Notes that is calculated by reference to the price of a Future, if the price of the relevant Future published on a given day and used or to be used by the Calculation Agent to make any determination under the Notes is subsequently corrected and the correction published by the relevant Exchange, the price to be used shall be the price of the relevant Future as so corrected. Corrections published after the day which is four Exchange Business Days prior to a due date for payment under the Notes that is calculated by reference to the price of a Future will be disregarded by the Calculation Agent for the purposes of determining the relevant amount to be paid.

The time at which this occurs is referred to as the **Relevant Time**. In those circumstances, each Relevant Account Holder will, subject to and in accordance with the terms of this Deed, acquire against the Issuer all those rights which the Relevant Account Holder would have had if, prior to the Relevant Time, duly executed and authenticated Definitive Notes (as defined in the Agency Agreement) had been issued in respect of its Underlying Notes and the Definitive Notes were held and beneficially owned by the Relevant Account Holder.

NOW THIS DEED WITNESSES as follows:

2. If at any time the bearer of the Global Note ceases to have rights under it in accordance with its terms, the Issuer covenants with each Relevant Account Holder (other than any Relevant Account Holder which is an account holder of any other Relevant Clearing System) that each Relevant Account Holder shall automatically acquire at the Relevant Time, without the need for any further action on behalf of any person, against the Issuer all those rights which the Relevant Account Holder would have had if at the Relevant Time it held and beneficially owned executed and authenticated Definitive Notes in respect of each Underlying Note represented by the Global Note which the Relevant Account Holder has credited to its securities account with the Relevant Clearing System at the Relevant Time.

4. In the event of a dispute, the determination of the Relevant Time by the Relevant Clearing System shall (in the absence of manifest error) be final and conclusive for all purposes in connection with the Relevant Account Holders with securities accounts with the Relevant Clearing System.
5. The Issuer undertakes in favour of each Relevant Account Holder that, in relation to any payment to be made by it under this Deed, it will comply with the provisions of Condition 7 of the English Law Terms and Conditions of the Notes scheduled to the Agency Agreement to the extent that they apply to any payments in respect of Underlying Notes as if those provisions had been set out in full in this Deed.
6. The Issuer will pay any stamp and other duties and taxes, including interest and penalties, payable on or in connection with the execution of this Deed and any action taken by any Relevant Account Holder to enforce the provisions of this Deed.
7. The Issuer represents, warrants and undertakes with each Relevant Account Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Deed, and that this Deed constitutes a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms subject to the laws of bankruptcy and other laws affecting the rights of creditors generally.
8. This Deed shall take effect as a Deed Poll for the benefit of the Relevant Account Holders from time to time. This Deed shall be deposited with and held by the common depositary for Euroclear and Clearstream (being at the date of this Deed BNP Paribas Securities Services, Luxembourg Branch at 60 avenue JF Kennedy, L-1855 Luxembourg (postal address: L-2085 Luxembourg)) until all the obligations of the Issuer under this Deed have been discharged in full.
9. The Issuer acknowledges the right of every Relevant Account Holder to the production of, and the right of every Relevant Account Holder to obtain (upon payment of a reasonable charge) a copy of, this Deed, and further acknowledges and covenants that the obligations binding upon it contained in this Deed are owed to, and shall be for the account of, each and every Relevant Account Holder, and that each Relevant Account Holder shall be entitled severally to enforce those obligations against the Issuer.
10. If any provision in or obligation under this Deed is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Deed,

and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Deed.

11.

- (a) This Deed and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, the laws of England.
- (b) Subject to 10(d) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed, including any dispute as to its existence, validity, interpretation, performance, breach or termination or the consequences of its nullity and any dispute relating to any non-contractual obligations arising out of or in connection with it (a **Dispute**) and each party submits to the exclusive jurisdiction of the English courts.
- (c) For the purposes of this clause 10, the Issuer waives any objection to the English courts on the grounds that they are inconvenient or inappropriate forum to settle any Dispute.
- (d) To the extent allowed by law, the Relevant Account Holders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction and (ii) concurrent proceedings in any number of jurisdictions.
- (e) The Issuer irrevocably appoints Crédit Industriel et Commercial, London Branch at its registered office at Finsbury Circus House, 15 Finsbury Circus, London, EC2M, 7EB as its agent under this Deed for service of process in any proceedings before the English courts in relation to any Dispute, and agrees that, in the event of Crédit Industriel et Commercial, London Branch ceasing so to act or ceasing to be registered in England it will appoint another person as its agent for service of process in England in respect of any Dispute. - 5.11 Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose by the Issuer and any minutes signed by the Chairman of the meeting at which any resolution was passed or proceedings had shall be conclusive evidence of the matters contained in them and, until the contrary is proved, every meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had at the meeting to have been duly passed or had.

SCHEDULE 6

FORMS OF GLOBAL AND DEFINITIVE NOTES, RECEIPTS, AND COUPONS AND TALONS

PART 1 OF SCHEDULE 6

FORM OF TEMPORARY GLOBAL NOTE

CREDIT INDUSTRIEL ET COMMERCIAL

TEMPORARY GLOBAL NOTE

This Global Note is a Temporary Global Note in respect of a duly authorised issue of Notes (the **Notes**) of CREDIT INDUSTRIEL ET COMMERCIAL (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 21 June 2022 and made between the Issuer, BNP Paribas Securities Services, Luxembourg Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay, or deliver, to the bearer of this Global Note on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable or relevant Asset Amount deliverable, as the case may be, under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided below.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time (which statement shall be made available to the bearer upon request) shall, save in the case of manifest error, be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the Final Terms

or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2, 3 or 4 of Schedule One or in Schedule Two.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled or by the amount of such instalment so paid.

Payments, or delivery, due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment, or delivery so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Prior to the Exchange Date (as defined below), all payments, or deliveries (if any) on this Global Note will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Global Note will not be entitled to receive any payment of interest due on or after the Exchange Date unless upon due certification exchange of this Global Note is improperly withheld or refused.

On or after the date (the Exchange Date) which is 40 days after the Issue Date this Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms, either (a) security printed Definitive Notes and (if applicable) Coupons, Receipts and Talons in the form set out in Part 3, Part 4, Part 5 and Part 6 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons, Receipts and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes) or (b) either, (i) if the Final Terms indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note, or (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, a Permanent Global Note, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 6 to the Agency Agreement (together with the Final Terms attached to it), in each case upon notice being given by a relevant Clearing System acting on the instructions of any holder of an interest in this Global Note.

If Definitive Notes and (if applicable) Coupons, Receipts and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Global Note may only thereafter be exchanged for Definitive Notes and (if applicable) Coupons, Receipts and/or Talons in accordance with the terms of this Global Note.

This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in Luxembourg. The Issuer shall procure that, as appropriate, (i) the Definitive Notes or (as the case may be) the Permanent Global Notes (where the Final Terms indicates that

this Global Note is not intended to be a New Global Note), shall be so issued and delivered, or (ii) the interests in the Permanent Global Note (where the Final Terms indicates that this Global Note is intended to be a New Global Note) shall be recorded in the records of the relevant Clearing System, in each case in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership from such person in the form required by it. The aggregate nominal amount of Definitive Notes or interests in a Permanent Global Note issued upon an exchange of this Global Note will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Note submitted by the bearer for exchange.

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. On an exchange of part only of this Global Note, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered pro rata in the records of the relevant Clearing Systems; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount so exchanged. On any exchange of this Global Note for a Permanent Global Note, details of such exchange shall also be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Note and the relevant space in Schedule Two to the Permanent Global Note recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons, Receipts and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes. In the event that this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date (if any) has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above then from 8.00 p.m. (London time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 21 June 2022 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safe-keeper by the relevant Clearing Systems.

CREDIT INDUSTRIEL ET COMMERCIAL

PERMANENT GLOBAL NOTE

This Global Note is a Permanent Global Note in respect of a duly authorised issue of Notes (the **Notes**) of CREDIT INDUSTRIEL ET COMMERCIAL (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 21 June 2022 and made between the Issuer, BNP Paribas Securities Services, Luxembourg Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay, or deliver to the bearer of this Global Note on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable or relevant Asset Amount deliverable, as the case may be under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time (which statement shall be made available to the bearer upon request) shall, save in the case of manifest error, be conclusive evidence of the records of the relevant Clearing System at that time.

[‡] This legend can be deleted if the Notes have an initial maturity of 1 year or less or if the Final Terms specify either that TEFRA C is applicable or that TEFRA is not applicable.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2, 3 or 4 of Schedule One or in Schedule Two.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (i) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled or by the amount of such instalment so paid.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment, or delivery so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Where the Notes have initially been represented by one or more Temporary Global Notes, on any exchange of any such Temporary Global Note for this Global Note or any part of it:

- (i) the Issuer shall procure that if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording any such exchange shall be signed by or on behalf of the Issuer whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such Temporary Global Note so exchanged.

In certain circumstances further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances the Issuer shall procure that:

- (i) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such further notes shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be increased by the amount of such further notes so issued; or
- (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such further notes shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such further notes shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such further notes so issued.

This Global Note may be exchanged in whole but not in part (free of charge) for security printed Definitive Notes and (if applicable) Coupons, Receipts and/or Talons in the form set out in Part 3, Part 4, Part 5 and Part 6 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons, Receipts and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes) only upon the occurrence of an Exchange Event.

An **Exchange Event** means:

- (i) an Event of Default (as defined in Condition 9) has occurred and is continuing; or
- (ii) the Issuer has been notified that both the relevant Clearing Systems have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by this Global Note in definitive form.

In the event of the occurrence of an Exchange Event:

- (A) the Issuer will promptly give notice to Noteholders in accordance with Condition 13; and
- (B) one or more of the relevant Clearing Systems acting on the instructions of any holder of an interest in this Global Note may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Agent requesting exchange.

Any such exchange shall occur no later than 45 days after the date of receipt of the first relevant notice by the Agent and will be made on any day (other than a Saturday or Sunday) on which banks are open for general business in Luxembourg. The aggregate nominal amount of Definitive Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note at the time of such exchange.

On an exchange of this Global Note, this Global Note shall be surrendered to or to the order of the Agent.

Until the exchange of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons, Receipts and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that (a) this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above or (b) following an Exchange Event, this Global Note is not duly exchanged for Definitive Notes by the day provided above, then from 8.00 p.m. (Luxembourg time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 21 June 2022 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.
